

Little Soldiers

In your blood are the millions of corpuscles that defend you against disease.

To make and keep these little soldiers healthy and strong, it is simply to make and keep the blood of the right quality and quantity.

This is just what Hood's Sarsaparilla does—it helps the little soldiers in your blood to fight disease for you.

It cures scrofula, eczema, eruptions, catarrh, rheumatism, nervousness, dyspepsia, general debility, and builds up the whole system.

The Alveolar System

Of Replacing Teeth in the Human Mouth is the Greatest Advance Ever Made in Scientific Dentistry

A few years ago Marconi came before the world with the statement that he could transmit messages through the air by electricity without the use of wires. Every telegraph operator in the land scoffed at the idea and said it could not be done.

Likewise the Alveolar System of replacing teeth in the human mouth without the use of cumbersome and unsightly plates, which is the latest method to be adopted by scientific dentistry.

If you have two or more teeth in either jaw, either tight or loose ones (we make the loose ones tight and healthy) we guarantee to put in, for you, a beautiful set of teeth that can hardly be told from natural ones. All work absolutely painless.

These Teeth Will Outlast Those Who Are Wearing Them

If we can beautify your appearance and build up your health with a new set of Alveolar System teeth, or enable you to do away with a scabby, unclean, partial plate or ill-fitting piece of ordinary bridge-work, wouldn't it be the greatest service that could be done for you?

We make absolutely NO CHARGE for advice. We examine your mouth and advise conscientiously.

The ALVEOLAR SYSTEM is to the old time methods what Wireless is to the ordinary Telegraphy.

"It didn't hurt a bit. Now for my Alveolar Teeth."

In a case like the above, all dentists throw up their hands and say there is no hope except in the use of a false plate. The Alveolar System solves the problem and now plates are seldom necessary unless every tooth is gone. We are positively painless dentists in every branch, and for 30 days we make the following money-saving prices:

- 22K Gold or Porcelain Crowns . . . \$3.50
- Bridge Work (all kinds) each tooth . . . \$3.50 up
- Silver Fillings . . . 25c and 50c
- We are expert plate makers . . . \$3.50 up
- Painless Extracting (free with all work) . . . 50c

Write for our Booklet, which will be sent free. "The Great Alveolar Electric System." We are the only real Alveolar Dentists in Portland. Beware of imitators.

We do work for out-of-town people in shortest possible time.

CURE

PAYING FOR A MEAL.

It Was Worth About a Shilling to Pick Those Bones.

Colonel Elie Ebenezer Sprout of Revolutionary fame was born and bred in Middleboro, Mass. He was always fond of a joke and was quick to seize an opportunity to indulge his propensity, as the following incident illustrates. His father, also a Colonel Sprout, kept a tavern. One day while Ebenezer was at home on a furlough three private soldiers, on their return from the seat of war, called for a cold luncheon.

Mrs. Sprout set on the table some bread and cheese with the remnants of the family dinner, which her son thought rather scanty fare for hungry men. He felt a little vexed that the defenders of the country were not more bountifully supplied. The soldiers, after satisfying their appetites, asked him how much they should pay. Ebenezer said he would ask his mother. He found her in the kitchen.

"Mother," he said, "how much is it worth to pick those bones?"

"About a shilling, I guess," she answered.

The young officer returned to the soldiers and, taking from the barroom till 3 shillings and smiling genially upon them, gave each man one and with good wishes sent them on their way. Mrs. Sprout soon after came in and asked Ebenezer what he had done with the money for the soldiers' dinner.

In apparent amazement he exclaimed: "Money! Did I not ask you what it was worth to pick those bones, and you said a shilling? I thought it little enough, for the bones were pretty bare, and I handed the men the money from the till, and they are gone."

Mrs. Sprout could not find heart to reprove her favorite son for this misinterpretation of her words, and then she, too, loved a joke, and so, after an instant's glum look, she laughed and said it was all right.
