ITO IS ASSASSINATED

Foremost Man of Japan Killed by Corean at Harbin.

CONSTERNATION AND GRIEF REIGN

Emperor's Trusted Adviser and Leader of Modern Japan-No Details Are Known.

Tokio, Oct. 26.-News has been received here that Prince Ito, the famous Japanese statemean, has been assassinated by a Corean at Harbin.

The news was received at Tokio at 3 o'clock yesterday afternoon. The dis-patch contained only the brief an-nouncement that Prince Ito had been assassinated.

It has caused great grief and consternation.

Prince Hirobumi Ito was perhaps the greatest statesman of new Japan. The achievement with which his name has been chiefly associated in the minds of Occidentals was the framing of the imperial constitution, by virtue of which Japan took her place for the first time in the rank of modern civilized atates.

As the emperor's trusted adviser and the medium through which the state was placed on a constitutional basis, he must be regarded as one of the positive factors which have helped to win for Japan her present standing among the

MANY WANT PLACE.

President Likely to Appoint Democrat Supreme Justice. Washington, Oct. 26,-President

Taft, in selecting a successor to the late Justice Peckham, is expected to choose a Democrat. Senator Root and Secretary Knox, however, are considered among the possibilities. The New York senator has accumulated enough of this world's goods to be able to devote the remainder of his activities to government service, but it is rather doubtful whether Mr. Knox could be persuaded to accept.

So far as administration officials are advised, the president has not made A number of important his selection. cases are soon to be argued before the Supreme court, and in a large measure the school of the new justice will decide the issues. Therefore exceptional importance attaches to the selection

Solicitor General Bowers, of the Department of Justice, who is a Chicagoan, is known to stand high in the esteem of the president, and it has been understood that Mr. Taft would like to see him upon the Supreme bench. If a Democrat is to be chosen, Secretary of War Dickinson, ex-Secre-tary of War Wright and Judson Harmen loom up prominently, with Mr. Dickinson running as favorite.

EVIL TRADE GROWS.

White Slave Traffic Is Declared to Be Spreading.

Omaha, Neb., Oct. 26 .- "The traffic in girls has become an evil more widespread than the public imagines," said Dr. O. Edward Janney, of Baltimore before the National W. C. T. U. convention today. "The main line of its operation," he continued, "is from Montreal, Boston and New York, westward through Buffalo, Pittsburg, Chieago, Omaha and Denver to San Francisco and Seattle. It even reaches across the ocean for victims. "The Federal government is doing

all it can to suppress the traffic, but is hampered by a Supreme court decision that this is a matter which the police power of the states should regulate. I urge the members of the W. C. T. U. to influence their state legislatures to pass more drastic laws on this subject."

Dr. Janney is chairman of the national vigilance committee for the sup-pression of the "white slave" trade.

One of the notable speakers tonight was Miss Ellen M. Stone, the missionary whose abduction and ransom in Southern Europe a few years ago made her internationally known.

Socialists Arouse Douma.

St. Petersburg, Oct. 26. - Discussion of the bill for the consolidation of rural holdings was begun in the douma today. The measure authorizes the consolidation of such peasant holdings as are at present scattered in small areas government. "Mexico has nothing to over the lands belonging to private do with it," said Mr. Ridgeway. De over the lands belonging to private owners or the state. A scene of great disorder was caused today by the Socialist interpellation in the doums, declaring unconstitutional the ukase is-suued with reference to military legislation. Secretary Zamybovski refused to read the interpellation.

Peace Promised in Balkans.

Paris, Oct. 26.—The Temps prints an interview with M. Iswolsky today, in which the Russian minister of foreign affairs describes the Russian-Italian rapprochement as destined to-Balkan states.

BOMB FOR JAPANESE.

Eureka, Cal., Wrought Up Over Outrage at Night.

Eureka, Cal., Oct. 26,-The town is worked up over the throwing of a bomb at an early hour this morning. The Tsuchiya Brothers, Japanese, opened a store in this city a few days ago and at Steam-Electric Question Comes Be- France Gets Out Her Ancient Chip 2:45 this morning someone exploded a bomb in the entrance of the store. The explosion demolished the store front steam railroads shall co-operate physibuildings nearby. The report was heard for miles and people were in great fear until they learned the cause. days.

