# Get Rid of Spring Humors

Impure or effete matters accumulated in the blood during the winter cause in the spring such disfiguring and painful troubles as boils, pimples, and other eruptions, also weakness, loss of appetite, that tired feeling.

The best medicine to take is Hood's Sarsaparilla, which thoroughly eleanses the blood, and effects permanent cures by giving healthy functional activity to the stomach, liver, kidneys, howels and skin.

Hood's Sarsaparilla effects its wonderful cures, not simply because it contains sarsaparilla, but because it combines the utmost remedial values of more than 20 different ingredients, each greatly strengthened and enriched by this peculiar combination. These ingredients are the very remedies that successful physicians prescribe for the same diseases and ailments. There is no real substitute for Hood's Sarsaparilla. If urged to buy any proparation said to be "just as good," you may be sure it is inferior, costs less to make, and yields the dealer a larger profit.

Begin taking Hood's Sarsaparilla today, in the usual liquid form or in the chocolated tablets known as Sarsatahs. 100 Doses One Dollar.

Goats, more than any other thing, have assisted the rural inhabitants of

Asia Minor to destroy the magnificent forests which once extended from Smyrna through to Konla, the ancient capital of Karamania. Not only have the peasants and nomads destroyed the timber for the sake of firewood, but they destroyed it also in order that their goats might obtain suitable pasture. And the goats in their turn prevented the new shoots ever after from replacing the trees which had been cut down.
