"The Newly Weds."

Sometimes we interpret too literally. "I want to learn to make jelly," said the newly installed housewife. "Is it hard?"

"Oh, Lord, no, mum!" replied the cook, with supreme pity. "It's soft."—Judge.

Worms

"Cascarets are certainly fine. I gave a friend one when the doctor was treating him for cancer of the stomach. The next morning he passed four pieces of a tape worm. He then got a box and in three days he passed a tape-worm 45 feet long. It was Mr. Matt Preck, of Millersburg, Dauphin Co., Pa. I am quite a worker for Cascarets. I use them myself and find them beneficial for most any disease caused by impure blood." Chas. R. Condon, Lewiston, Pa., (Mifflin Co.)

Pleasant. Palatable. Potent. Taste Good. Do Good. Never Sicken, Weaken or Gripe. 10c, 25c, 50c. Never sold in bulk. The genuine tablet stamped C C C. Guaranteed to cure or your money back.

Youthful Taste.

"We keep our own cow," explained the hostess, proudly. "So we're sure of our milk."

"Well," interrupted the small son of the guest, setting down his cup, "somebody's stung you with a sour cow."—Toledo Blade.

There's a Reason.

Physician—I have told you to take long walks in the open air, and you are not doing it.

Confirmed Dyspeptic—I know it, doctor, but you told me I was to take them on an empty stomach, and I never have an empty stomach.—Chicago Tribune.

Not Particularly Impressed.

Mr. Upsome—You had a good time seeing the Riviera while you were abroad, I presume.

Mr. Struckett-Ritch—Er—yes, but one performance was enough for me. I've seen it played lots better right here in Cincinnati.—Chicago Tribune.

Thought Quickly.

"What is a totem pole?" his wife asked.

"A totem pole," he said, thinking fast, "is the rail—or pole—on which an objectionable citizen is ridden—or toted—out of the community."—Buffalo Express.

NOT IN THE LEAST ALIKE.

Different Ways Taft and Roosevelt Have of Looking at Life.

Externally Taft is everything that Roosevelt is not, writes William Allen White. Taft begins each day by a weary, painful, perfunctory half-hour of gymnastic gyrations—a kind of canned exercise—which, having been opened and devoured, finishes his physical duty for the day. Roosevelt takes his exercise in the open, with the joy of a satyr in it. Roosevelt's mental processes are quick, intuitive and sure. Until he has made up his mind he is a most open-minded person. Taft works it out. He is never too sure to receive new evidence. Taft grapples a proposition, wrestles with it without resting and without fatigue until it is settled or solved. His joy is found at the end of the road. Roosevelt's joy is found in many roads. He wearies of monotony, and keeps divers interests in his mind, many things to employ him under the head of unfinished business. If Providence is slow in sending wars and rumors of wars—what ho, for the nature fakirs! Let us be up and doing.

Roosevelt has a marvelous moral sense; he has a detective's nose for finding iniquity in measures. Taft has a prodigious capacity for hard, consecutive work and an instinct for evidence founded on a broad, charitable affection for men, whom he knows as a hunter knows his dogs; and Taft finds the right of things, as Roosevelt finds it, but by a different path. Taft enjoys his meals. Roosevelt, absorbed in work or play, would eat hay and not know it. With Roosevelt culture is like bear hunting, trust fighting, muck raking or fence jumping, a rampant, gorgeous reaction upon his insatiable soul. With Taft culture is a sweet, indefinable mental and moral digestant tincture that colors his soul's eyes so that he may see a delightful world; or, to change the figure, it is an easy garment, a sort of drapery of his spiritual couch, which he wraps about him and lies down to "pleasant dreams."

ATCHISON GLOBE SIGHTS.

The trouble with luck is it is mostly of the wrong kind.

Some homes always look as if the family has just moved in.

About the only vacation some people get is in interruptions in their work.

A woman is immensely flattered if her husband tells her she is "broad minded."

As soon as we get rid of one difficulty, we usually find another waiting to take its place.

The only people who really have a good time are those who enjoy being imposed upon.

Occasionally you meet a man who dislikes to attract attention. But such men are extremely rare.

There are a good many devils in the world, according to the man who always wants to give the devil his due.

The older people get, the less regard they have for looks in their "nighties," and the more for comfort.

Women use the same expressions of sorrow in telling of a disappointment in a dressmaker as of a disappointment in love.

A man was trying to speak of a pacifier to-day, and referred to him as "peacefier." Why isn't "peacefier" a good word?

Mothers will find Mrs. Winslow's Soothing Syrup the best remedy to use for their children during the teething period.

Better Than Usual.

Snodgrass—Did you have good luck on your last hunting trip?

Nymrodd—Better than usual; I was shot at only four times and hit only twice.

Rivalry.

Squire Durnitt—I notice they's lots more funerals in your town than we have in Lonelyville.

Uncle Welby Gosh (of Drearyhurst)—Yes; people seem to kind o' hate the idee of bein' found dead in your village.

Same Old Kind.

Ruggles—Have you a fireless cooker in your kitchen?

Raggles—Yes, but it's fireless because I can't afford to buy fuel for it any more.

THE KEYSTONE TO HEALTH IS HOSTETTER'S STOMACH BITTERS

The process of digestion and assimilation depends entirely upon the condition of the stomach. If yours is weak take a short course of the Bitters. It prevents Indigestion, Dyspepsia, Cramps and Diarrhoea.

