SYMBOLISM DID NOT APPEAL

Belinda Rejects Proposal of Charlie to Be Joined Together Like Hands of Clock.

"Charlie," sorrowfully sighed the young lady in the parlor of the concrete house, on Washington avenue, "it is nearly 12 o'clock."
 "Yes, Belinda," was the breathing response of her poetical companion, who was sitting on the sofa beside her. "The minute hand is drawing closer and closer to the hour hand, and when the time of midnight is chimed the two hands will be even as one. Oh, darling Belinda," he continued, as he literally simulated the action of the minute hand, "may not the coming together of those two hands be symbolical of us?"
 She broke away and stood firmly on her feet. "No, Charles Henry Smith," she retorted, angrily, "those two hands will remain as one but a single second, and then the minute hand will divorce itself and go on its way alone. No, Mr. Smith, a minute hand that doesn't stick isn't the kind of symbolism I want!"

Japanese is Hardest to Learn.
 The Japanese language is claimed to be the hardest of all to learn. Even the Japanese find it hard, and several American army officers have found it impossible to master it. It takes the Japanese child seven years to learn the essential parts of the alphabet, and one must become familiar with 214 signs to learn this simple part of the language alone. The 214 signs serve as the English initial letters in our alphabet. To be able to read any of the higher class of Japanese newspapers one must be the master of from 2,500 to 3,000 ideographs.—Albany Journal.

INDIAN LANDS STEAL GREAT

Representative Carter of Oklahoma, Implicates Many.

Liberal Offers Made to Congressmen to Push Crooked Deal—Thieves Fall Out.

McAlister, Oklahoma—The "poor Indian" learned a few more things about the proposed sale of \$30,000,000 worth of his land in the hearing before the congressional investigating committee Thursday. Representative C. D. Carter, of the Fourth Oklahoma district, testified that in an interview at the home of Richard C. Adams, an attorney at Washington, Adams had said that he had an arrangement by which he was to secure 5 per cent of the "profits" to be derived from the McMurray certificates.
 "He also told me," testified Mr. Carter, "that Congressman B. S. McGuire was in the deal and would get his share. He also told me that Dr. Wright, a delegate for the Choctaw Indians at Washington, with a salary of \$6,000, was on the deal. He also said: 'We got some others,' but he did not mention any other names."
 "Did Adams say he was going to get 5 per cent of all the money J. F. McMurray was to realize on the deal?" asked Chairman Charles N. Burke.
 "Yes," he said he was going to make sure of it, as McMurray had "double-crossed" him at other times, but this time he was going to fix it so he could not lose out, and when McMurray got his 10 per cent, or \$3,000,000, or whatever it amounted to, he (Adams) was going to get 5 per cent of the proceeds.

"I also met Jake L. Hamon at Washington. He told me to go to that old man Gore and get him to withdraw that fool bill of his against the McMurray contracts."
 "Do you think a majority of the Indians are in favor of these contracts giving 10 per cent to McMurray?"
 "There is no doubt that they are," he replied. "But there is also no doubt that in signing the contracts many were influenced to do so by persons who had an interest in them."

Adams was described as a Delaware Indian, who frequently has been mentioned as having called on President Taft in matters pertaining to Indian affairs. It was Adams to whom the Indians in this state were asked to address their telegrams urging President Taft to approve the sale of the lands. Before Carter left the stand McMurray's attorneys obtained from him testimony tending to show that McGuire in previous Indian matters had supported measures in congress opposed to the interests of McMurray. Carter's appearance on the stand followed another day of lively testimony.

MAYOR GAYNOR IMPROVES; INDICATIONS FAVORABLE

New York, Aug. 10.—Mayor W. J. Gaynor, of New York, lies at St. Mary's hospital tonight with the segments of a split bullet fired yesterday by James Gallagher, who sought to assassinate him, still buried in his neck and mouth, but he has shown not one alarming symptom. It is beyond human power to say whether he will recover, for not even the most renowned specialist can say whether blood poisoning will be the aftermath, but as yet the mayor's temperature has given no cause for alarm. Every indication is that the wound is healing satisfactorily.

Five Crushed to Death.
 Cape May, N. J.—Five persons were crushed to death when an express train on the Pennsylvania railroad dashed into an automobile at Mill Lane crossing on the West Jersey & Seashore railroad. The express train was hidden from view by a cornfield. As the automobile bore down toward the train, Mrs. Thomas McNeill, who lives near the crossing, saw the approaching express and waved her hand for the auto driver to stop his car, but the man either did not see the danger signal or thought he could cross before the train.

Postal Banks in Small Cities.
 Beverly, Mass.—Postmaster General Hitchcock made a preliminary report to President Taft regarding the plans for the early institution of postal savings banks in different parts of the country. The experimental banks will be located in smaller cities in order to perfect the system. It is hoped that the experimental banks may be in operation by October 15. Mr. Hitchcock and the president, it is said, also talked of the political situation.

Aviator Badly Hurt.
 Johannistal, Germany—Aeroplane pilot Hiem was seriously hurt at the aviation meet here. While he was flying in a Wright machine, at the height of about 225 feet, one of the propellers broke. The other continued to run, causing the craft to turn over several times. It fell with a crash and was completely demolished. Hiem was carried off the field unconscious.

Twelve Die in Wreck.
 Ignacio, Cal.—Disobedience of orders, according to the railroad officials, on the part of a conductor was responsible for a head-on collision between a passenger and a work train on the Northwestern Pacific near here, that took a known toll of 12 lives and injured about 20.
