FIRST GUN FIRED.

Prohibition Campaign is Started in Crook County.

PRINEVILLE, March 10.—The first gun in the local option campaign of 1908 was fired in Prineville last Sunday. The proposition is to vote on the question of prohibiting saloons in Crook county as a whole.

The evening meeting was held in the Methodist church, all the other churches dismissing in order to join together. Before the hour of opening every seat was taken.

Dr. Hudson will speak in Bend Sunday night in the church. He will be at Laidlaw Sunday morning and at Three Creek school house Saturday evening.

How to Kill Your Town.

Kick. Keep kicking. And don't quit kicking. One pull one way and one the other.

Go to other towns and buy your goods. Denounce your merchants because they make a little profit on their goods.

Knife every man that disagrees with you on the method of increasing business.

Make your own town out a very bad place, and state it every chance you get.

Tell your merchant that you can buy your goods a great deal cheaper in another town and charge them with extortion.

Keep every cent you get, and don't do anything of a public nature unless you can make something out of it for yourself.

When you say anything of your town, say it in such a way that it will leave the impression that you have no faith in it.—Ex.

"Dat's Mah Thumb."

A Prineville girl who recently returned from a trip back east related the following experience: She attended one evening where chocolate bonbons were part of the refreshments.

Large Load of Logs.

One of the largest loads of logs ever taken into the yard of any saw mill, was sledged in this week at the Embody mill.

Delightful Blood Face Powder. Imparts a rare softness, beauty and delicacy to the skin.

horses belonging to the Embody mill, and Abe Wolf, one of the best teamsters on the coast, handled the ribbons.

For Rent. Forty acres of farm land, part set in alfalfa and part in timothy.
