Fresh cow for sale. Inquire of A. C. Lucas.

J. N. Hunter and W. H. Staats have returned from Portland.

Mrs. Frank Kulp returned Friday from a three weeks' visit at Spokane.

New potatoes, tomatoes, cabbage, peaches, cherries, etc., at Bend News Stand.

A feature of the Bend celebration which is not on the regular program will be a trap shooting contest, with clay pigeons as the game. As very few people, aside from the contestants, take any interest in this, it will be pulled off in the morning as a sort of side issue. E. A. Sather has shipped in a new trap and plenty of shells and pigeons, and those who enjoy this sport will be given an opportunity to show their skill with the gun on the morning of the celebration.

Bert Powell arrived in town Sunday from a trip into the Valley where he went to dispose of a band of horses. He said his horses brought a fair price. Up to the time that he left, there had been such a scarcity of rain in the Valley that the farmers were fearful their crops would be rather light this year. Bert came to Bend to join his wife, who is company with her mother, Mrs. Edwards, and her sister Grace had come over from the Edwards ranch near Cline to spend a week camping on the Deschutes, in the hope of benefitting Mrs. Powell, who has been in rather poor health of late.

A party of five Portland people were in Bend the latter part of last week on their way to and from the Fort Rock country. They traveled in a 50 horsepower Stevens Duryea automobile, and made fast time. Running out of Portland, they made 170 miles the first day, and Saturday, returning from six miles south of Fort Rock, they covered 77 miles in four hours and 20 minutes. The chauffeur claimed his machine was the first automobile that had ever been brought over the Santiam route from the west side of the Cascades, the climb from that side being very difficult for an auto. The party were looking for land in the Fort Rock country.

FRANK S. HAMMOND.

Obituary.

The accompanying illustration is a likeness of Frank S. Hammond, a brother of Mrs. Philip Francis of Bend, who died at Blood River on June 17.

Frank S. Hammond was born in Iowa on March 30, 1866. When a young man he moved to The Dalles with his parents. For many years he was employed as dispatcher for the entire street railway system of Portland, possessing superior ability in that line. Later he engaged in the grocery business for a few months, and then moved to Blood River where he had a 40-acre farm, part of it in bearing orchard.

A large concourse of people gathered for the funeral exercises, most of whom were Odd Fellows and Rebekahs. The grave was covered with beautiful flowers, among them a large shield of the choicest blossoms, the gift of his old comrades of the Portland street railway company. The remains were laid to rest in Riverside Cemetery at Blood River.

Mr. Hammond left quite a large estate, the bulk of which goes to his wife, his father, and six brothers. Mrs. Fred Dean of Blood River, and Mrs. Francis of Bend.

CONTEST NOTICE.

DEPARTMENT OF THE INTERIOR.

United States Land Office,
The Dalles, Oregon, May 12, 1909.

A sufficient contest affidavit having been filed in this office by Grace Stevenger, contestant, against homestead (Serial No. 03296) entry No. 11661, made December 1, 1906, for E ½ NE ¼ Sec. 24, Twp. 17 S., R. 11 E. Willamette Meridian, by Emily Johnson, deceased, contestee, in which it is alleged that said contestee died on or about April 15th, 1907, that the entry remained for commutation upon said tract, or 1 year by her death who had wholly abandoned said tract, that she never established any residence upon said tract, or cleared the same to be done, that she leaves heirs living to enforce or maintain said tract, or cause the same to be done, that there are no known heirs of said contestee, that if there are any heirs of said contestee they are to affiants unknown, that since her death no heirs have ever been heard from nor has anyone come to claim her property, that said alleged absence was not due to employment in the army, navy or marine corps of the United States in time of war.

Said parties are hereby notified to appear, respond and offer evidence touching said allegation at 10 o'clock a. m. on July 7, 1909, before H. C. Ellis, U. S. Commissioner, at his office in Bend, Oregon, and that final hearing will be held at 10 o'clock a. m. on July 9, 1909, before the Register and Receiver at the United States land office in The Dalles, Oregon.

The said contestant having, in a proper affidavit, filed April 15, 1909, set forth facts which show that after due diligence personal service of this notice can not be made, it is hereby ordered and directed that such notice be given by due and proper publication.

