**Sallowness Transformed to Dusky Beauty**  
A dark skin becomes fascinating when delicately soft, underpinned with the radiant glow which indicates a healthy, elastic skin. Robertine keeps the skin refined in quality, keeps pores free from clogging waste and stimulates the tiny capillaries to contribute the color which charms in blonde and brunette alike. Robertine is certain protection against tan, sunburn and freckles if applied before exposure to sun or wind. Spreads like an imperceptible sheen of gauze over the surface, forming a shield stimulating and preserving a delicate, lustrous beauty.
