

LET'S ALL GO FISHING.

Where and When? On March 27 at Home of W. L. Perry.

Of Pleasant Ridge, 1 1/2 miles north of school house, five miles southwest of Redmond. The Pleasant Ridge Sunday school will give on the evening of the above date a Bible verse and fish pond social, the proceeds of which will go toward buying an organ for the Sunday school. Everybody is very cordially invited. A good supper will be served. Each lady is kindly requested to bring a cake.

All old bachelors should be present. A special invitation is extended to them. And the ladies, both married and single, have pledged themselves to see that these forsaken fellows are properly provided with a partner for supper. Now, boys, this will certainly be the chance of our lives. And we may be able to say goodbye to bachelorhood on and after this event. So let all come out and seize the opportunity, for goodness only knows when another chance will appear.

A number of our people will be employed on ditch work near Powell Buttes and Bend for several weeks.

Mrs. Irwin is quite poorly again, and now thinks she will possibly have to return to her old home in Ohio. We are sorry to see her go and hope her health will improve rapidly.

We were pleased to have Mr. and Mrs. Jarrett out to our Sunday school last Sunday, also Frank Hensley and the little boy who is stopping with him. We are glad to report that our Sunday school is much improved in attendance.

Miss Pearl and Frank Snyder are now at home, from working for the Black Butte Company.

Miss Clara Woods walked to Redmond and back last Monday, a distance of six miles.

We are glad to see Wm. Johnson with us again. He has, during the past winter, been in Prineville assisting the county clerk in his duties.

Mrs. Floyd Harrader of Cline Falls has been stopping with Mrs. Hall the past week.

Rosland Notes.

Will Taylor and Will Dorrell were visitors to town from their ranches on the Deschutes.

Will Fordham has been hauling lumber from the mill this week to build his house on his homestead north of Rosland.

Geo. Bogus was hauling wood a few days and then took a trip to Bend, Carl Wise accompanying him.

Mrs. Eva Wise and her son Wesley took advantage of the fair weather on Sunday and drove to town.

Chas. Richie left town this week on a business trip. He will probably be gone for several days.

Some of the trappers are leaving the mountains at this time, three having been in town this week.

Arthur Taylor, from the Klamath country, made a short call in Rosland one day this week.

which would make freight rates prohibitive as well as unremunerative.

"The building of a water-grade road would not destroy the possibility of developing an unlimited amount of power, by other method than that of a dam, and it would be possible without a dam to obtain as high water power as could be needed.

"The proposed dam site is inaccessible, and rock crushers and such heavy machinery would require a road to haul them there.

"All the present routes we have surveyed are not feasible if the Deschutes river grade cannot be adopted. On the Dalles-Boyd route heavy tonnage would be impossible to operate and if there is not large tonnage the road would be impossible as an investment.

"I have been instructed to commence work within one week after the plans are adopted by the Government and my energies are now directed along those lines. Within two weeks actual construction would be in operation."

Mr. Boschke seemed to be rather hopeful that the Government would meet the railroad officials, as he quite plainly intimated that it was a question of which was more necessary to Central Oregon—the Deschutes river irrigation project or the Central Oregon Railroad.

Seed Oats for Sale.

We are selling our oats at 2c per pound. Owing to the backward season last year, seeding having been postponed to the middle of June, our oats are not as good as a year ago, and will need cleaning. Parties purchasing seed will be allowed to use our cleaning mill free. Sacks not furnished. Parties may phone from Bend, Redmond or Laidlaw or address

Tumalo Items.

TUMALO, March 15.—Bright sunny March days makes one think that spring is here and everyone is busy putting in grain.

Lester Gist passed through here yesterday, going to Bend.

Mrs. Spoo and two daughters arrived Saturday from the valley. The balance of Mr. Spoo's family will be in in about one month. In the mean time the two daughters will do the cooking at the mill.

Mr. Hansen of Redmond is again hauling lumber to Bend from the H. & S. mill at Gist.

