DATES ARE CHOSEN

Next Fair at Prineville
Will Begin on Oct. 17.

RECALLS ESCAPE OF TRACY

Penitentiary Guard Tells How Noted
Bandit Got Away—Other News
Notes of Interest.

The Central Oregon Livestock and Agricultural Association has set the dates of the next fair to begin on Oct. 17, with an alternate, Oct. 23. The association has plenty of money in its treasury, and it is planned to make the next fair bigger and better than ever. The premium list is to be enlarged and some of the premiums probably raised in amount. A fine program of races is also promised. Improvements will be made on the grandstand and grounds.

At a recent meeting of the stockholders the following officers were elected for the ensuing year:

President—T. H. Lafollett.
Secretary—Duncan Macleod.
Treasurer—H. Baldwin.
Directors—George Millican and J. R. Roberts.

The Prineville Review says it was ordered that the pavilion be given a new coat of paint, and that such other improvements to the stalls, race track and grandstand as may be deemed necessary by the board be made as soon as convenient, and as the association has plenty of money in its treasury the grounds will present a different appearance next fall.

Delay Saved His Life.

C. M. Charlton, who was one of the guards at the Oregon penitentiary at the time Harry Tracy made his famous getaway, was telling of that incident last evening. Charlton was to have taken the place of Farre, the guard that Tracy killed, that very day, but a few hours' delay saved his life. Tracy hardly got possession of the gun, which had been smuggled in by friends outside, when he turned like lightning into a very fiend, shooting Farre down and getting outside the gate in a moment, from which time he and Merrill left a trail of blood which terminated with the death of both. The plan was for 10 prisoners to bluff their way out, to force the warden to open the gate at the point of one gun while another covered the guard, but the plan failed. As soon as Tracy got hold of the 30:30 he began shooting, and eight prisoners quit the project at once and went back to their work. They had counted on a bloodless escape.—Prineville Review.

A Beautiful Mirage.

Tuesday morning at about 9 o'clock, George Gottlieb discovered a magnificently beautiful mirage in the Paulina mountains and across the Ft. Rock country. He immediately assembled a number of his friends, who were greatly charmed and elated at this astonishing phenomenon. The Paulinas looked as though they had lost their natural shape, and as the eye gazed they seemed to be inhabited with great snow phantoms and avalanches moving about. Everyone who was fortunate enough to have the opportunity of feasting their optics on this wonderful sight say that it was one of the most beautiful mirages they had ever seen anywhere.—Silver Lake Leader.

Another Fine Belgian.

G. Springer, president of the Haystack Livestock Association, has returned from Portland with a fine Belgian stallion to take the place of the one recently lost by

his company. "Cesar de Gen," as the new stallion is called, is a coal black horse of remarkably perfect build. The animal was imported during the summer from Belgium by A. C. Ruby & Company of Portland. "Cesar de Gen" was specially selected by Mr. Springer as the blood best suited to cross on the get of the fine stallion which the company had the misfortune to lose. Mr. Springer has been in the business 25 years and he is of the opinion that this stallion is as perfect a specimen of a draft horse as he has ever seen.—Crook County Journal.

Prineville Jubilant.

In speaking of the receipt of the news that the United States supreme court had remanded back the Williamson case for retrial, the Review says:

Sunset that day was marked by a fair-sized celebration in honor of the event. A huge bonfire was started in the street, a battery of anvils was started, the church bells were rung for an hour, and even a few sky rockets were sent up in the air. In fact, Prineville had a Fourth of July celebration in miniature. The evening was pleasantly spent by Mr. Williamson at his home receiving the congratulations of his friends over the successful outcome of his finish fight with Mr. Hitchcock and his hirling Heney.

Willie Pope Goes Back.

The Prineville Journal prints the following note regarding a former Bend youth:

Willie Pope, who was committed to the Boys' and Girls Aid Society at Portland from Crook county last fall, escaped from that institution last week and after drifting around a few days decided to return to Prineville. It was a fatal decision. He was nabbed by Sheriff Elkins on Friday and on Tuesday that officer left with his charge for a return to the aid society. The youth is utterly incorrigible.

A Mammoth Apple.

Tom Partin sent S. A. Lester a mammoth apple this week, measuring 12 1/2 inches in circumference and weighing just a pound. It grew in Jack Partin's orchard at Summer Lake.—Silver Lake Oregonian.

WIN THIS PRIZE.

Sum of \$10 Offered for the Best Idea for Medallion for Commercial Club.

The board of directors of the Bend Commercial Club has decided to offer a prize of \$10 to the person who will submit the best idea for a medallion or sort of trade mark to be used by the club in its advertising. The idea must be embodied in a sketch and submitted to the committee not later than two weeks from today, or on Jan. 31. A. M. Lara is chairman of the committee and all designs should be left with him.

The design should portray the object of the club, namely, the advertising of Bend and the Bend country. The various resources of the country should be represented in the sketch, to be worked out in some suitable manner by the different contestants. The sketch should be of such a nature that it can be reduced to about the size of a 25-cent piece and still be distinct and plain. Larger sizes will be used, but the smallest will be about as before stated. The contest is open to everybody and it is hoped that a number of good designs will be submitted. Hand in yours.

The medallion is to be printed on the stationery used by the members of the club, and its purpose is to bring in inquiries regarding this section.

Seed Wheat for Sale.

Cox seed wheat for sale, 2c per lb., at the Bend Livery & Transfer Stables.

OVER THE COUNTY

Bulletin Reporters Gather
Interesting Notes.

ROSLAND WANTS A SAWMILL

Local People Will Erect One if Outsiders Do Not—Social Happenings Are Numerous.