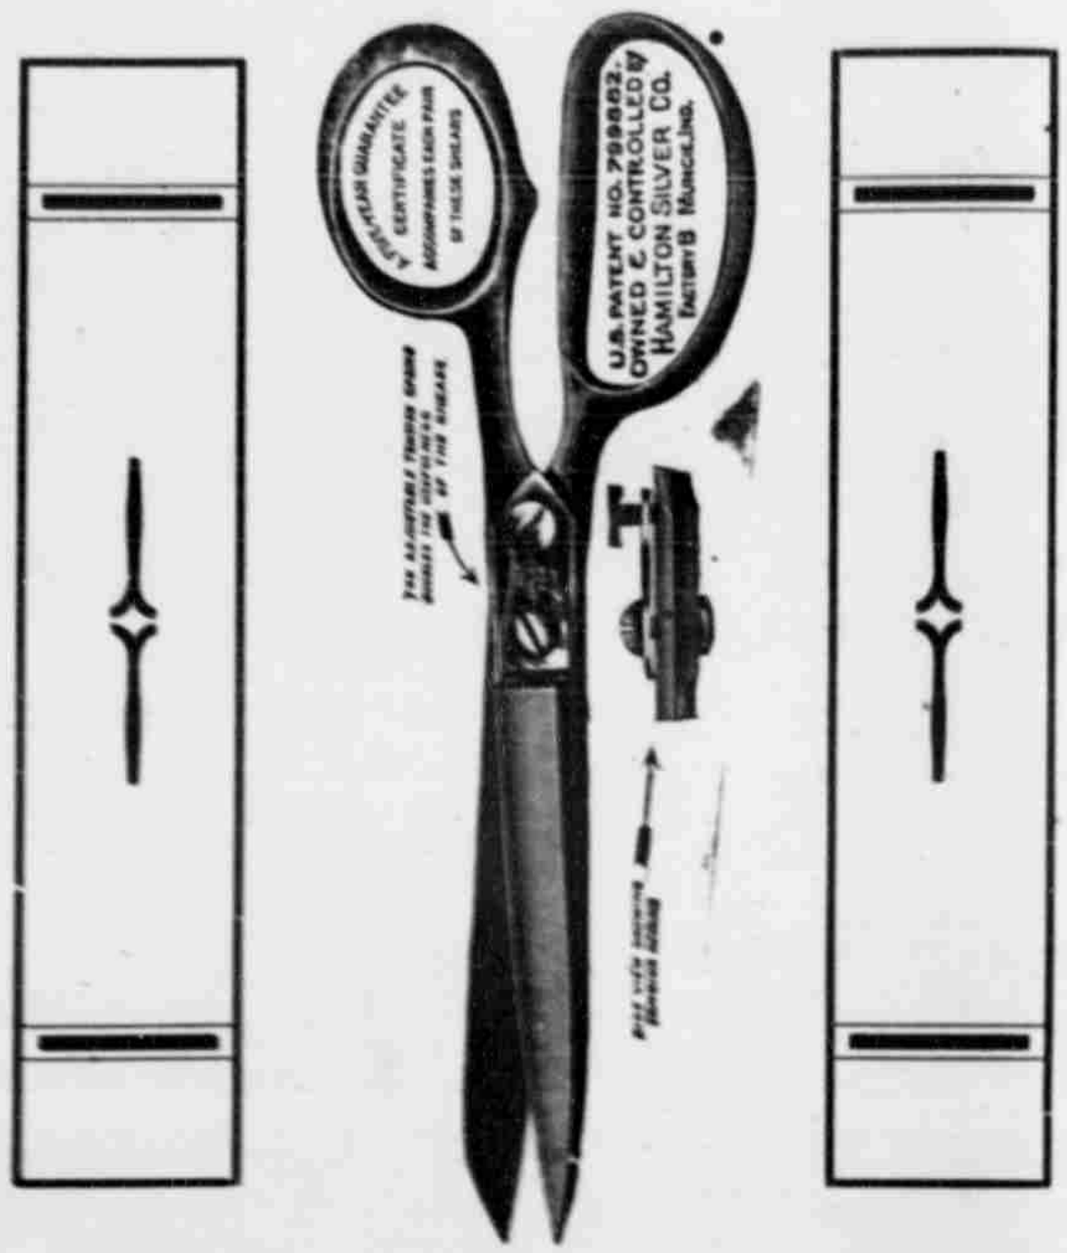
These Patent Tension Shears

FREE!

To BULLETIN Subscribers.



This latest and most useful Household Invention will be sent FREE, postage prepaid, to every new, cash-in-advance year's subscription to The Bulletin. If you are already a subscriber, send us $1.50 on your own subscription and $1.50 for a year's subscription for your neighbor or someone who is not now getting The Bulletin, and get a pair of these shears free.

If your subscription is about to expire you cannot afford to miss this opportunity to secure a pair of Shears whose cutting edge will never wear dull, and which will cut anything from wet tissue paper to a heavy horse blanket. A pair of these shears are given free to every new cash-in-advance subscriber.

The Tension Spring attachment does away with resharpening entirely and enables the user to set the tension on the rivet so that any kind of material may be cut with perfect ease without tiring the hand. The Tension Spring takes up all wear on the rivet, making the shears practically indestructible. A simple turn of the little thumb-screw, shown in the engraving, tightens up the blades as closely as may be desired. Any woman who has had the exasperating experience of trying to use a dull pair of shears can readily appreciate the value of the new invention WHICH KEEPS THIS PAIR OF SHEARS ALWAYS SHARP and in perfect cutting condition. No matter how many pairs of shears or scissors you may have around the house, you need this pair with the Tension Spring, and when you get and use it once, you will use it in preference to any other you may have. These shears are perfectly finished and heavily nickel-plated.

WE GUARANTEE

the quality of the material and workmanship in this pair of shears to be first class, that the Tension Spring device doubles the usefulness of the shears and does away with the need of resharpening. Furthermore, a Guarantee Certificate, by the manufacturers, accompanies every pair, agreeing "that if this pair of shears BREAKS or in any way becomes defective within FIVE YEARS from date of purchase it will be replaced with a NEW pair without cost."
