#### AUTOMOBILE ON STAGE LINE.

(Continued from page 1.)

P. m. Passengers going to the railroad from this end of the line will take the automobile at Trail Crossing, which will return to Haight's and turn them over to the stage in time to get into Shaniko about 9 o'clock at night.

This automobile service will be a great convenience to the public. It will cut down the time several hours from Shaniko to Bend, and will eliminate all night riding. And of course it is much easier riding in an automobile than in even the easiest stage yet made. This progressive and popular stage company should be commended for giving the public such good service.
