Facts About The Bend Bulletin

It gives you more for your money than any other Crook county paper. It has weekly news letters from Redmond, Pleasant Ridge, Powell Buttes, Tumalo, Gist and Rosland. It gives ALL the news of Western Crook county. Beside the local and county news it has (each week) a page of state news; a page of national news, containing a full account of what is going on at Washington, D. C.; a department devoted to "Farms and Farmers" and an interesting serial story. In addition to the general world news, which is given in a condensed form, no other county paper circulating in your section contains half these important features. The Bulletin gives you eight pages of reading matter, where the others only give you four.

What is Farm and Fireside?

It is not enough that Farm and Fireside has stood in the front rank of farm papers for the last thirty years; it is not enough that it has barred all questionable advertisements from its columns and guarantees every advertisement it accepts; Farm and Fireside has got to do more than that, and it is going to do a lot more than that; it is going to give to the farmer and his family the very best of practical and helpful material that money can buy. If it is about nothing more important than a post driver, it's going to be told by a man who can make a post driver better than he can do any one other thing. We are going to carry this utility idea through the whole farm and into the kitchen door, where the farmer's wife needs labor-saving helps and practical suggestions just as much as the men folk.

Around this practical working proposition, carried out on a totally new plane, we shall forge material of interest and entertainment, which farm papers heretofore have put into the "can't afford" class. Farm and Fireside has twelve to fifteen departments covering every phase of farm and home life. Among them are Live Stock and Dairy, Gardening, Poultry, Fruit Growing, Cooking, Fashions, Young People, etc. It prints 20 to 32 pages each issue. We can afford the best, simply because we believe the farmer will pay for the best, now that we have demonstrated our ability to give it to him. You will find Farm and Fireside better than it has ever been thought possible to make a farm and family paper.

Mrs. McRaney's Experience.

Mrs. M. McRaney, Prentiss, Miss., writes: "I was confined to my bed for three months with kidney and bladder trouble, and was treated by two physicians but failed to get relief. No human tongue can tell how I suffered, and I had given up hope of ever getting well until I began taking Foley's Kidney Remedy. After taking two bottles I felt like a new person, and feel it my duty to tell suffering women what Foley's Kidney Remedy did for me."—C. W. MERRILL, Druggist.

Redmond Items.

REDMOND, Dec. 13, '08.—The meetings being held here by the Presbyterians closed last Wednesday evening with the admission of new members, the ordination of Elder Chapman and the communion service. The new members are Mr. and Mrs. Norwood, McCafferty and Buckley, with Mrs. Brown, Burlington, Park, Smith and McLellan. A baptismal service for children was also held at 5:30 o'clock. Mr. Harper leaves this week for other fields with the best wishes of every one with whom he has come in contact during his short stay here.

The butterfly social held at the hotel Thursday night was one of those good times that seem beforehand to be hard to report on account of the scarcity of new expressions in which to dress up old ideas. It was an event that will be long remembered. It was delicious hawk-wheat pancakes that made the butter fly for over a hundred who partook of them. W. E. Young had charge of the stove work with Finis Woods as chief assistant. Mrs. Park mixed the cakes and a dozen or more girls served them. Before the serving began the company was entertained with songs and prearranged speeches. W. A. Belcher spoke of the subject The Ladies (in general); G. A. M. Lilly handled the Ladies' Aid, H. F. Jones made announcements and E. C. Park spoke on the patient and long-suffering husbands. We feel safe in saying if anyone did not have a good time his money will be refunded.

Carl Ehret's house is coming along nicely with several men working up the lumber as fast as it comes in. He expects to occupy it by Christmas time.

More people are taking Foley's Kidney Remedy every year. It is considered to be the most effective remedy for kidney and bladder troubles that medical science can devise. Foley's Kidney Remedy corrects irregularities, builds up worn-out tissues and restores lost vitality. It will make you feel well and look well.—C. W. MERRILL, Druggist.

and it will be quite an addition on the north side.

Rev. Lowther expects to begin protracted meetings here the first of January. He will be assisted by the Adams sisters.

Mr. Jones has been making several improvements on the place lately owned by Chris Ebert.

The McClellans are new arrivals from the Grand Ronde valley and are camped south of town.

Mr. Muma is filling his 250 barrel cement walled cistern today.

Mrs. Eby is at last well enough to be out to church again after an absence lasting for several months.

Mr. Burlingham has bought lots in town and is building on them for temporary occupancy.

Cashier Ehlers expresses himself as surprised and pleased at the volume of business being done by the bank.

Lamb's feed store is also enjoying a good run of business.