HEAT AGAIN HITS CHICAGO

Torrid Weather Extends From Atlantic to Rockies

Five Dead, Others Dying—Mad Dogs Bite Three—Authorites Work to Save the Babies.

Chicago — Notwithstanding cool weather in Chicago because of a stiff breeze off the lake, five persons died Wednesday, many were prostrated, of whom four will probably die, and three were bitten by rabid dogs.

All the country from the Rocky mountains to the Atlantic seaboard swelters under a veritable blanket of heat and many cases of suffering are reported from various cities. Weather forecasters say there is no relief in sight and that the temperature will go higher. In some sections of the country special services were held in the churches, at which prayers were offered for rain and cooler weather.

The focus of the heat wave seems to be slowly moving east, although it has been centered two days in Kansas and Oklahoma. Thermometers in Kansas registered 100 and higher. Southern cities report unusual heat, accompanied by fitful showers which are quickly reduced to steam, making breathing difficult and painful.

In Chicago the great fight by health officers and charity organizations is centered in saving the thousands of babies, who suffer more from improper care than from the torridity. Agents of all the organizations are working night and day in the Ghetto and other congested districts warning parents about overfeeding and neglecting to bathe their children and keep their houses clean.

In these districts the population is chiefly sleeping on fire escapes and doorways and if any open spot where a breath of air may be obtained. Extra precautions are being taken to muzzle dogs and to slay all without licenses, because of the large number of them going mad from the heat.

At the bathing beaches hundreds stood in line patiently waiting for suits. All the beaches keep open nights, to give exhausted humanity an opportunity to cool off in preparation for the morrow's siege.

A terrific electrical and hail storm swept over the Michigan fruit belt. Thousands of acres of corn and oats were riddled and the damage to the fruit cannot be estimated, but will be very heavy.

Nebraska reports the hottest weather on record, with fierce hot winds shriveling everything. In Northern Missouri a temperature of 105 is reported, with no rain since June 8.

ARCTIC ICE CRUSHES SHIP.

Conditions Worst in 25 Years, Says Schooner's Captain.

Seattle—The steamship Mackinaw, from Kotzebue sound, reports speaking the wooden schooner Volante in the sound July 6. Captain Beckland, of the Volante, which is carrying food stores and mail to Point Barrow, says that the ice in the Arctic is the worst he has known in 25 years.

The passengers and crew of the power vessel Joe Matthews, which was crushed in the ice at Chinik, near Golovin Bay, were 12 hours on the ice before being rescued by the United States revenue cutter Bear. Two of the passengers were severely frostbitten.

There is great excitement on Kotzebue sound over new gold diggings discovered near Candle, and there has been a mad rush to the new field.

Cash Gone Beyond Recall.

New York — The "gentlemen's agreement" between the Russo-Chinese bank and its missing cashier, Erwin Wider, who is accused of embezzling $600,000 worth of stocks and bonds, has expired and the district attorney's office has been asked to take action and a private detective agency was put on the case. The bank is now pretty well convinced that all the huge sum stolen has vanished beyond recovery. A story that Wider had a power of attorney from the banks finds full credence in Wall street.

3,000,000 Band Under Way.

Raleigh, N. C.—Three million farmers are to band together to attempt to defeat the members of congress and other officials deaf to the demands of agriculturists for laws advancing their interests, according to Charles S. Barret, president of the Farmers' union. Mr. Barrett said the organization was working on a list of such legislators which will be known as the "Doomsday book," to be issued before the next November elections.

Young "Ted" at Bay City.

San Francisco—With peeled noses and decided coats of tan giving evidence of a much out-of-door honeymoon in the sunny clime of Santa Barbara, Theodore Roosevelt, Jr. and his wife arrived in San Francisco and are registered at a local fashionable hotel.

Hawaii Will Remain Wet.

Honolulu—A light vote was cast at the Prohibition election here. Incomplete returns from all the islands gave the "wets" 7,215 votes and 2,140 for the "drys." The "wets" won in Honolulu by a vote of 2,833 to 915.

Knox—Popleigh doesn't brag about that bright boy of his any more.

Blox—Has he ceased to be bright?

Knox—Not exactly. He says about the same sort of things as formerly, but he's got to the age where they are saucy.

England's Low Birth Rate.

England's birth rate last year was the lowest on record—25.58 a thousand of population. This is nearly 1.0 below the rate for 1908, which showed a slight increase over 1907, the first for many years.

Still Cheaper.

"Isn't it cheaper to move than to pay rent?" I inquired of the young married man.

"I suppose it is," he replied with a settled air, "but my plan is cheaper than either; I live with my father-in-law."

PACIFIC FLY REPELLANT

Drives away Flies, Mosquitoes and Gnats. It protects horses and cattle from attacks of insects, enabling them to feed and sleep in peace. It prevents loss of weight and strength from worry caused by attacks of insects, and from the irritation of their bites and stings. There is a satisfaction in the relief it affords domestic animals from the scourge of maddening parasites and flies, besides the profit in returns. Horses do more work on less feed and cows yield more and better milk when relieved from the frenzy incited by constantly fighting a swarm of voracious, insatiable insects.

Four sizes, 25c, 50c, 75c and $1.25. Ask your merchant for it.
