Facts About The Bend Bulletin

It gives you more for your money than any other county paper. It has weekly news letters from Redmond, Pleasant Ridge, Powell Buttes, Tumalo, Tiller and Rosland. It gives ALL the news of Western Crook county. Beside the local and county news it has each week a page of state news, a page of national news, containing a full account of what is going on at Washington, D. C. A department devoted to "Farms and Families" and an interesting serial story, in addition to the general world news, which is given in a condensed form. No other county paper circulating in your section contains half these important features. The Bulletin gives you eight pages of reading matter, where the others only give you four.

What is Farm and Fireside?

It is not enough that Farm and Fireside has stood in the front rank of farm papers for the last thirty years; it is not enough that it has barrelled all questionable advertisements from its columns and guaranteed every advertisement to the farmer and his family the very best of practical and helpful material that money can buy. If it is about anything more important than a post driver, it's going to be told by a man who can make a post driver better than he can do any other thing. We are going to carry this utility idea through the whole farm and into the kitchen door, where the farm wife needs labor-saving help and practical suggestions just as much as the men folks.

Around this practical working proposition, carried out on a totally new plane, we shall forge material of interest and entertainment, which farm papers heretofore have put into the "can't afford" class. Farm and Fireside has twelve to fifteen departments covering every phase of farm and home life. Among them are Live Stock and Dairy, Gardening, Poultry, Fruit Growing, Cooking, Fashioning, Young People, etc. It prints 30 to 32 pages each issue. We can afford the best, simply because we believe the farmer will pay for the best, now that we have demonstrated our ability to give it to him. You will find Farm and Fireside better than it has ever been thought possible to make a farm and family paper.
