## Had a Reason.

Editor (of Daily Thunderbolt)-Yoop er, you have fallen down on two or three assignments lately. You used to have the best nose for news there was in the office.

Reporter-I think I had-but it's been pulled once or twice lately, and I'm getting eautious about using it.

## Making Sure.

Country Cousin-Are you sure I am in the right train?

Town Relative (who has had about enough of it)-Well, I have asked seventeen porters and thirty-two passengers, and they all say, "Yes," so I think you'd better risk it .- London Telegraph.

The long feathers of a bird's wing are fastened to the bone. It is this which gives the wing the strength and surface wherewith to beat the air.

## Its Claim to Immortality.

"I don't see anything remarkable to your poem," said the editor, handing it back.

"You don't?" howled the would-be contributor, pointing with a quivering finger at the word "loathes" at the end of the fourth stanza. "Did you ever see a poem before that had a perfect rhyme for 'clothes'?"—Chicago Tribune.

#### enables it Pleasant for Illm.

"Gentlemen," said the tonninuster at the enquet, "we have listened to some excelorators this evening and I am sure we have enjoyed their efforts very much. I have purposely kept one of our best peakers for the last, and after you have heard him I know you will be glad to go home. Gentlemen, I have the honor to present Mr. Ketchum A. Cummin, who will now address you,"-Chleago Tribune.

A boy was asked to explain the ditference between animal instinct and human intelligence. "If we had in-stinct," he said, "we should know everything we needed to know without learning it; but we've got reason, and so we have to study ourselves 'most blind, or be a fool."-Universallst Leader.

Man with the Bulging Brow-Awful sloppy, lan't it?

Man With the Bulbous Nose—It ain's half as sloppy for you as it is for me. My overcoat's in soak.

#### Introductog Her Resolution.

"Johnny," said Mrs. Lapsling, putting on her wraps, "I've been in the house all day and I need the fresh air. If you'll mind buby a little while I'll go and take a preamble around the block."

#### Curtosity Gratified.

Former Customer (after a long absence) - What has become of the pretty blonde that used to feed the hungry at this lunch counter?

Durk Skinned Walter Girl-I'm her. What you goin' to order, sir?

#### Youthful Philosopher.

A five-year-old boy on hearing grace prayers at night. That is the dangerous time,"-Life.

#### Before Ripe Wisdom Comes. There is a dangerous stage in every-

one's career when his friends are afraid to tell him a compliment for fear it will make him more conceited. -Boston Globe.

#### Bloodless Revolution.

principle of rotation in office?

Eminent Statesman-I certainly do, young man. That's why I have a revolving chair in my office.

#### Not Worth While.

"Don't you think, Mr. Sply," said the ees, "you might as well take off your

the clerical department. "I'm only going very fine. Cook slowly for two hours to hold this job two weeks."

"They tell me, Mr. Smithers," simpered he fluffy young thing, "that you are quite.

"Miss Easton," said the hostess, "this s Mr. Weston."

'Nominally, how-

"Delighted to know you, Miss Easton, aid the young man, "Nomini-

"Actually, too, perhaps, Mr. Weston," be answered, so distantly that he instanty felt himself to be 12,500 miles away.

## Absent-Minded Alderman.

A Lynn (Mass.) alderman at a reent aldermanic meeting inquired what ad become of an order he had introvious and that he had voted against it. of two eggs beaten very stiff.

## Must Be Hard Work.

In Russia there is a cheap reaping machine which has a reel, but no automatic rake. A man sits on the platform and rakes off the grain with a sugar and the beaten yolks of three pitchfork. The name of this machine "brow." and "greika" is "a beater," Froth. Bake in puff paste. the whole can be translated "brow-

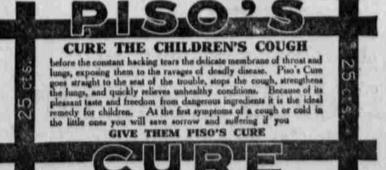

## Untimely Interruption.

## A Grown Up Baby.

"You'd like to be in South America during a revolution, would you? What "O, I'd like to see the wheels go

round.

Darwin, for five days, engineer-com E. S. Silk was found alive and well by a black tracker.

Fruit Salad.

Peel and separate into lobes four oranges, cutting each lobe into three pleces; blanch, dry and break into bits enough English walput meats to make a teacupful; seed and halve a cup of Malaga grapes. Mix these ingredients together and set in the ice until cold. Line a bowl with crisp lettuce leaves, fill with the fruit, sprinkle lightly with salt and pour over all a good mayonnaise dressing.

#### Delicious Baked Apple Sauce.

Pare, quarter and core a pan of cook ing apples. Put in a stone jar with two or three cups of water, cover and bake long in a moderate oven. As the fruit shrinks in the jar, scrape from the sides and add sugar to your taste. Bake as long as you would beans and you will have a sauce rich, red and de licious.

