

LIQUOR LICENSE

NO LIMIT PLACED ON THE NUMBER OF SALOONS.

Council Restricts Location and Requires Clear Glass Windows, No Screens or Partitions—Library Board Receives \$5 per Month

At the meeting of the Common Council held last evening, D. M. Davis was appointed Mayor pro tem, in the absence of Mayor Caldwell.

The liquor license committee, appointed at the last meeting, submitted a draft of a proposed ordinance, which was read for the first time. On the motion of Sellers, seconded by Hunter, the rules were suspended and the ordinance was read the second time. After a brief discussion, the ordinance was passed, Oneill, Hunter, Sellers, Overturf and Triplett voting in favor of it, and Kelley against it.

The ordinance follows the recommendations made at a previous meeting; the license is placed at \$1000, and the licensee must give a surety bond for \$1000; no licenses will be granted for saloons on any street other than Bond, except in bona fide hotels having 30 or more sleeping rooms; all saloons must have open fronts, with clear glass windows, which must not be more than five feet above the sidewalk; no screens or partitions which would obstruct a clear view of the interior are to be allowed. Sunday closing and the prohibition of gambling are also embodied in the new ordinance.

After much discussion in regard to the course that should be taken, Hugh O'Kane was granted a near-beer license to January 1, 1911, for the bar in The Hotel Bend.

The Recorder was authorized to draw a warrant the first of each month, beginning January 1, 1911, for \$5, payable to the Library Board. This was done in lieu of the fact that no library tax was levied, as the application to the Council for financial support was not received in time to be included in the general levy assessed December 1.

The Council adjourned to December 27.

Redmond Considers Saloons.
At the meeting of the city council at Redmond several recommen-

dations to be incorporated into a new liquor license ordinance were made. The number of saloons is to be limited to three at the present time, and is to be allowed to increase at the rate of one for each additional 350 population after January, 1911; the license was recommended to be \$800, with a \$1000 bond. Sunday closing and the prohibition of all gambling in saloons, except shaking dice or playing cards for drinks or cigars, are also to be embodied in the new ordinance.

MONEY IN HOG RAISING

P. W. Chapman Receives Large Returns—Veal Calves Market Well.

P. W. Chapman, of Chapman Bros., ranchers in the Sisters locality, last week sold to the Union Market, in Bend, six hogs for \$137.95. Mr. Chapman stated that the actual cash outlay to market these hogs was only \$21.50, expended for the grain used to fatten them.

The additional cost of raising the hogs was small, as they were pastured on alfalfa and fed rutabagas and carrots.

Mr. Chapman also brought in two young veal calves, belonging to Fred Weise of Sisters, which brought a fancy price, \$29.50.

PRINEVILLE ELECTION

Business Administration Candidates for Mayor and Council Elected

The city election at Prineville, Monday, resulted in the selection of Dr. Charles S. Edwards as mayor, and G. W. Noble, I. W. Ward and C. I. Winnek as councilmen. There was but one ticket in the field for the above offices.

Joseph Keiso was elected marshal by 12 votes, the other two candidates being Al Yancey and John Breeding. R. W. Breese defeated Frank Barnes for recorder.

Club Directors Meet.

The directors of the Commercial Club met in President Forbes' office last night, all of the directors being present. Secretary Spencer was instructed to correspond with William McMurray, general passenger agent of the Harriman lines at Portland, in regard to the railway company and the Commercial Club uniting in the publishing of advertising matter about the Bend country. He was also instructed to learn the approximate cost of getting out an advertising pamphlet. The club will meet again as soon as the Secretary receives a reply from Mr. McMurray.

Austrians Are Fined.

Spase Vukma was fined \$15 yesterday afternoon for passing liquor to a prisoner confined in the city jail. This is the maximum fine that can be imposed according to the state statute, which is the same as is imposed by the city ordinance.

Mike Levich was fined \$40, the charge against him being drunk and disorderly. Both cases were tried before Judge Ellis.

