FOREST FIRES RAGE.

Blaze Threatens Many Ranches and California Resorts.

San Francisco, Sept. 15.-Several thousand men are engaged in a dozen counties of this state in fighting numerous forest fires that threaten ranch and resort buildings, as well as many square miles of valuable timber lands. As a result of these conflagrations unusual heat prevails along the coast. Great damage already has been done to ranch houses and several groups of summer recort hotels and tent cottages have been destroyed.

The most serious fires reported today are in Northern Sonoma, Western Nampa, Mendocino, Santa Cruz, Lake and Los Angeles counties. In Nampa county, where Walter Springs was destroyed and the cottages and tent houses at Burk's sanitarium were badly lamaged, the fire burned itself out today, but in the hills near Preston the

flames are spreading.
In the vicinity of Ukiah the whole country is ablaze. Fire fighters are back firing to save the city from de-struction. In the vicinity of Calistoga the conflagration that threatened that town last night has been controlled. A hundred men from St. Helena succeeded in saving suburban residents scattered through the foothills. Near Watsonville a fire has been burning for two days, spreading in the direction of

Gilroy. Rangers succeeded in saving the big trees. Thousands of acres in the foot hills west of Donovan valley, Lake county, have been swept by the flames, but they are now under control. For a time the oil region around Whitties The Great Northern and St. Paul reported originated at points where romise a 56-hour schedule from Chifrom engines.

WOULD REFORM FINANCES.

President Opens Western Tour Boston With Revelations,

Boson, Mass., Sept. 15.-President Taft yesterday began his tour of the country, by coming to this city from Beverly in an automobile, accompanied by Mrs. Taft, his daughter and Professor and Mrs. Louis Moore, and making a speech at the Boston Commercial club, which was devoted mainly to s discussion of financial reform

The president revealed that the Monstary commission will recommend the establishment of a central bank and that Senator Aldrich intends to stump the country in order to arouse interest in his pian of financial reform. He also dwelt on the need of reform in the North or South.

The president said he was going to take his Western trip because he be-lieved it would enable im to be a more efficient president and make him better acquainted with the needs of that great section. He also outlined some of the matters to be submitted to the next congress,

SEPARATION IDEA GROWS.

Southern California Taxpayers Begin Spreading Propaganda.

Los Angeles, Sept. 15.-Members of executive committees appointed at a mass meeting of taxpayers in Symphony hall yesterday, will meet tomorrow to organize and issue a formal call for a conference to consider the formation of the state of South California.

Under the terms of the resolution days. Although yesterday's meeting went on record as favoring state division, the conferences are to consider all phases of the question carefully, and to decide whether the formation of a newstate is desirable. If it decides in favor of it, a convention is to be called, to which all counties and all the principal cities in Southern California will be asked to send delegates.

Boy of 80 Beats It in 10.

Los Angeles, Cal., Sept. 15.—When Dr. B. W. Lawrence, 80 years old, lined up at the tape opposite the Hollenbeck home to go against time for 50 yards an inconsiderate youth yelled "Beat it, kid." The venerable anticigarettist twiddled his white whiskers disdainfully and "beat it " He trav-A. A. U. "I'll sign against anybody for Thanksgiving day," the aged physician said.

Tidal Wave Sweeps Port.

Mexico City, Sept. 15 .- The Port of Mulege, on the east coast of Lower California, was overwhelmed by a tidal wave September 4. There were several casualities and considerable property was destroyed. The tidal D. Spreckels, of San Diego. Ill health wave flooded the inland district for a is given as the cause for Eddy's resigdistance of about two miles.

NEWS FROM THE NATIONAL CAPITAL

HEAR PACIFIC RATE CASES.

Coast in October.

Washington, Sept. 17,-The entire Interstate Commerce commission will ord from that section. The hearings tion project. will begin at Seattle, October 7, and on October 14, and to San Francisco

four days later. rates in the Northwest are excessive. Testimony will also be taken on various complaints affecting the contemplated rearrangement of all transcontinental rates to Pacific coast points. Most of the large cities have entered complaints which will be heard. In most instances where time permits, the commission will hear arguments after

earing testimony.

Among cases on which testimony will be taken at Portland are: Oregon Railroad commission vs. O. R. & N. and other roads; Farmers' Co-operative & Educational union vs. Great Northern and others, and Astoria chamber of commerce vs. Great Northern.

At Scattle the commission will take up the following: Portland chamber of commerce vs. O. R. & N. and others; Transportation bureau, Seattle cham-ber of commerce, vs. Northern Pacific and others: Humboldt Steamship company vs. White Pass & Yukon route, of Alaska; F. S. Harmon vs. Lake Shore & Michigan Southern railroad, and Seattle Frog & Switch company vs. Northern Pacific.

