Speedwell Car Makes Good.

A. C. Lucas says Houston with his Speedwell "50" made a run from Silver Lake to Bend, then back to Rosland, returning with

nine persons, and getting up over Lava Butte on the "high"—all in one day, last Friday. Another run which Mr. Lucas considers a record breaker is one made with his car from Bend to Beaver Marsh and back in a day, a distance of 175 miles.

SETTLERS' MEETING.

Session Held Behind Closed Doors and Secrecy Maintained.

The meeting of the Water Users' Association held in Bend last Saturday was conducted behind closed doors. Vice President E. W. Richardson and Secretary W. E. Scott explained that it was the desire of the members, as expressed in a motion, that the proceedings of the organization, at least for the time being, until it be fully established and running smoothly, be kept secret and that no inkling of its actions become public, lest its plans be interfered with. All members were instructed to maintain silence concerning the work of the organization.

The association will meet again on Saturday, October 29th.

Lawrence Smith Gives Dance.

Lawrence Smith was the host at a young-folks dancing party last Saturday evening at the home of his parents. Fourteen were pres-

ent, all enjoying to the utmost the evening's entertainment. The guests were:

Sarah Wornstaff, Anna Moen, Emily Schreder, Margaret West, Estelle Thorson and Marion Lawrence; Kenneth Minor, Carl Hunter, Guy McReynolds, Ralph Lucas, Claude Kelley, Fred Lucas and Warren Wheelock.

STOLEN HORSES BACK

Returns with Malheur Animals from Willamette Valley.

Last Thursday W. M. McMullan passed through Bend with 50 horses, a portion of the animals recently stolen from Malheur County ranges. With him was A. A. Aldridge, who met McMullan near Crescent.

The lost animals were traced across the Cascades and finally located at Goshen, near Eugene, on September 20th. They had been run off by John Hamilton, once of Prineville, and a man named Weir, said McMullan; both men were found with the horses and arrested. In crossing the mountains five of the horses were lost.

REALTY BOARD MEETS

Members Discuss Exhibits and Hold Monthly Dinner.

Last Thursday evening the Bend Realty Board met at the offices of Merrill & Wilkinson. The matter particularly discussed was the necessity of exhibits being sent from Bend to the Prineville Fair, it being understood that all other sections of the county would be represented. It was decided to take the matter up immediately with the directors of the Commercial Club.

After the meeting the members adjourned to the regular monthly "spread," this time held at Bailey's Home Restaurant, where a delicious supper was served.

HOMESTEADERS BUILD

Many Loads of Lumber Go Out to Millican Vicinity.

L. L. Fox reports that on Saturday morning nine teams left the Wenandy barn, all loaded with lumber for homesteaders who are building in the neighborhood of the Millican Ranch 30 miles southeast of Bend. It is understood that practically every desirable acre in that vicinity has been taken up by settlers who now are moving on to their 320 acre ranches and making improvements. Those familiar with the country declare that thousands of acres of splendid "dry farming" land yet remain further east, along the line of the Hill east-and-west railroad.