CHRISTMAS PLAY TO EXTEND LINE

OPERETTA "TABLES TURNED" TO BE PRESENTED.

Bend Public School to Give Christmas Party Friday Afternoon at Linster's Hall—Public is Invited to Attend.

The public is cordially invited to attend a Christmas party to be given in Linster's Hall, Friday afternoon, from two to four by the Bend Public School. Admission will be free.

Among the amusements provided, an operetta entitled "Tables Turned," will be rendered by the school children. The play tells the story of two children who, wandering about and finding Santa Claus discouraged and disheartened from over-work, decide to give him a royal Christmas party. To aid in this festivity, the children of all nations assemble. Jack Frost with his sprites and a snow flake chorus are also there. Santa enjoys a delightful time and is presented with a huge stocking containing Christmas Joy, a present from the children. The operetta closes with a pretty star tableau, telling the sweet old story of "The Child of Bethlehem."

The cast of the play is as follows:

Two mortal children who have sought out Santa Claus, Norman—Calvin Smith; Dorothy—Marie Brosterhaus.

Santa Claus.

Christmas Joy.

Jack Frost—Earl Culp.

The White Cat—Howard Young.

Chorus of Frost Sprites—Minnie Linster, Marion Sather, Lois Triplett, Leonora Matheson, Mamie Clark, Grace Robinson, Iue Bates, Elva Fleming, Dorris Parris, Bessie Smith.

Chorus of Snow Flakes—Viola Brown, Edna Moe, La Nora Morris, Louise Triplett, Claude Triplett, Gladys Sather, Elsie Horn, Helen Downing, Ida Niswonger, Myrtle Johnson.

Chorus of the Children of the Nations—Hazen Grant, Kenneth Lane, Lawrence Reisdorfer, Doyle Synder, Ruta Fleming, Mary Bozell, Edith Vinyard, Coral Bates.

Pages for Santa's Stocking—Francis Redfield, Roland Sellers, Hugh Kelly, Lester Smith.

The citizens of Bend have been very generous with their help in connection with this party. Henry Linster has kindly given them the use of his hall free. Through Frank Robertson, the Bend Water, Light & Power Co. has generously consented to supply light for the afternoon. Mrs. Z. W. Lindborg, who has been faithfully playing the accompaniments, will aid in the playing and singing.

New Teacher Appointed.

At the meeting of the School Board held at Chairman Triplett's store Saturday evening, C. B. Cutting was chosen as teacher of the Young school. This school, which was authorized by the voters of the district on December 10, is to be located about five miles from Bend on the Prineville road.

The new school will open on Monday, January 2, or on January 9, and is to continue for four months. The salary of the teacher will be \$60 per month, but the district does not have to incur any expense for house rent, fuel or janitor service.

Max McGillvray was allowed \$2.50 per month for janitor work at the Arnold school.

The following bills were approved, and ordered paid:

Warren Wheelock, labor.....	\$ 1.00
N. P. Smith, hardware supplies...	9.74
E. A. Sather, hardware supplies...	4.00
Bend Hardware Co., broom.....	2.75
Patterson Drug Co., Nov. bill.....	13.20

The Freight Trouble.

Many of the merchants in Bend are lamenting the fact that they have Christmas supplies at Skaniko or stuck in the mud on the road to Bend. Several loads of freight which are known to have left Shaniko before the middle of last month have not yet been received in Bend.

That some of the loaded wagons have been abandoned, and the contents appropriated by passers-by, seem to be accepted facts by the merchants.

HILL ANNOUNCES OREGON TRUNK WILL BUILD SOUTH.

Route Beyond Bend Not Yet Certain—Announces That Railway Publicity Work Carried on Has Been Very Successful.

