Two Pointers for the Farmer.
In an irrigating country it is sometimes found necessary to take down a fence to avoid a ditch or lateral when driving to or from a field. If this road is only used a part of the year, or occasionally, it does not pay to construct a permanent gate. A temporary gate, which will cost only a few cents, can be constructed in the following manner: Loosen the wires on three or four posts, depending on the tightness of the wires. Then drive two staples about one-half inch apart parallel to the wire and to each other where the staples were formerly driven in the post. Place a spike at the bottom of each of the two center posts. The wire can then be hooked under these spikes and will be held close to the ground so it is easy to drive over. When the fence is to be closed place the wires between the parallel staples and then run a nail through both staples and outside of the wire. Fasten the wires to each post in this manner and your fence will be just as good as it would be if the wires were stapled solid to the posts. This is a cheap and very satisfactory way to construct a temporary gate.

One very good way to clear land of sagebrush, provided you do not care to use the land for a year, is to sow rye among the brush in the fall. The fall and spring rains will cause the rye to grow. The rye will ripen in the following July. In August a fire will burn both the rye and sagebrush. If care is taken in sowing the rye so that the fire will carry well from brush to brush the ground will be left as clean as a swept floor.—Twin Falls News.

Prizes for Best Essays.
The Oregon Society of the Sons of the American Revolution offers prizes to the pupils of the public schools of Oregon, for essays on subjects connected with our War for Independence.
Prizes of \$20.00 and \$10.00 will be awarded for the first and second best essays written by high school pupils on either one of the following subjects:
1. Foreign Aid in the Revolutionary War.
2. Washington's "Greatness"—In What Did It Consist?

Prizes of \$20.00, \$10.00 and three of \$5.00 each will be awarded for the first, second, third, fourth and fifth best essays, respectively, written by grade pupils on any one of the following subjects:
1. The Causes of the Revolutionary War.
2. The Battle of Saratoga.
3. The Navy in the Revolutionary War.
4. The Battle of Bunker Hill.
The essays are limited to 3,000 words each, must be written in the student's own handwriting on one side only of the paper, and accompanied by a certificate from the writer's teacher, stating that the writer is a pupil in a designated class, and that the teacher believes the essay to be the pupil's own unaided work. The essays must be signed by the writer, giving also his or her postoffice address. They should be forwarded to Mr. B. A. Thaxter, Chairman of Committee, 443 Eleventh street, Portland, Or., and should reach their destination not later than January 31, 1909.
In awarding these prizes the committee will be governed by consideration of:
1. Originality.
2. Accuracy of statement.
3. Manner of treatment.
4. Orthography, syntax and punctuation.
5. Neatness and legibility.
These prizes are offered to encourage love of our country and the study of its history.
A great deal of publicity would kill an unworthy enterprise as surely as it would "make" a worthy one.
