

LOCAL BITS.

For Sale—Driving team, weight 2100; also hack and harness.—R. J. McCANN.

John Steidl returned home Wednesday afternoon from a business trip to Portland.

Hans Johnson is building a new house on Ohio street to be occupied by him and his bride.

Ladies who are in need of a new hat should examine the very pretty and attractive ones at The Merrill Co.'s store.

The Ladies' Library Club of Bend will hold its next regular meeting in the library room Tuesday afternoon.

Roscoe Howard, manager of the D I & P Co., is at Portland and Tacoma on a business trip. He will be gone about two weeks.

There will be a game between Bend's regular ball team and one composed of the married men on the local diamond next Sunday.

Philip Francis and wife arrived in Bend Wednesday evening and will take up residence at once on the homestead southeast of town.

It is getting time to make garden and the Bend news stand can supply you with all kinds of seeds, including onion sets. Alfalfa and clover seed also in stock.

Alex Davis was in Bend Thursday. He had just bought 250 head of young cattle in the Sisters country, which will be driven to his ranch at Klamath Marsh.

Perry Poindexter and Ed Hodson of Prineville came over last Saturday with their automobiles, bringing with them a number of Prineville people to be present at the ball game.

The ladies' library club will give another sale of candy and popcorn next Saturday afternoon at the J. I. West furniture store. The proceeds will be used to meet the expenses of the public library.

Last summer the P. B. D. Co. seeded one of their fields to alfalfa with a nurse crop of oats. The alfalfa made an excellent catch and is coming up this spring in fine shape. The field lies to the left of the road leading to the C. O. D. mill.

A large bunch of cattle belonging to John Ryan passed through Bend Wednesday evening on the way to the home ranch at The Toolies, where they will be turned out on the range. There were 300 head in the drove of yearlings and two-year-olds.

Agents Wanted!—16x20 crayon portraits 40 cents, frames 10 cents and up, sheet pictures one cent each. You can make 400 per cent profit or \$16.00 per week. Catalogue and samples free.—FRANK W. WILLIAMS COMPANY, 1208 W. Taylor St., Chicago, Ill. 5-8

J. H. Wenandy returned the latter part of last week from Montana where he had been called by the death of his grandmother, and of whose estate he was appointed administrator. Mrs. Wenandy remained in Montana and will return to Bend a few weeks later.

The Wenandy stages are now making through runs from Shaniko to Bend, leaving Shaniko after the sun arrives and reaching Bend the following afternoon. This popular stage company is enjoying a brisk business and is carrying a large

number of passengers and a goodly amount of express.

The Merrill Co. has a fine line of beautiful spring and summer hats for the ladies. Have you made your selection? If not, do so before the best ones are taken.

Nothing nicer than a rich green lawn. White clover and blue grass mixed is the best to use—one part blue grass, four parts clover by weight. You can get the cleanest and best seeds and at right prices at Lara's. He also has a good many different kinds of garden seeds,—and in Sweet Peas—the best mixture money can buy and only gets. an oz.

H. H. Davies took a run to Prineville with his automobile the first of the week, being accompanied by A. C. Lucas and M. J. Morrison. On the return trip Mr. Davies claims to have broken all records between Prineville and Bend, having made the run in just two hours of actual running. He made the run from Powell Buttes station to the Pilot Butte Inn in one hour and twenty minutes.

At a special meeting of the city council last Tuesday evening the decision of the council seemed to be averse to the taking over by the city of the system of open ditches throughout the town. The matter was not finally decided, however, and a meeting will be held with the officers of the water company in order that the aldermen may more fully acquaint themselves with the conditions involved.

Mrs. Wilson returned on Monday morning's stage from Silver Lake where she had gone to attend to land matters. She was accompanied by Mrs. Walter Keene. At Silver Lake they were joined by Mr. Keene, who came in from the Narrows where he has a good position in a store. W. B. Wilson and wife are also in Harney county about 40 miles from Burns, Mr. Wilson having a fine position as foreman of a large ranch.