Encouraged by the business conditions in Oregon, James J. Hill, the railroad builder, who arrived in Portland Wednesday night, announced the eventual extension of the Oregon Trunk Line from the present proposed terminus at Bend; the extension of the United Electric Railways to the coast, and the ultimate consolidation of all the Hill roads radiating out of Portland into one large corporation similar to that formed by the Harriman lines a few weeks ago.

Mr. Hill arrived on a special train that operated through from St. Paul, starting there Monday afternoon. He is accompanied by George B. Harris, chairman of the board of directors of the Burlington system; W. P. Dean, director of Great Northern; W. H. Dunnwoody and E. C. Cooke, capitalists of Minneapolis; Samuel Hill, his son-in-law, who continued his trip to Seattle, and M. R. Browne, his private secretary.

Bend Line to Be Extended.

"We will extend the line beyond Bend," said Mr. Hill, "as fast as the country develops and justifies us in the expenditure. Whether we will build directly south or whether we will strike out in another direction depends largely upon the future development of that portion of the state."

"We are trying to call attention to Central Oregon and to help build up the country. We have brought in a great many people in the last few years and expect to bring in more. All of this will help the business of the railroads and will enable us to do the improvement work that we count upon doing. Thus far we have been encouraged with the success that has followed our efforts to exploit Oregon."

On Friday the members of the Hill party took a trip of inspection over the Oregon Trunk Railway up the Deschutes Canyon as far as Shearer's bridge. They travelled over about 46 miles of the new road-bed, and everyone was well pleased with the construction work that they saw. The road-bed they travelled over impressed all as being of the best construction, very similar to that along the North Bank Road.

TO BUILD TO CRESCENT

Construction of Remaining Section Has Been Authorized by Directors.

Julius Kruttschnitt, director of operation and maintenance of the Union Pacific and Southern Pacific systems, has announced that the directors of the company have authorized the road from Redmond to Odell. This line, when constructed, will give the Deschutes road a southern connection with the Klamath Falls-Natron cut-off.

"The directors of the company have authorized the road from Redmond to Odell," said Mr. Kruttschnitt in Portland a few days ago, "but it is impossible to determine when work will commence. The road will ultimately be built; that is certain. It will open a rich country that at present has no railroad facilities."

The road which has been authorized will have to pass through the Bend country, and in all probability will parallel the tracks of the Oregon Trunk Railway. Odell is the old name for the postoffice at the newly platted town of Crescent, and is about 51 miles south of Bend.

TO EXTEND RAILROAD

Nevada-California-Oregon Railway to Amend Incorporation.

A notice of the stockholders' meeting of the Nevada-California-Oregon Railway was published at Reno, Nev., on Dec. 14. The notice states that the object of the meeting is to amend the original articles of incorporation of the Nevada-California-Oregon Railway and to provide for the extension of the road a distance of some 500

miles northwesterly from Reno instead of 200 miles as formerly.

This road is now operating trains from Reno to Alturas, in Northern California. It was constructed as a narrow gauge road, but the company recently completed standardizing the line. At present much of the traffic to Lakeview is via this line, it being closer than Klamath Falls.

Recommends Excursion.

Seattle, Wash., Dec. 13, 1910. (To the Editor of The Bend Bulletin.)—In talking with several friends in Seattle who are interested in Bend and the vicinity, I find that without exception, everyone with whom I have spoken is going down to Bend on the first train.

Don't you think it would be well to celebrate the "first train arrival" in Bend in some way? The celebration would be comparatively inexpensive as most of the visitors would come to see the country rather than be entertained. No doubt the railroad could be induced to run an excursion from Seattle, Spokane, Portland and intermediate points. There would be little question about our train being filled.

If this has already been considered it would be well to announce it very early for in that way it insures an open field for the town which is progressive enough to anticipate this event.

Yours very truly,
John R. Booth.

TO CELEBRATE XMAS

Tree at The Baptist Church Saturday Evening.

Over \$75 has been pledged for the Christmas celebration to be held at the Baptist Church, Saturday evening, December 24. J. I. West is securing the subscriptions, and hopes to have over \$100 to spend in making an enjoyable Christmas Eve for all of the children in and about Bend.

