Mental Bank Accounts.
The man who is under his best has usually neglected his nervous bank account, writes a contributor to Good Housekeeping. Some force he has spent mentally on his work, some on running his physical engine, some on his emotions. The total foots up more than his account. He had enough energy to carry him through, but he wasted it. First of all, then, a man must size up his manner of living, of working, of thinking, of feeling, and see how he can better them all. Then when he has decided on his course of action let him forget why he is doing it. Let him give himself one whole- some overhauling and be done with it.

How to Avoid Appendicitis
Most victims of appendicitis are those who are habitually constipated. Foley's Orino Laxative cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Foley's Orino Laxative does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes.—C. W. Merrill, Druggist.