J. C. Tullar of Laidlaw was in Tumalo one day last week and purchased a fine three-year-old colt of G. W. Wimer & Sons.

Rene West of Bend was a business caller at Tumalo Saturday.

John Edwards passed through here one day last week going to Bear Creek on business.

C. L. Gist has sent in his resignation as postmaster at Gist and it looks very much like this office would be discontinued soon, which will make a great inconvenience for the many who get their mail there.

Tumalo postoffice is to become a money order office soon. The bonds were fixed up Saturday by Postmaster Wimer. This has been done by a request of the postoffice department.

SHERIFF'S SALE

IN THE CIRCUIT COURT OF THE STATE OF OREGON FOR CROOK COUNTY. Notice is hereby given that by virtue of an execution issued out of the circuit court of Crook county, Oregon, on the 15th day of March, 1909 upon a judgment rendered in said court on the 27th day of January, 1909, in favor of the Central Oregon Banking & Trust Co., Plaintiff, and against Katie G. Etebenet, Defendant, to me directed and delivered, commanding me to make the sum of \$611.18 judgment, including \$25.00 attorney's fees and \$56.18 costs and disbursements; and \$50 additional accrued costs, with interest on \$611.18, the amount of judgment, from the 27th day of January, 1909, at the rate of 6 per cent per annum, out of the personal property belonging to said defendant and if sufficient could not be found, then out of the real property belonging to said defendant on or after the said 27th day of January, 1909. I did on the 15th day of March, 1909 levy upon the following described real property belonging to said defendant, Katie G. Etebenet, being unable to find any personal property to satisfy said judgment: Lot number 14 in block number 22, and lot number 7 in block number 21, in Town of Bend, Crook County, Oregon.

And I will, on Saturday, the 14th day of April, 1909, at the hour of one o'clock P. M. of said day at the front door of the court house in the City of Prineville, Crook County, Oregon, sell at public auction to the highest bidder for cash in hand, all the right, title and interest which the said defendant, Katie G. Etebenet, had in and to the above described real property, on the 27th day of January, 1909 or at any time thereafter, to satisfy said judgment and interest and costs, and attorney's fees and accruing costs.

These Patent Tension Shears FREE! To BULLETIN Subscribers.

This latest and most useful Household Invention will be sent FREE, postage prepaid, to every new, cash-in-advance year's subscription to The Bulletin. If you are already a subscriber, send us \$1.50 on your own subscription and \$1.50 for a year's subscription for your neighbor or someone who is not now getting The Bulletin, and get a pair of these shears free.

If your subscription is about to expire you cannot afford to miss this opportunity to secure a pair of Shears whose cutting edge will never wear dull, and which will cut anything from wet tissue paper to a heavy horse blanket. A pair of these shears are given free to every new cash-in-advance subscriber.

The Tension Spring attachment does away with resharpening entirely and enables the user to set the tension on the rivet so that any kind of material may be cut with perfect ease without tiring the hand. The Tension Spring takes up all wear on the rivet, making the shears practically indestructible. A simple turn of the little thumb-screw, shown in the engraving, tightens up the blades as closely as may be desired. Any woman who has had the exasperating experience of trying to use a dull pair of shears can readily appreciate the value of the new invention WHICH KEEPS THIS PAIR OF SHEARS ALWAYS SHARP and in perfect cutting condition. No matter how many pairs of shears or scissors you may have around the house, you need this pair with the Tension Spring, and when you get and use it once, you will use it in preference to any other you may have. These shears are perfectly finished and heavily nickel-plated.

WE GUARANTEE

the quality of the material and workmanship in this pair of shears to be first class, that the Tension Spring device doubles the usefulness of the shears and does away with the need of resharpening. Furthermore, a Guarantee Certificate, by the manufacturers, accompanies every pair, agreeing "that if this pair of shears BREAKS or in any way becomes defective within FIVE YEARS from date of purchase it will be replaced with a NEW pair without cost."