This is to be a celebration for all, and those in charge desire that every child in the vicinity attend, as there will be presents for all. Mrs. Charles Niswonger has charge of the entertainment for the evening, which promises to be as interesting to the old folks as to the younger generation.

Water User's Meeting.

The Water User's Association will hold a regular meeting Saturday afternoon, January 7, at one o'clock at the hall over the Bend postoffice. W. E. SCOTT, 4142 Secretary.

Masons Elect Officers.

The Bend Lodge A. F. & A. M. 139, met Thursday night, and elected the following officers: C. M. Redfield, W. M.; C. M. Triplett, S. W.; J. D. Davidson, J. W.; W. B. Sellers, Treasurer and H. C. Ellis, Secretary. The installation of officers will be held on December 27, at the Masonic Hall. All Masons and their families are invited to be present at the installation ceremonies.

FOOTBALL GAME

PRINEVILLE VS. BEND ON BASEBALL GROUNDS.

Many Old Players to Participate—Team Holds Signal Practice Tonight—Football Squad to Give Dance Monday Night.

That Bend will see a football game next week, is now assured. R. L. Brewster of Prineville, has accepted a challenge to bring over the best team that he can secure to meet an "all-star" aggregation of Bend players. The game will be played on the baseball field Monday afternoon at 2.

Ralph Poindexter has been chosen manager of the Bend team, and M. S. Latin will serve as coach. As the Bend manager has to pay the traveling expenses of the Prineville team, an admission fee of 25 cents will be charged. A dance has been arranged by the football squad for Monday night, at Linster's Hall, the music to be furnished by Knapp's Orchestra.

The personal of the team has not been arranged as yet. A signal practice was held Sunday afternoon, and A. M. Pringle was elected captain. Another signal practice will be held at Linster's Hall tonight.

As several of the Bend players are old-time "stars," it is probable that the game Monday will prove very interesting. The line-up of the team will be chosen from the following: P. W. Brackett, R. B. Gould, U. C. Coe, Ray Wilkinson, W. W. Faulkner, H. F. Kepple, Fred Van Matre, Willard Houston, Max Richardson, J. T. Tholstrup, A. R. Dorris, Jay Holcomb, A. M. Pringle, Ivan McGillvray, Arthur Seeley, F. M. Connor and N. P. Weider.

New "Exciter" Arrives.

The Bend Water, Light & Power Company received a new 14 kilowatt "exciter" generator last Friday. It was made by the General Electric Company, and will replace the 30 kilowatt "exciter" now in use at the power station. Some time ago an armature coil burned out of the one now in use, and the city was without lights while it was being repaired.

A large quantity of wire was also received. The wiring of several buildings will now be resumed. The supply of wire was exhausted some time ago and all wiring had to be stopped.

Band to Give Dance.

The Bend Concert Band will give a dance at Linster's Hall next Friday night. As this will be the first dance at which the band has played for several months, a large crowd is expected. Knapp's orchestra will play part of the evening.

CHRISTMAS GREETING

Pounds Sterling for Great Britain and Ireland;
Francs for France, Belgium and Switzerland;
Kroner for Sweden, Norway and Denmark;
Roubles for Russia and Poland;
Kronen for Austria Hungary;

TWELVE MONTHS OF PROSPERITY

¶ We confidently believe that the heading of this column will be literally realized in 1911. It will come in varied degrees to all of us, but each will have the making of his share in his own hands.
¶ Prosperity is what we get from the result of each day's work.
¶ The degree of prosperity enjoyed is measured by our ability to spend less than we earn and accumulate the balance in a bank account—a certain amount from each day's earnings.
¶ This Bank wants to go on record as being willing to aid and abet every effort of its customers to share in the prosperity which we feel sure the New Year will bring.
¶ Open an account now. Make larger deposits if you already have an account. It will prove very satisfactory.