The owners of the store were sleeping in the rear and when the explosion occurred one of them ran to the front and seeing the damage and fearing bodily harm, started to run. Two po-licemen, thinking he was the bomb thrower, started in pursuit, firing their revolvers as they ran. The Japanese stopped when the shooting began and no harm was done. There is no clew to who fired the bomb, and no evidence is at hand to incriminate anyone.

The store had been in operation here but three days, and is the first Oriental store to be established here since the exclusion of Chinese from Homboldt county in 1887. It is believed someone opposed to the invasion of the business field by Japanese fired the bomb.

JUSTICE PECKHAM PASSES.

United States Supreme Court Loses Eminent Member.

Albany, N. Y., Oct. 26,-Rufus W. Peckham, justice of the United States Supreme court, died at his summer home at Altamount at 8:15 Sunday

Death was due to a complication of diseases heart trouble, Bright's disthey have monopolistic tendencies and ease, and hardening of the arteries contributing.

Justice Peckham had been in ill health for some time, but his condition was not considered serious until recently. Following adjournment of the May term of the United States Supreme court, he came on from Washington with Mrs. Peckham to spend the summer at Altamount, expecting to return for the beginning of the October term.

A few days ago his coundition came such that his physicians said he was likely to die at any time, or might linger for several months. Up to a few days ago Justice Peckham exhibited considerable strength and was able to be about the house. The circulatory disturbance, which contributed to his death, was first noticed about six years

Justice Peckham was appointed in 1896 and was the last of Cleveland's selections.

REBELS GAIN VICTORY.

Nicaragua Loses One Hundred Dead and Three Hundred Injured.

Bluefields, Nic., Oct. 26.-The tug Blance, which arrived here from Greytown, brings news of the first important battle of the revolution. General Chamorro's army fought an engagement on Friday with 1,000 of President Zelaya's troops at a point below Boca San Carlos on the San Juan river.

The revolutionists won a decisive being killed and 300 wounded. Geneal Chamorro's losses were slight. The insurgents captured two Krupp siege guns and 400 rifles.

The defeat doubtless will have a deterrent effect in recruiting for the government service at Managua, and is likely also to bring additional reinforcements to the standards of the in-

The steamer Yulu, belonging to the Emory company, also has reached here with the details of the capture by the revolutionists of Cape Gratias Dios. This point was easily taken, not more than five or six men being killed, and a small number wounded. This gives the revolutionists control of the entire Atlantic coast.

NEWS FROM THE NATIONAL CAPITAL

NEW RATE PROBLEM.

fore Commerce Commission.

Washington, Oct. 30. - Whether and broke windows in a number of cially with electric lines is a question which has been presented to the interstate commerce commission and which is to be argued in Cincinnati in a few

> The case at issue is of unusual im portance because up to the present time the steam railroads of the country have refused to enter into any arrange ment with the electric lines for through routes and joint rates either for freight or for passengers. The law does not explicitly require physical connection between two roads-either steam of electric-but it has been the policy of the commission in interstate business to require such connection to be made between two steam roads, where the conditions appear to demand or even to warrant the connection. The making of through rates and joint rates for both freight and passengers naturally follows the physical connection of the two reads.

> The extensive construction and operation of electric lines has increased the demand for their connection with steam roads. Many of them endeavored to effect a joint arangement with steam roads, but in practically every instance the efforts have been of no avail.

Gompers Rebukes Ellot.

Washington, Oct. 30,-Referring to a statement of Dr. Charles W. Eliot, former president of Harvard university, that the government should pro-hibit labor unions on the ground that are opposed to democracy. Samuel Gompers, president of the American Federation of Labor, said: "Since his retirement as president of Harvard, Dr. Eliot has nothing to do but talk. He now lives in an age which he can not understand. Since the time when he was mentally capable of appreciating industrial and commercial conditions, great changes and development have taken place."

