## THERE'S A DIFFERENCE

No Counterfeiter has ever produced a perfect Dollar Bill  
No Imitator has ever equaled Lilly's and Parke Davis & Co's Quality

Divide men into classes—Druggists, Physicians, Preachers, Manufacturers, etc. Would any man, anywhere under the sun be guilty of saying that all druggists are alike, all physicians alike, all preachers alike, or that all manufacturers are alike?  
Just as there is a difference in men so there is a difference in the medicines made by different manufacturers.  
Remember in practically all our prescriptions we have been dispensing preparations manufactured by Lilly and Parke Davis & Co., acknowledged to have the largest and best equipped laboratories in the world for the scientific preparation of high grade pharmaceuticals.  
This is one of the many reasons why doctors prefer to have us fill their prescriptions, because there is no guess work about Lilly's and Parke Davis & Co's remedies. They are always the same, always the best.  
And the nice thing about it, they cost no more than inferior makes.  
Try us once and you will come again.
