COMMERCIAL CLUB SEEKS SUPPORT

Agency Which Is Advancing Interests of All in Bend
and Surrounding Country Would Have More
Unanimous Aid From Those Whom It Aids.

Why don't you join the Commercial Club?
I am finding out why some people don't join the Commercial
Club. They say "Well, its only a graft for the real estate men who
get the country advertised at the expense of the community. They're
nothing but a bunch of hot air peddlers and are working for the
coin."

Mr Citizen of Bend, what are you working for? What am I
working for? What would your land, your business, your city prop-
erty be worth to day if it hadn't been for the wide-awake real
estate men? Who has advanced the value of your property? How
was it done? What was it worth five years ago? What is it worth
today? Let these questions soak down deep and then answer them
to yourself, your neighbor, and then to the Bend Commercial Club.

Who is benefited by the newcomer? First of all is the hotel
man. He gets the first money from the new prospect. Is it worth
anything to Bend? Who next? The livery man and the automobile
man come next, in showing Mr. Prospective Buyer the country. Who
next? Now Mr. Real Estate Man gets his five per cent commission.
Who next? The grocer, the hardware dealer, the implement dealer,
the clothier, the butcher, the lawyer, the banker, the church,
the contractor, the laborer, the dentist, the doctor, the minister,
the baker, the harness maker, the shoe man, the druggist, the restaurant
man, the blacksmith, the postoffice, the barber, the plumber, the
tinner, the feed store, the furniture dealer, the newspaper and every
other business in town.

But where does Mr. Rancher come in? He is left out in the
cold. The new man doesn't help him any. Doesn't he? What has
increased the price of your land? Oh! Never thought of that, did
you? If no buyers came you would still be asking that same old
measly sum for your ranch that you did ten years ago and no one to
give you a pleasant look at it. Mr. Real Estate Man started them
coming this way. Should he be interested in the Commercial Club
any more than you? Can you sell more produce in Bend if the pop-
ulation is increased three-fold? Won't it bring in more money for
development if this country is advertised and new people with money
and energy come in?

Isn't it worth while to help boost your land? Is your ranch
such a poor proposition that it isn't worth boosting? Won't it grow
anything? You think it's good, don't you? Well, now, the best
way in the world to make someone else think it is good is to get into
the Bend Commercial Club and help boost your place. Don't let the
fellows in town do it all. You have an interest in the country or
you wouldn't be here. Now, get in and help us make it a Greater
Bend and a Greater Crook County.

Now, Mr. Business Man, who isn't a member of the Commercial
Club, are you going to be a blood-sucker on your next door neighbor
and allow him to get busy and spend his money to bring in new peo-
ple and then try to reap the rewards of his money and his energy?
Is that justice to your neighbor? If this hits you, take it.

Now honestly, Mr. Man who is knocking against the Commercial
Club, how does it look to you?
What we need more than knocking is to get about 200 more
good, honest hustling Commercial Club members to help boost Bend.
That's what makes good towns.