At San Francisco a long docket is to be heard, the most important case being that of the Pacific Coast Jobbers' & Manufacturers' association vs. Southern Pacific and other roads.

Ballinger Denies Rumor.

Washington, Sept. 16.-Secretary Ballinger is suffering from sore throat today and on the advice of his physi-cian is not at his office. He has been ordered to remain at home as quietly as possible and expects to be back at work in a day or two. He will depart for the West Saturday and will meet interstate commerce and anti-trust President Taft either at Denver or laws and strongly deprecated section-alism, either between East or West or the report that he contemplates resigning from the Taft cabinet, as published in yesterday's dispatches.

> Land Withdrawn From Entry. Washington, Sept. 16 .- The secretary of the interior has withdrawn from entry southwest quarter of section 29, township 25 south, range 14 east, in Lake county, Oregon, until the geological survey can make an exam-ination of the peculiar formation on this land, known as Fortrock. If this fand mark is considered of sufficient importance, it will be permanently reserved as a national monument.

Hitchcock Coming West. Washington, Sept. 15 .- Postmaster General Hitchcock left Washington tomasters' convention, September 20 and James W. Ragsdale, California, from 21. He will attend also the conven-

Irrigation Contract Awarded.

Washington, Sept. 18 .- A contract has been awarded D. H. Traphagen, of Seattle, for the construction of that portion of the distribution system of the Tieton irrigation project on the Natches Ridge, Washington. The work involves the excavation of 117,-700 cubic yards of material. The contract price was \$31,500.

DROP MALHEUR PROJECT.

Full Interstate Commission Will Sit on No Funds Available to Continue Irrigation Work.

Washington, Sept. 18 .- It was announced today that the government visit the Pacific coast this fall and con- will not at the present time undertake duct hearings on all complaints of rec- the construction of the Malheur irriga-

Secretary Ballinger, though anxious after clearing the Washington docket, to help settlers in the Malheur conthe commission will move to Portland tract country, finds after a study of the entire irrigation situation, that the condition of the reclamation fund Among the questions to be heard are will not now justify the adoption of the allegation that various distributive any new projects. Many millions of dollars, in addition to what is at present available, are needed to complete projects in course of construction and as the adoption of new projects would seriously interfere with finishing what has been heretofore undertaken, it has been decided temporarily to lay aside all applications for new work. This decision is approved by President Taft.

The question whether or not the Malheur project shall be built by private enterprise has not been passed upon, and probably will depend largely upon the attitude of landowners. How long it will be before the Malheur pro-ject can be undertaken by the govern-ment is purely a matter of conjecture.

SHIPPERS GET REBATE.

Sensational Charges Made Against Atlantic Ocean Lines.

Washington, Sept. 14.-In official circles here more than ordinary interest s excited over the investigation in New York into the alleged illegal operations of some of the trans-Atlantic steamship lines, especially the Holland-American line.

The charges that these lines have entered into conspiracy with certain American railroad lines in restraint of trade, that rebates have been paid them by some railroads and that they have laid themselves liable to prosecution under the terms of the Sherman antitrust act did not surprise those who had followed the proceedings in what was known as the Cosmopolitan shipping cases before the Interstate Com merce commission.

The commission dismissed the case on the ground that it had no authority to act. The evidence was turned over to the Department of Justice. Wade E. Ellis, assistant to the attorney general, expressed surprise that the matter hat become public and declined to

New Governor of Porto Rico. Washington, Sept. 16.—It was announced tonight that the president would appoint George R. Colton, of the District of Columbia, as governor of Porto Rico. Mr. Colton first went to the Philippines as lieutenant colonel of a Nebraska regiment. After that he was made collector of customs at Manila. This office he now holds, having come home on leave of absence to assist the bureau of insular affairs in preparing the Philippine tariff bill.

Consular Promotions.

Washington, Sept. 17.-The follownight on a trip to the Pacific coast, going promotions have been made in the ing by way of New York city. He consular service: David F. Wilbur, will arrive in Seattle in time to be of New York, from consul general at rages which have taken place in Chiracter and the consular service. ing promotions have been made in the the conference is to be held within 30 present at the Washington state post- Halifax to consul at Kobe, Japan: consul at St. Petersburg to consul gentions of the Oregon and Montana post- eral at Halifax. Ragadale entered the consular service at Tientsin, China, in 1897 and was transferred to St. Petersburg in 1908.

Show Disgust With Peary.

