

BETTER THAN EVER

After undergoing extensive alterations and improvements, rearranging and departmentising the stock,

THE BIG STORE

is again ready for you. This store offers you a

Clean and up to date stock of goods

Prompt and careful attention to your wants

Courteous treatment, and above all

ONE PRICE TO ALL

I have been told several times that I was doing business very differently from the other merchants around here and that was because I refused to make a price to fit the customer. One man's money is just as good as another's to me and a child will get the same price as the veteran shopper at my store.

I want you to try my

Strictly HIGH GRADE CANNED GOODS.

I personally guarantee these to be absolutely the best to be had at any price and for

Thursday Friday Saturday Only

I will make the following prices:

SWEET CORN grown and packed in Maine, a delicious article, per can, only.....	20c
TOMATOES ripe and juicy, ready peeled solid pack, the very best, per can.....	20c
PINEAPPLES sliced or grated, nothing finer put up in the world, per can, only.....	25c
PEACHES California pack, these are packed solid and are only, per can.....	30c
CHERRIES Royal Ann White Cherries, These are the best of all, per can.....	35c

Once you try the above goods you will always use them. They are the cheapest if you really care for good goods.

THE BIG STORE THAT'S LARA'S--AT BEND.

You Are Too Wealthy To Wear Poor Clothes

Did you ever stop to think that it's false economy to go poorly dressed—that a shabby, slovenly appearance may keep you from securing a good position; that it leaves a poor opinion concerning you in the minds of the men who "do things" today—who accomplish results—who make good—the sort of men you want to associate with.

Now, this doesn't mean floppy, dudish dressing—it means that the wise man will be neatly and tastily dressed—JUST WELL DRESSED.

And in this I can help you. Select the fabric you prefer from my large list of samples; I will take your measure; and a fit is guaranteed.

One of my well-fitting, made-to-order suits will cost you no more than a shabby, hand-me-down.

E. A. SMITH
BEND

This is the best day in the calendar for buying SOMETHING—perhaps the thing you want—at a local store. The ads. will post you.

You can make some of your store-hopes come true this summer—if you advertise as though you wanted to do that.

Large posters, in the usual patriotic colors, are being scattered over this section advertising Bend's celebration. They are good specimens of poster printing and will do the work for which they were intended.

Remember the school meeting to be held next Monday afternoon from 2 to 6 in the school house. Election of a director to succeed John Steidl and of a clerk to succeed L. D. Wiest, and voting on the union high school question will be the business of importance to come before the meeting. The law provides that the polls shall be open from 2 to 6 o'clock, which will give plenty of time for discussion of the questions that come up, if the voters so desire.
