## BARNES OF LAIDLAW TO ATTEND EASTERN MEETINGS.

Runaway Accident Ends a Mountain Trip—More Stock Added to Dairy Herds—General News Notes of the Laidlaw Vicinity.

LAIDLAW, Or., Sept. 27.—W. D. Barnes departed on his eastern trip on Friday, as a delegate appointed by the Governor to attend the National Irrigation Congress at Pueblo, Colorado, September 26-30. On the 6th of October he will also attend as delegate from Oregon, the National Farmers' Congress at Lincoln, Nebraska. Later he will visit his old home, relatives and friends, at Davenport, Iowa.

The Sirys, father and son, their families, and Mrs. John Bell, Mrs. Albert Harper, Mrs. Wilson and Mrs. Howard spent a very pleasant vacation in the mountains, returning last week. Mr. Harper had anticipated their arrival and met them at Dave Stry's as that storm came up Monday evening. Mr. and Mrs. Harper had got into their buggy to start home, just as a vivid flash of lightning and heavy clap of thunder scared the horses and they ran away through a barb wire fence, throwing Mr. and Mrs. Harper out, severely hurting Mrs. Harper about her head and face. The horses were badly hurt when found. Mr. Bell and Mr. Stry were also shocked, and the telephone poles near were wrecked.

Mr. Dayton has made a valuable addition to his dairy herd by the purchase of four more cows.

Mr. Dayton and sons attended the State Fair at Salem and report it as a good one.

Rob Sturgeon and family are back again in town, after a time spent on the farm caring for the crops.

Grover Gerking with his brother and wife, left last week for an indefinite stay at Wallowa, Oregon. He had the misfortune to lose his fine stallion by death just before his departure.

Grandma Myers is living again in the little white cottage on Cook avenue.

Mr. Allen went over the mountains and purchased four cows and brought them home.

Another son was born to Fred N. Wallace and wife on the 25th of September.

R. G. Sturgeon was chosen to carry the election returns to the County Clerk at Prineville.

G. W. Urdike of Metolus, with his daughter, Mrs. Stiles, visited in Laidlaw a few days last week.

Miss Mollie Nichols has been on the sick list for some time.

Mr. Wilson is having hay baled this week.

B. Y. Couch started today for Shaniko to bring freight for G. W. Horner.

Mr. and Mrs. Mitt Couch left today for an extended visit in the East.

S. R. Benham expects to start for the Willamette Valley Tuesday to meet his sister, who will return with him.

A team belonging to George Couch ran away Friday evening, slightly injuring one of the horses.

The lecture given Thursday night by Walt Dyer, the well-known Socialist speaker, was a decided success. After the address refreshments were served by the

ladies of Laidlaw. Local free of charge and were enjoyed by the large audience who attended the speaking.

## FROM LOWER BRIDGE.

To Bridge Deep Canyon—Moving a House Across Country.

The settlers of the John Howard neighborhood on the west side of the Deschutes below Lower bridge are preparing to bridge Deep Canyon, which they have to cross in getting to the Deschutes bridge. They are to provide timbers for a structure 200 feet long and 70 feet tall. The county is then expected to build the bridge and make good approaches to it.

By far the best road to that locality is down the west side from the Sisters road at Gist. No grade on that route exceeds 5 per cent and there is no sand or rocks worth mentioning, whereas the east side road is sandy, hilly and rocky, testing the power of a good auto. John Howard is about to move his dwelling—a fine two-story modern house—from its present location on his homestead to a new and more slightly location about a mile and a half nearer the Deschutes bridge.

## Supreme Court Against Ericksons.

According to news received last Thursday the State Supreme Court has affirmed the judgment of the Circuit Court for this county against C. H. and Bettie Erickson. This action would put in effect the sentence of a year's imprisonment in the penitentiary which was pronounced by the trial court.

The Ericksons were jointly indicted and convicted of assault with a dangerous weapon upon Leonard Walters. A feature of the defense was that Erickson had the right to protect his wife and that Walters had knocked her down before Erickson made the assault complained of. In the published news it appears that the Supreme Court decision hinges upon the absence of a showing that Bettie Erickson was the wife of C. H. Erickson, the presumption being that if they were not husband and wife an attack upon her would not justify his assault. The Ericksons now propose to get busy with the evidence of their marriage. They are each held under bond of \$2500.

## Socialist Nominations.

(Prineville Review.) The Crook County Socialists held their "assembly" at Belknap hall Monday afternoon and nominated a full set of county officers, central committee men, and had a jollification afterward. A large number of Socialists attended the meeting. Following is the ticket: Bert Nichols, of Laidlaw, Sheriff; Alex Leverenz, of Gist, Clerk; C. W. Allen, of Laidlaw, Commissioner; B. F. Wilhoit, of Prineville, Treasurer; J. H. Horney, of Madras, Surveyor; David Weaver, of Prineville, Coroner. The county central committee elected consists of C. C. Brix, chairman; B. F. Wilhoit, secretary; B. Pyatt, W. H. Birdsong, J. H. Horney, Alex Leverenz and J. R. Benham, committeemen.

## Light Prospects for Redmond.

(Redmond Hub.) The prospects are again bright for electric lights in Redmond if not in "sixty days" then, let us hope, as soon as possible.

## BROTHERHOOD OF OWLS!

Is Organizing in Bend—Have You Joined?

The Brotherhood of Owls is the most progressive fraternity on earth. It offers membership to all white men of good moral character. Its rituals deal only with the humanities in which all white men agree. It teaches Charity, Love and Mutual Aid. It teaches progress in the qualities that make men better husbands, better fathers, better sons, better brothers and better citizens. The coming years will see more men marshalled for human fellowship than the combined armies of today can muster for force and murder.

The Brotherhood of Owls is beneficial, social and fraternal. Full information can be had by addressing the State Organizer, M. F. MacFacheron, or his deputy, J. W. Howard, Pilot Butte Inn, Bend, Oregon.
