PRETTY WEDDING

STAATS-HORTON NUPTIALS

Sylvester Staats Weds Miss Grace
Horton at the Home of Thomas
Triplett—Many Attractive
Gifts Received.

On last Thursday morning at a
little after eight occurred the wed-
ding of Sylvester L. Staats and
Miss Grace Horton, at the home of
the bride's mother, Mrs. Thomas
Triplett.

The ceremony, performed by the
Rev. Mr. J. T. Lewellen of Prine-
ville, occurred in the morning to
permit the bridal couple to start
upon their wedding trip from Shan-
iko. A large number of invited
guests were present, and in every
way the occasion was marked as
one as happy as it was attractive.

The bride was attired in a most
becoming dress of white silk, set-
ting off to advantage her dark eyes
and hair. She carried white carnations
and wore as her only ornament
a beautiful necklace set with
pearls. Miss Gertrude Horton,
the bride's sister, maid of honor,
wore a white lingerie dress and car-
ried pink carnations. The groom
was clad in conventional black.
Mrs. Triplett wore a gown of black
and white silk, and Mrs. Staats one
of corn colored silk.

Shortly after the ceremony, and
following the hearty congratulations
of all, the bridal couple left for
Shaniko in the W. H. Staats' auto,
driven by Prince Staats, brother of
the groom. A generous shower of
ice started them on their way,
while sundry shoes and tin cans
lung to the rear of the car as it
left the town. It is understood that
Mr. and Mrs. Staats will spend their
honeymoon at one of the coast
beaches, returning in a couple of
weeks. Next winter Mr. Staats
probably will complete his law
studies at Salem.

Many beautiful gifts were re-
ceived; cut glass, silverware, linen
and other welcome articles, useful
and decorative. Among the pres-
ents was a generous check from the
groom's father.

EASTERN VISITORS COME IN.

Minnesota Man is Delighted With
Prospects of Country.

J. B. Spencer of Walker, Minn.,
father of S. J. Spencer, C. M. Mc-
Kay, son of D. L. McKay, the well
known representative of the Mueller
Lumber Co. and Erick Jorstad of
St. Paul, were in Bend last week,
having come out from the East to-
gether. Mr. Spencer was obliged to
return East, cutting his visit
short. He was exceedingly enthus-
iastic concerning the country's pros-
pects and will return later with a
view to investing in farm land.
What particularly interested him
was the success met with in raising
onions. He said that in compar-
ison with that of Minnesota the
climate of this section is ideal.

Mr. McKay Jr. will remain in
Bend the greater part of the sum-
mer.

FREAK REFRIGERATOR TAPPED

Ice Cave Furnishes Supply to Bend
Butcher Shops.

Due to the difficulty of securing
ice the Bend butcher shops have
reinstated the practice of obtaining
their ice from the ice cave. This
novel natural refrigerator is situated
some 15 miles southeast of town,
where, in a cave in the lava rock an
unending supply of ice remains the
year through, despite the fact that
no known water supply exists for
many miles around. Some years
ago this method of supply was em-
ployed.

According to those who use it
the ice is of a very high grade and
