### BEND COUPLE WED.

H. J. Overturf and Miss Reid Married in Hood River.

On Tuesday, October 25th, H. J. Overturf and Miss Ruth Reid were married at the home of the bride's sister, Mrs. P. L. Tompkins, at Hood River, Oregon. The ceremony, occurred shortly after noon, there being no guests outside of the family. Immediately Mr. and Mrs. Overturf left for Portland, whence they will proceed to Puget Sound cities for a honeymoon trip, returning to Bend probably in a couple of weeks.

Miss Reid was principal of the Bend schools for five years, coming here from her home in New Brunswick, Canada. During the summer she has been visiting the home of her brother in Saskatchewan. Mr. Overturf has been well-known in Bend and Crook County for the last six years, for several years having been the manager of the Pilot Butte Development Company's lumber mill here. Upon their return they will occupy the house completed for Mrs. Waite in Park addition, pending the erection of a home near the new Lara residence.

### Dinner for Groom-To-Be.

On Friday evening a farewell banquet was given H. J. Overturf by the "Hungry Bachelors" at the A. M. Lara residence. An elaborate dinner was served, 16 sitting down to the table. There were menu cards arranged more with the idea of "josh" than respect to formal convention, a brief list of toasts, and all the aids to jolly pertinent to such a grave occasion.

### Carroll Great Fire Fighter.

Speaking of the recent Shaniko fire, the Prineville Review has this to say concerning the services of a Bend man:

"Al. Howell's saloon, on the end of the burned block, was saved by the heroic efforts of Charley Carroll, who was rewarded by Mr. Howell with \$50 in cash and the best suit of clothes to be had in the city."

### FAIR IS SUCCESSFUL.

Bend Band Makes Hit at County Seat Festivities.

The Crook County Fair, held at Prineville, was the best managed and attended affair of its kind yet seen in Central Oregon, according to those who were there. And many Bend people were on hand to enjoy the festivities, especially upon "Bend Day," last Thursday, which is said to have been the gala day of the week.

On Thursday afternoon the autos which had gone over, about a dozen in number, paraded, headed by the Bend Band, in what the Prineville Journal refers to as "the best parade of autos that has ever been seen in Prineville." Many of the local school teachers who were at the county seat attending institute, were participants in the parade, as guests of the auto owners.

The Bend Band covered itself with glory. Not only was it the only band at the fair but the only organization of its kind in Crook County. On both Thursday, Friday and Saturday the musicians' services were greatly in demand, and their presence did much to liven up the entire affair.

### Vote No on Annexation.

The portion of Washington county proposed to be annexed to Multnomah is seven miles wide, contains 112 of our 730 sections, four and a half of our 61-teen millions of taxable property, one-fourth of our voters and population and one-half of our railroad mileage. 500 voters of this strip have signed a remonstrance against annexation—a clear majority, as less than 300 signed the petition and about 900 votes were cast at the last general election. In addition many who first favored annexation now oppose it and say the cut was made too deep. We ask you to vote No on Washington-Multnomah division.—W. D. Wood, Chairman Anti-Annexation Committee, Hillsboro, Oregon.

### Turpin & Whitsett have Big Sale.

Turpin & Whitsett are starting things off with a rush with their first housecleaning sale, now in progress. They have slaughtered prices on all of their stock; suits, shirts, shoes, and all branches of men's furnishings have dropped away down in the price scale. They advertise that their revised prices will make their customers "sit up and take notice"; and they had better notice now, while the big sale lasts—20 days from Monday.