The ball game last Sunday on the local diamond between the Bend and Prineville teams was an interesting exhibition of the national game. Bend took the lead at the first of the game and for about four or five innings it looked like a walk-away for the local boys. Then Prineville got up its nerve, began to play better ball, the Bend boys made a few bad plays and the score finally showed in favor of the visiting team, standing at the close of the game 9 to 13 in Prineville's favor. There were no spectacular plays made by either team—just an exhibition of fair base ball from start to finish, with the result really in doubt until the last man was put out. Special credit should be given to Dr. Spaulding of Prineville, who acted as umpire and whose decisions were absolutely fair to both sides. It is seldom one sees a game so fairly umpired as that of Sunday.

A Common Mistake

Many women mistake kidney and bladder troubles for some irregularity peculiar to the sex. Foley's Kidney Remedy corrects irregularities and makes women well. Miss Carrie Harden, Bowling Green, Ky., writes: "I suffered much pain from kidney and bladder trouble until I started to use Foley's Kidney Remedy. The first bottle gave me great relief, and after taking the second bottle I was entirely well."—C. W. Merrill, Druggist.

Will Organize Local Grange.

A. A. Bonney of Tygh Valley is in these parts organizing local granges in the different towns. One has been organized at Laidlaw and on next Saturday, April 25, Mr. Bonney will organize one at Bend. A large attendance is desired and it is hoped that a strong membership will be obtained for the inauguration of this organization in this vicinity.

The Patrons of Husbandry, or "the Grange" as it is commonly designated, has allied itself in behalf of a new water law for Oregon and intends to exert all the influence it can to secure the passage of such a law by the next legislature. The grange is a strong organization and will bring much pressure to bear in behalf of this wholesome law.

Receives Congratulations

You will soon receive the congratulations of your friends upon your improved appearance if you will take Foley's Kidney Remedy as it tones up the system and imparts new life and vigor. Foley's Kidney Remedy cures backache, nervous exhaustion and all forms of kidney and bladder troubles. Commence taking it today.—C. W. Merrill, Druggist.

Foley's Urino Laxative is the best for women and children. Its mild action and pleasant taste makes it preferable to violent purgatives, such as pills, tablets, etc. Cures constipation.—C. W. Merrill, Druggist.

Gophers, Sage Rats and Prairie Dogs annually devastate our fields of growing grain. Their number may be greatly diminished by a systematic warfare upon them. Every female killed before the young are born, reduces the number of pests at least ten later on.

"Woodlark" Squirrel Poison is the most reliable and destructive agent yet devised for their extermination. It is absolutely certain in its action and every kernel is warranted to kill. Climatic changes or moisture of the earth do not destroy its strength. It requires no mixing or preparation, and is always ready for use. No other is so good. Dealers will refund the purchase price, if not as claimed.

Francis-Harlan.

Mr. Philip A. Francis was united in matrimony to Mrs. Marie Josephine Harlan Friday evening, April 3, at Portland, Or., by Rev. Clarence True Wilson, pastor of the Centenary Methodist church. They were married at the residence of Mr. and Mrs. Wm. Pigeon, 749 Kerby St., with only a few relatives and friends of Mrs. Harlan present. Mr. and Mrs. Francis will visit relatives in Hood River for a week and then return to Bend and reside on their homestead. Mrs. Francis has a little daughter 12 years old who will come with them; and possibly a married daughter and her husband will make their home in Bend.

An Insidious Danger

One of the worst features of kidney trouble is that it is an insidious disease and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Remedy at the first sign of trouble as it corrects irregularities and prevents Bright's disease and diabetes.—C. W. Merrill, Druggist.

MICRO
ITCHING SCALP
DANDRUFF AND
FALLING HAIR

are but outward signs of the evil done in secret by myriads of dandruff germs sapping the life blood of the hair. Micro kills the parasite, soothes the itching scalp, gives lustre to the hair and stops it falling out. A single application gives relief and proves its worth. Save your hair before too late. Micro prevents baldness. It is a delightful dressing for the hair, free from grease and sticky oils. Ask your druggist for free booklet.