Washington, Sept. 15 .- "Pole hunting is a sportsman's job; the scientific value of the discovery is very slight," said Henry W. Perkins, acting super-intendent of the coast geodetic survey, today. All Washington replies: that is true, why, in heaven's name, can't the question of the victory be settled in a sportsmanlike manner?

Are Railroads Overpaid?

Washington, Sept. 14,-It was an ounced today that Postmaster General Hitchcock will institute an inquiry to detremine whether the \$50,000,000 which the government annually pays the railroads for carrying the mails is too much or too little for the service performed.

Governor Clark to Take Oath. Washington, Sept. 14 -- Walter E. Clark, of this city, will take the oath Mr. of office as governor of Alaska at Ju-peal will be taken. If the ruling Francisco tomorrow, where he will be ployment of women for longer than 10 banqueted by the commercial bodies of hours a day will be invalidated.

Francisco tomorrow, where he will be ployment of women for longer than 10 arrested and the package was seized. It proved to contain a large arrested. neau October 1. He leaves for San that city.

Orders Three Billion Postcards. Washington, Spet. 14.—The contract AID IS NEEDED.

Appeal Made to America for Sufferers in Mexico.

Washington, Sept. 14. - Tales of great suffering in the flooded districts All Is Ready for Start on Long of Mexico as told in telegrams received at the State department today from Consul General Philip C. Hanna, brought forth another appeal tonight from the American Red Cross society for funds with which to "supply our unfortunate neighbors of Mexico with the necessities of life."

The loss of life and destruction of property is even greater than was at first supposed, and it is predicted that great physical suffering will prevail among the homeless during the fall and

winter. Th destruction was greatest in the country and small towns between Mon-terey and Matamoras. Mr. Hanna says the American consul at Matamoras reports that place under water and a serious condition of affairs exists and that the railroads between Matamoras and Monterey have been washed out.

"We are sending supplies down the railroad as fast as it is opened," says

Mr Hanna. He suggests that it might be possi-ble for the American army in the Southwest to co-operate with the Mexican

army and American and Mexican consuls in assisting Mexican towns.
"It is believed by many," Mr. Hanna said, "that more than 10,0000 lives have been lost, and thousands are home

OLD SETTLEMENT IN RUINS.

Storm Plays Havoc With Century-Old "Place of Peace."

La Paz, Baja California, Sept. 8. via Guaymas, Sept. 14.—La Paz, the oldest settlement of the Californias, is in ruins. The most terrific storm ever the old pueblo. Seven lives are already known to be lost and the shore is strewn with wreckage from ships and boats in the roadstead. In many places the water is four feet deep in the leaves for Roston. the water is four feet deep in the streets and some of the thoroughfares are channels for raging torrents.

Communication with the outside world, except by a steamer, which has just stopped at the port, is cut off and the greatest misery exists, especially among the poor townspeople, the ma-jority of whom have lost everything

they had in the world.

From the country districts comes the news that the devastation there has been great. Without warning the cyclone burst on this "Place of Peace, accompanid by torrests of rain. The boats along shore and anchored in the boats along shore and anchored in the bay were torn from their moorings and most of them were battered in collision or thrown upon the beach. The sky was overcast and many believed the end of the world at hand, and crowded the old mission church in a delirium of fear.

The Union Pacific still remains without a president, as Mr. Harriman occupied this position also. It is understood, however, that an operating man, probably L. F. Loree, president of the Delaware & Hudson, will be elected to the place at the annual meeting of the stockholders October 12.

BOMB CASES ON TRIAL.

Sensational Disclosures Are Promised at Chicago.

Chicago, Sept. 14.—Sensational dis-closures are promised in the trial of Vincent A. and Joseph Altman, charged with malicious mischief and arson. A score of witnesses will be brought by the state in an attempt to prove that both were guilty of causing the explosion and fire which wrecked the Standard Sash & Door company's plant, May 28, 1908, and their testimony, rages which have taken place in Chi-

Sercetary John J. Brittain, of the Amalgamated Carpenters' union, said today that members of the union would do all in their power to aid the defense. Assistant State's Attorney Benjamin J. Short, who will have charge of the prosecution, said that the reason the "Bomb 31" case would not be heard

cage in the last two years.

The meeting was called by the Los Angeles Realty board to offer a protest first was that State's Attorney Wayman believed it was not as important a case as that of the Standard Sash & Door company's explosion and fire, and that the penalty was not so great. "Conviction in the case to be tried first means a penalty of 29 years' im-prisonment," he said, "while in the 'Bomb 31' case there is no arson charge
