"The Best Store"

LOCAL BITS.

Roscoe Howard and John Steidl left for Portland Thursday morning.

If you are losing your sole have it repaired by Legat, the shoe man.

A nine pound boy was born to Mr. and Mrs. E. A. Sather on Monday last.

Wanted—Girl or woman to do general housework in small family. Inquire at this office. rolt

Fred Shonquest was a business visitor in town Wednesday from his ranch on the Meadows.

C. M. Redfield is having an addition built onto his house. Ed. Brosterhous is doing the work.

H. A. Brattain, representative elect from this district, will be the Fourth of July orator at Silver Lake.

Miss Marion Wiest left Tuesday morning for a visit of several weeks at Portland and other Valley points.

The Catholic ladies did a very good business at their ice cream and strawberry social, and cleared about \$32.

Shoe repairing done with neatness and dispatch by Legat, the harnessmaker and cobbler. At A. L. Hunter's old stand.

There was a goodly crowd in attendance at the dance given by the orchestra Saturday night last, the receipts amounting to \$21.

The M. W. A. Restaurant announces that it has just received a full and complete line of cigars. Smokers should take notice.

The Warmspring Indians didn't do much to the Madras ball team at a recent game, only scalping them to the tune of 9 to 4.

The Bend men who went up to Crane Prairie to help put in a sheep bridge for the national forest people returned home Sunday, having completed the work.

John Legat, the new harnessmaker and shoe repairer, has just got in a new machine for sewing shoes. He is now better equipped than ever to do good work.

One week from today, on Friday, July 10, the Ladies' League of the Presbyterian church will hold its annual election of officers. A full attendance of the members is desired.

L. L. Welch, a farmer living in the old river bed section, was in town Wednesday. He reports that crops are doing fine and that his oats are making a great growth under this hot sun.

"Peggy" Page and Nick Weider have gone to Prineville to play with the Redmond boys at the ball tournament Friday and Saturday of this week. That means that Redmond boys will have some efficient helpers.

Rev. Mitchell announces that he will preach as usual at the Bend church a week from Sunday, and that after the morning service the congregation will elect another trustee, raising the number of trustees to six instead of five as heretofore.

Every farmer coming to town brings the good news that the hot weather we are now enjoying is doing worlds of good to the crops, and that all grains and grasses are growing rapidly. Let the hot weather continue. It is just what we want and need.

A. M. Lara and wife and Maxwell G. Richardson of Bend, F. H. Marion of Laidlaw and Wm. Bogue of Rosland were in Silver Lake over Sunday on land business, the former three filing on timber claims in 32 and 33-14. Mr. Lara is a leading merchant of Bend.—Oregonian.

A goshawk has been cleaning out L. D. Wiest's spring chickens, having taken 16 out of a brood of 21 chicks in about a week. These hawks are about the size of a pigeon and are exceedingly swift on the wing. They will swoop down and pick up a small chick almost in full flight. The goshawk has a record of flying two miles a minute.

The function of the kidneys is to strain out the impurities of the blood, which is constantly passing through them. Foley's Kidney Remedy makes the kidneys healthy. They will strain out all waste matter from the blood. Take Foley's Kidney Remedy and it will make you well.—C. W. Merrill, Druggist.

Two of Bend's saloon men will leave the town now that the saloons have been closed. Severt Debing and the O'Neils have bought a saloon at S. Aniko, and A. B. Estebenet is thinking seriously of going into business at Pasco, Wash., although he has not yet fully decided as to that.

No one who reads The Bulletin this week can help seeing the two column ad that tells you all about the new shirtwaists, ties, etc. that A. M. Lara has just gotten in. Of course you are going to celebrate and you should be dressed properly for the occasion. Lara has just the articles that you are looking for.

W. H. Hurlburt of Portland was in Bend during the week. He was looking over the country and was very well pleased with the resources of this section and the wonderful chances for development. Mr. Hurlburt is a prominent capitalist of Portland, and is connected with the Oregon Water, Light & Power Company.

Mr. and Mrs. Ralph Spencer and little daughter of Silver Lake are visiting in Bend, and will remain indefinitely. The Central Oregonian, which paper Mr. Spencer has been editing, has been sold to and consolidated with the Silver Lake Leader, which naturally puts Mr. Spencer temporarily out of a position. By the way, the Central Oregonian, under Mr. Spencer's management, was an excellent paper.

Mr. and Mrs. J. H. Wenandy returned to Bend Monday night from their trip to Montana. They were in Montana during the recent floods, and Jack reports that he saw buildings as large as The Bulletin building lifted and carried away by the floods, and steel railroad bridges washed out and likewise carried away. Damage to the Milwaukee road, which is building through that state, is estimated at \$1,000,000. There were no trains over the main line of the Northern Pacific between Butte and Spokane for 23 days. The flood was one of the worst in the history of the Northwest.

AN EXCITING GAME.

(Continued from page.)

throw the ball down a well as to Johnson on first. He is always there with the goods and never muffs.

McCauley is a powerful man with the stick in his hands and slugged one into the sagebrush for a 3-base run, but Staats' slow balls fooled him somewhat.

Tetherow is a fast player behind the bat. His reputation as a catcher preceded him to Bend, and he lived up to that reputation in the game Sunday.

Staats threw one of his best games Sunday and had the Redmond boys guessing the moment he entered the box.

Redmond has a good outfield. They get everything coming their way.

John Steidl makes a good backstop.

Delay in commencing treatment for a slight irregularity that could have been cured quickly by Foley's Kidney Remedy may result in a serious kidney disease. Foley's Kidney Remedy builds up the worn out tissues and strengthens these organs. Commence taking it today.—C. W. Merrill, Druggist.

Every Farmer

As well as every business man should have a bank account.

Why?

Because: Your money is safer in the bank than anywhere else.

Paying your bills by check is the simplest and most convenient method.

Your check becomes a voucher for the debt it pays.

It gives you a better standing with business men.

Money in the bank strengthens your credit.

A bank account teaches, helps and encourages you to save.

This bank does all the bookkeeping.

Your bank book is a record of your business.

To those desiring Banking Connections with a well established Bank, we extend our services.

The Central Oregon Banking & Trust Company