Monster Cigar From Philippines. Washington, Oct. 27. - Brigadier General Clarence R. Edwards, chief of the bureau of insular affairs of the War department, has received the largest cigar ever made in the Philippine islands. It was the first eigar admitted free of duty under the new tariff act, which allows the free admission of 160,000,000 Philippine cigars each year. The cigar was made by a Manils factory and measured 42 inches in length and about 10 ½ inches in circumference. It weighed about nine pounds.

Minister Espinosa Resigns.

Washington, Oct. 29 .- Dr. Don Rodolfo Espinosa, the Nicaraguan minis ter to the United States, announced to-day that he had resigned and that Zelays, the deposed president of the republic, had accepted his resignation. Dr. Espinosa stated that his brother, Emilio, was practically at the head of the revolutionists under Estrada, the provisional president, and he gave this as the cause of his resignation. The resignation of Espinosa is regarded here as a severe blow to Zelaya's tot- department, nor Assistant Secretary tering government.

Government Will Appeal.

Washington, Oct. 29.-"The gov-ernment will at once institute an appeal from this decision," announced Attorney General Wickersham today in reference to the action of Judge Holt in the C reuit court at New York yesterday sustaining the plea of the statute of limitaions interposed by the defendants, Kissel and Harned, to the indictment against them joionly with the American Sogar Refining company. The attorney general said Judge Holt's decision was of far reaching conse quence.

Gold Weather Is Coming

Washington, Oct. 27 .- Cold weather is about to grip the country from coast to coast. The sheet of rain that swept Los Angeles, Oct. 26,-The \$3,000 across the United States radiating necessary to secure the release on bail from a storm center near St. Louis, has passed along until now it is sweep ing down upon the Middle Atlantic coast. The disturbance is expected to pass out to sea, after which the wind will sweep the country from the North, ed this morning that de Lara was be- varying a trifle according to the sec

Favors Ten Equal Payments.

Washington, Oct. 29. - Secretary Ballinger today expressed decided objection to making material change in the method of collecting water payments from settlers on government irrigation projects. He is not in favor Santiago, Chile, Oct. 26.—A great demonstration was held here today in honor of General Jose de San Martin, ter, but would adhere to the plan of Medal for S ten equal payments now in force.

MALARIA RAGES IN INDIA.

Death Rate Mounts High-Conference to Be Held in Simia.

Calcutta, Oct. 25.-An important official conference will assemble at Simla this month, charged with the duty of examining the whole question of malaria and drawing up a plan of ernments. This special inquiry has been instituted by the governor general in council as the result of a proposal sioner that a permanent organization should be formed to investigate systematically the problem connected with the disease. The official communique on the subject points out that the number of deaths ascribed to fever through resenting a mean death rate of nearly owing to the general practice of ascrib-ing to "fever" deaths which are in reality due to other causes, yet it has been estimated, from indications afforded by certain special inquiries and by the dis-pensary returns, that the actual death rate from malarial fever is about 5 per 1,000. This represents about 1,130, 000 deaths, and as the mortality in nalarial fever is ordinarily low such a death rate indicates a terrible amount

CONVICT CAMPS PROBED.

Some Good, Some Bad, Found by Investigating Committee. Houston, Tex., Oct. 25 .- According

to the testimony of convicts before the senatorial committee on investigation at the penitentiary farms and camps in Texas, deplorable conditions prevail in several camps, while in others the op-posite is true. In one of the farms, according to the evidence of those questioned, not only is sanitation poor, but those imprisoned are cruelly treated.

At the Lignite mine at Calvert, the State Huntington Wilson is in ditions, it is stated. According to the Washington. The successor to Mr. Crane has become an important consideration for the State department. testimony conditions on the farms have been found poor for the greater part, with ill-kept bunkhouses and no segregation of those ill. Food has been complained of. But many of the farms Washington, Oct. 26.—It is rumored have their redeeming features, Where that Interstate Commerce Comby an improvement, so that in the main, the week's investigation found much to commend