The Rosland country needs a sawmill and intends to have one. Home people will put one in if outsiders don't erect one soon.

Will Bogue is selling off his cattle and dairy implements.

Rosland expects a boom early in the spring. We certainly hope it comes.

The store of J. S. Bogue and Frank Bowles will do business under the name of Bogue & Co.

Lee Caldwell also should be included among the Rosland people in Prineville during the week.

Chas. Richie will soon commence work on a new house and barn on his homestead north of Paulina Prairie.

Arue Howard is erecting a barn on his lot in Rosland and will follow it with a good sized house as soon as possible.

Joe Hinton and W. E. Honk of Madras have been laid up here with their freight teams by a sick horse. They left for Silver Lake Wednesday morning.

Mrs. Emma St. Thomas of Silver Lake is visiting her sister, Mrs. Jake Howard. She will probably stay with Mr. and Mrs. Howard the balance of the winter.

Mr. and Mrs. J. S. Bogue, their daughter Mary and granddaughter Estella are visiting friends at Bend. Mr. Bogue has gone on to Prineville on business. They are expected home the latter part of the week.

There was a little surprise sprung on Lee Caldwell last Saturday evening. There would have been a much larger attendance had it not been that the notice was too short to enable most of the neighbors to go. Those present had a fine time and made a night of it.

Redmond Items.

REDMOND, Jan. 13.—News seems to be scarce this week, due principally to the fact probably that everybody is busy.

Sunday School was organized at the Forked Horn school house with an attendance of 34.

C. W. Muma came in Saturday night with a load from Shaniko and reports terrible roads.

We did not hear much about the dance Friday night except that a crowd was down from Bend.

Mrs. Hansen's mother and brother have left again for Washington after a two weeks' visit here.

"We neglected to mention" that E. H. Lockyear has been down to town and everyone was glad to see him.

It seems to be only a day here between fall and spring work and that day has passed. Spring work seems to be on.

W. J. Buckley left yesterday morning for the old home in Washington, called there by the serious illness of his mother.

G. A. Lilly, Oregon's Sky Pilot, has left to get that team that is to make it so much easier to keep his weekly appointments.

Mr. Pevely is just getting around again after a period of lameness. He cut his knee first with an ax and then bruised it again making it worse than at first.

The settlers' meeting Saturday night was quite well attended, though the dance of the night before cut the attendance somewhat as also the program. With other business transacted was the election of officers for the ensuing year.

Tumalo Items.

TUMALO, Jan. 12.—We are having some spring like days.

John Edwards was a Bend visitor Friday.

Dr. Coe and Jack Wenandy were in Tumalo Wednesday.

F. F. Smith of Gist passed through here yesterday going to Bend.

J. E. Wimer made a trip to the High-

tower-Smith mill near Gist after lumber yesterday.

Mr. and Mrs. Cyrus of Squaw Creek passed through here today going home from a visit at Bend.

We are glad to hear that a Sunday school has been organized at the Three Creek school house near Gist.

Reports are there that will be some work doing on the C. S. I. Co. ditch soon. The reporter cannot vouch for the above report, but we hope it is true.

Mrs. C. I. Thornthwaite, who has been visiting with Mrs. Pulliam during the holidays, expects to start for Wasco tomorrow where she has a position waiting here. We are sorry to hear of her departure and wish her success.

Grandma Fryear of Squaw Creek was in Tumalo yesterday on the way home from Bend where she has been at the bedside of Mrs. John Sisemore, who is very low. She said Mrs. Sisemore is better, which we are glad to hear.

John B. and Chas. L. Wimer will make proof on their homesteads in 16-11 next Friday. Their lands embrace a valuable piece of property and they have it well under cultivation and have made extensive improvements on their claims in the last five years.

Notes on the Leap Year Ball.

Come one, come all, come short, come tall, come great and small, to the leap year ball at Lara hall, on Jan. 22.

We mean everybody. We want all the ladies to help us to make this the success of the season. Of course we can not get along without the gents, so come even if the girls don't invite you. Gents all welcome.

At the leap year ball there will be a committee of ladies appointed to see that each and every lady and gent have a good time. Programs will be passed around, which will help all the bashful ladies and assure a good time for everybody. This is the only object of the dance—to drive dull care away.

Don't forget Jan. 22 at 8:30. Lara hall. Leap year ball. Tickets, 75 cents. Refreshments served in the hall 50 cents a couple. The Bend orchestra will furnish the music, which means good music and a good time for everybody.

Forget everything and come to the leap year ball. Ladies, bring your pocketbooks for, you know, the ladies pay all expenses.

The ladies give the leap year ball and will give all proceeds over and above expenses to the orchestra. So one and all join hands and help them.

CHURCH NOTES.

(CONTRIBUTED.)

Rev. Mitchell will preach Sabbath next at 11 a. m. on "The Waste of Shame."

Christian Endeavor at 6:45. At the 7:30 service Dr. Coe promises to give his address on "Hereditry." After that "Socialism" will be the topic; Lawyer Greenman to speak on "Socialism in Politics;" Rev. Mitchell on "Socialism in the Industrial World;" and Dr. Turley on "With Socialism Installed, What Then?"

Of course this is too much for one evening, so let us have another meeting on the same subject Friday, Jan. 24, at the church at 7:30 with good music to start us out. All invited.

Farms for Sale.

One hundred sixty acres, well improved; good new 7-room house; new barn, 21x46 feet; 40 acres in cultivation, balance level and easily cleared; 12 acres to clover; good young orchard; all under good fence; water right with the place; one-quarter mile to good school.
