PORTLAND, OREGON

W. H. Reed of Wellsville, Mo., who went out to the railroad with Dr. Coe and Cecil Waldron, writes as follows to A. C. Lucas in regard to how Cecil stood the trip: "Knowing you would be interested in how Cecil got along will advise that I went with him as far as Cheyenne, Wyoming. The trip to Shaniko was quite hard on him, but at Cheyenne I left him in better condition and spirits than when he left Bend. He was careful with his money and it was hard to get him to take a berth, but he took night rate at \$1.25 and visited me in day time as my guest and got that far at minimum cost. I advised him to write you when he got home, which I think he will do."

These shears are perfectly finished and heavily nickel-plated.

WE GUARANTEE

the quality of the material and workmanship in this pair of shears to be first class, that the Tension Spring device doubles the usefulness of the shears and does away with the need of resharpening. Furthermore, a Guarantee Certificate, by the manufacturers, accompanies every pair, agreeing "that if this pair of shears BREAKS or in any way becomes defective within FIVE YEARS from date of purchase it will be replaced with a NEW pair without cost."
