

Who are the Two Most Popular Little Girls in Bend?

WE will determine this by vote between now and Christmas. On Christmas Eve we will present to each of the winners a beautiful doll---the finest we could buy in Portland. These dolls are now on exhibition in one of our show windows.

THE FIRST PRIZE.

is a jointed, bisque imported doll, 24 inches high. The little lady is a beauty of the brunette type. She has long curly brown hair, big brown "closeable" eyes shaded by long lashes, and a rose leaf complexion. At present she is attired in a charming pink silk creation, with a big picture hat of the same material and color. Her underclothing is hand made and tastefully embroidered. All her garments are readily taken off. A cute little pair of white shoes and socks, also removable, completes the illusion. We hope this little lady will find a happy home in Bend.

THE SECOND PRIZE.

is a blonde and those who prefer this type say she is in every way as charming as her brunette sister. This young Miss is also a jointed bisque, imported doll, 22 inches high. She has golden hair, blue eyes that close and teeth that are a triumph of the dentist's art. Her dress is a light blue affair made with the latest blouse effect. Over this she wears a stylish white pique coat, trimmed with lace and there is a dainty Dutch Bonnet to match. All her clothes can be taken off. The only thing the child lacks is the care of some little mother. Who will adopt her?

THE CONDITIONS OF THE CONTEST

Are as follows: The contest is open to any little girl under fifteen years of age. Every 25-cent cash purchase in our store entitles the purchaser to one vote. For instance, a cash purchase of from 25 to 45 cents gets one vote, from 50 to 70 cents two votes, from 75 to 95 cents three votes, from \$1.00 to \$1.20 four votes, and so on up to any amount.

The ballots will have a blank space in which to write the name of the little girl. The ballot box will be in our store and will be securely locked, the key in the possession of THE BEND BULLETIN.

THE BULLETIN will have entire charge of the contest, will count the votes and will publish each week the names of the contestants and the number of votes each has received. We will also keep a list on exhibition at the store on which the daily totals will be recorded.

The contest will start Thursday morning, Nov. 10th, and will close at 10 o'clock Christmas Eve., when the last votes will be counted and the dolls given to the winners.

THE VOTES WILL NOT INTERFERE IN ANY WAY WITH OUR CASH DISCOUNT TICKETS WHICH WILL BE ISSUED AS USUAL.

ABSTRACT TALKS.
"Buying a Law Suit."
Do you know that placing your reliance upon a warranty deed is simply bidding for a law suit? By some this fact is so well understood that a warranty deed is looked upon with suspicion. It is for this reason:
If the title is good it passes with the deed and that is all there is to it—no deed of a warranty. If bad, the adding of a warranty clause does not make it good.
A warranty is only a sort of bet—a wager that you will have no trouble; but if you do and finally lose out I'll pay your money back.
A better plan is to require an abstract. Don't go to law.
