

BUSY? YES!

Always busy---but not too busy to extend a glad hand to all the new comers to Bend. We are always glad to welcome you and if we can be of any assistance to you, its yours for the asking. "THE BIG STORE."

WE EXTEND to you personally an invitation to pay us a visit. We would like to have your business, if, in your judgment, our prices and our methods justify it, but we would like to meet you anyway. Come in---lets get acquainted---it may do us both good.

Come in and see if we haven't a better store and a better stock of goods than you expected to find 100 miles from a railroad.

Come in and see if we don't carry a better quality of goods and a larger assortment than any store in Crook county.

Come in and see if we don't take care of the needs of the ladies just as well as we do those of the men. We want you to see these things for yourself---be your own judge. WE know that ours is "The Store of Better Values" and we want you to know it as well. So again we say to you personally---

COME IN AND SEE.