#### Baked Oranges.

Take small oranges, cut out core with a thin, narrow knife; put oranges in pan with little water, four tablespoonfuls of sugar, juice of lemon and a little wine; haste often, bake until tenasked for the first time at breakfast der enough for a straw to pierce. This gravely remarked: "I only say my is good as a relish with game or meats, or can be used as a dessert with whipped cream.

#### Pickled Best Heart.

Pickled beef heart makes a delicious and inexpensive change in the ordinary menu. Its preparation is extremely simple, too. After the heart has been thoroughly boiled in water, pour spiced boiling vinegar over it, and set away Reporter—But, Senator, in a government like ours, don't you believe in the a dish garnished with summer savory or parsley.

#### Gingered Apples.

Four pounds tart apples, four pounds ginger, grated rind of four lemons. Chop. ginger, grated rind of four temons. Chop the apples very fine and cook the sugar and water until a thick slrup is formed. "What's the use?" asked the new man, Then add the chopped apple, grated the was filling a temporary vacancy in lemon rind and the ginger chopped

#### Frozen Chicken Gince.

Soak one-fourth box of gelatin in one cup of cold chicken liquor; when softened add three cups of hot chicken "They do me an injustice, upon my word. Miss Giggley," responded the galent old beau, laying his hand on his heart and making a profound bow; "I catch 'em and proceed as for low caps of hot chicken stock seasoned with berbs, sait and vegetables; cool and add two cups of whipped cream; turn into a freezer and proceed as for low caps." and proceed as for ice cream; then serve in boullion cups with saltines.

## Egg Scattoped Potators.

Cold boiled potatoes, sliced and seasoned, in alternate layers with thinly sliced, hard-boiled egg. Cover with a bolled sauce, made of one tablespoonful butter, one tablespoonful of flour and milk enough to cover the potatoes. At dinner time put this in the oven and bake for thirty minutes.

## Plum Pudding Sauce.

An excellent sauce for plum pudding duced some time before calling for an can be made from the following recipe; are light on Willow street. The city Stir to a cream a cup of butter, three clerk, after digging into his files, in- ceps of powdered sugar. When quite formed him that the order had come light, add the juice of one lemon, two before the heard nearly a month pre- teaspoonfuls of nutmeg and the whiter

## Orange Pic.

Grate the peel of one fresh orange, take the juice and pulp of two large oranges; add to them one cupfut of pitchfork. The name of this machine eggs; mix one cupful of milk with the is "lobegreika," and since "lobe" means whites of the eggs beaten to a stiff

## Cabbage Ment.

Take 11/2 pounds of round steak Orlando Spoonsmore bent over the fair ground, two pounds pork steak ground, hand and respectfully kissed it.

"Young man," acreeched the parrot in the cage overhead, "is there anything the matter with my lips?"

one cup of soaked bread crumbs, two eggs, salt, pepper to taste." Mix well and shape into balls. Roll into a bolled cabbage leaf and fry in hot butone cup of soaked bread crumbs, two

## Evenly Browned Tonat.

In making toast or brolling meats over a griddle hole in an ordinary range, cover with a tin cover, instead of setting the griddle on the toaster Lost in the Australian bush, near Port to keep in the heat. This will not "squeeze" the tonst nor blacken it.

## Currant Ten Cakes.

Use five cupfuls of flour, one of butter, two eggs, one heaping teaspoonful of baking powder, one-half cupful sweet milk, one cupful dried currants. Roll thin and bake in a quick oven.

## To Preserve Cheese. Cheese may be kept from going

moldy by wrapping it in a cloth dipped in vinegar and wrung nearly dry. Cover the cloth with a wrapper of paper and keep in a cool place.

# Dressing for Roast Duck.

Instead of the ordinary dressing for duck or other game substitute apples seasoned with sait and pepper and the strong taste of the meat disappears.

# Rural Telephones

Do you realize that rural telephones, more than anything else, tend to increase the earning power of every farm and farmer? Do you realize that

ALL of the material needed to build the very best rural telephone line-exactly the same as the Bell Company puts up-will cost you and your neighbors less than half a bale of cotton or twenty bushels of wheat each?

# Over 4,000,000 Western Electric Telephones

are in use in the United States to-day. We made the first telephones and we have made the most-in fact, we have made more than all other manufacturers combined.

We have brought the rural telephone within the reach of every farmer, and with our Free Bulletins before him a boy can install and operate the system. Our telephones are guaranteed. Cut out this advertisement, write your name and address on the margin and mail it to-day so that the

Free Bulletins, which describe the entire plan in detail, may be sent you immediately. WESTERN ELECTRIC

A Flavoring. . It makes

syrup better than Maple. Sold by grocers

"To make a long story short," said Un-cle Chinner, "we collected the maple sap, emptied it into a huge iron kettle, and put it over a big wood fire to boil it

"To make your long story short, uncle," interrupted one of the listeners, "suppose you boil that down, too."
