

WE ARE CLOSING OUT OUR STOCK OF HARDWARE AND BUILDERS' SUPPLIES.

In view of the rapidly increasing business in our other departments we have decided to discontinue our line of Hardware and Builders' Supplies. We have neither the time nor the space to devote to them.

This is an age of specialization and as Bend is fortunate in having several well-equipped establishments handling these goods exclusively, we feel that the public will be better served in patronizing them.

OUR STOCK COMPRISES:

Doors	Pittsburg Perfect Fencing
Windows	Nails
Glass	Paint
Screen Doors	Roofing
Barbed Wire	Building Paper
Smooth Wire	Bale Ties, Etc.

We will close out this stock at the greatly reduced prices obtaining during our July Housecleaning Sale. These prices represent the best values ever offered in Bend.

The installation of plate glass windows in the "Big Store on the Corner" has not only added remarkably to the attractive appearance of Lara's establishment but has marked another step in Bend's advancement towards the metropolitan equipment which even now distinguishes the town, and, from now on, will be so noticeable a feature of development into a city.
