SAY, HOW ABOUT THE PIG?

Subscriber Suggests Get-Rich Quick Scheme for Benders.

The following verse comes to The Bulletin from a subscriber deeply interested in the welfare of others. Its perpetration here is the direct result of an enthusiastic advertisement of artichokes which attracted the attention of certain ranchers who are trying them. The "ad" chiefly concerned itself with the remarkable advantages of artichokes as pig food; "one acre will keep from 20 to 30 hogs in fine condition" is one of the alluring artichokian claims;—if true, how fortunate those who followed the ad's advice!

If you wish to own an auto that will travel fast and far,
Raise a pig!

If you have a dear desire for a splendid private car,
Raise a pig!

If your daughter yearns for jewels that will make a lurid blaze,
Or your wife would be a leader where some other matron sways,
If you wish to give up toiling and in comfort spend your days,
There's a way—don't overlook it—
Raise a pig!

If you're sick of serving others and are longing for a change,
Raise a pig!

If you wish to gaze at wonders that are far away and strange,
Raise a pig!

If within the Senate chamber you would like to hold a seat,
Raise a pig!

If you wish to be untroubled by the rising price of meat,
Raise a pig!

If you wish to get from under the big burdens which you bear,
If you wish to go to Wall street and create a furor there,
If, in short, you have a longing to become a millionaire,
There's a way—don't overlook it—
Raise a pig!

—S. E. Kaiser, in Chicago Record-Herald.

EVERYBODY MOVES BUT FATHER.

Migration Epidemic Causes Much Household Activity Last Week.

During the past week there has been much doing in the moving way in Bend.

J. M. Lawrence started the "follow the leader" game by moving from the Davidson cottage on Hamilton avenue to apartments in The Bulletin building. Thereupon J. D. Davidson returned to his house from the Spinning building Mr. and Mrs. R. M. Hood, who have been rooming at Lara's, moved Monday into Mrs. Jones's cottage on Koa avenue. C. Goetin has moved into the new house just completed by John Sisemore.

Richard Vandever, who has been camping just north of town for a month, has secured rooms at Tom Triplett's house and yesterday moved in.

A. A. Aldridge has vacated Ralph Spencer's cottage and has stored his household goods at Harry Turpin's house.

And on Thursday The Bulletin vacated its quarters on Bond street and moved into its own building on the south end of Wall street.

Dr. Goray Coming.

Dr. Goray of Portland will be here in about a week. He is a licensed physician and surgeon of the state of Oregon, but limits his practice for the past twelve years to the specialty of eye and ear, nose and throat, and the fitting of glasses. Dr. Goray graduated 19 years ago from Harvard University Medical School, and in 1893 from the Massachusetts Charitable Eye and Ear Infirmary, and settled in Portland January, 1905.

This is a rare opportunity to receive the services of a specialist on the eye, ear, nose and throat, of one who is a graduate in medicine. You can be examined and treated by him here just as thoroughly and scientifically as in Portland.

Eye—Poor sight, headaches, tumors of the eye, inflamed eyes, crossed eyes. Ear—Deafness, noises, catarrh. Nose—Catarrh, obstruction to breathing, adenoids, Polyps. Throat—Diseased tonsils, inflammation, catarrh.

Success to Mrs. Herring.

The opening of Mrs. E. J. Herring's manicure and "good things" establishment in the remodeled building occupied last year by herself, has proved a great success, to judge by the many enthusiastic reports aroused by her skillful treatments and the satisfied smiles of those who have partaken of her sherbet and other delicacies.

WANTED—Second-hand wagon, 3 or 3 1/2. Apply at The Bulletin office or to J. T. Carter, Rosland
