DID YOU KNOW that a flow of natural gas under an enormous pressure has been developed in Harney Valley?

DID YOU KNOW that the visible indications point to Harney Valley as being underlain with one of the greatest deposits of light gravity oil in the world?

DO YOU KNOW what that means to Central Oregon? It means railroads and the development of all the resources of this great Inland Empire.

DO YOU WANT to share in the enormous profits that await those who first tap this immense pool of oil?

The Harney Valley Oil & Gas Co. offers you this opportunity. With stock selling at 5c per share (par value \$1.00) it is an opportunity unparalleled in the history of oil development. We will gladly answer any and all correspondence. Address,

THE PEOPLE.

The First National Bank of Bend has been designated a depository for Crook County, and part of the County Money will hereafter be deposited in the Home Bank.

We now have the City account and that of the majority of the local people.

Money deposited at home does double service. The opening up of Central Oregon, of which Bend is the natural distributing point for this entire section, means much for Bend; will create many demands from our farmers and merchants to improve their farms and business enterprises.

We desire to assist each and every one, but will not back or finance any unsafe or questionable enterprise.

Safety should be the first object in conducting a bank and we solicit your business on that basis.
