TO BUILD SOON

NEW SCHOOLHOUSE IS NECESSITY.

Bend Has Outgrown Present Quarters—Leading Citizens Favor Erecting Exclusive High School Building.

(From Saturday's Extra)

With every room in the present building taxed to capacity and new pupils enrolling every week, it is evident that Bend will have to provide more accommodations, either by enlarging the building or erecting an additional one, before the fall term opens. In the opinion of a number of leading citizens interviewed by The Bulletin, a new building to be used exclusively by the High School should be erected and the present structure turned over to the grade pupils. Another plan proposed is to erect a building that will be used temporarily for both High School and grade pupils and later, when the town grows and a High School building is put up, be given up entirely to grade classes.

In speaking of the necessity of having more school room next fall, Superintendent J. C. F. Harrington said:

"Every seat in the building, except a few in the first grade room, is now occupied and we have had to scrimp around to provide a place for all pupils. All the classes will, without doubt, be larger next fall, owing to the coming of new families, and more room will be absolutely necessary. The High School will be increased by about a dozen pupils who graduate from the eighth grade this year, making the present facilities inadequate. In my opinion Bend should have a High School building and use the present one for grade pupils only."

Chairman Millard Triplett of the School Board said:

"What Bend needs is a building for its High School. There is no question about the need of more school room, and this I believe the best solution of the problem."

"I am in favor of having the High School and grade pupils in different buildings, and the only way to do this is to have a central High School building," said A. M. Lara, when interviewed.

"The time has come for Bend to erect a new school building, and I believe it should be for the use of the High School," said O. M. Patterson.

The school enrollment figures at present, as given The Bulletin yesterday by Prof. Harrington, are as follows:

Total in High School	29
Eighth grade	15
Seventh	17
Sixth	18
Fifth	20
Fourth	18
Third	30
Second	22
First	27
Grand total	196

The average daily attendance is around 170.

WILL CLOSE MAY 19

Four High School Students Will Graduate Soon.

On May 19 the Bend school will close for the summer vacation to give the pupils "a season of rest." The 1911-12 term will open on Monday, September 4.

Having completed the four-year high school course, four boys will receive diplomas which will give them entrance, without examination, to the State University or any college in Oregon. These are Bruce C. Deyarmond, Lyle M. Richardson, Max C. Richardson and Steven Steidl.

There will be twelve or fourteen to graduate from the eighth grade ready to enter the High school.

CLEAN-UP AT SCHOOL

Teachers and Pupils Make Grounds and Building Tidy.

Books, tablets and pencils were laid aside Friday morning by all Bend school teachers and pupils and shovels, rakes and brooms taken up instead. The occasion for this was "clean-up" day at the school building. Half a day's hard work was done, and when noon came the building and grounds were in a spick and span condition. As a reward for their manual labor, the pupils got Friday afternoon as a half holiday.

Summons

In the Circuit Court of the State of Oregon for the County of Crook.

Central Oregon Irrigation Company, a corporation, Plaintiff vs. Frank Stevens, S. L. Dew and Lewis Land Board of Oregon, Defendants.

To Frank Stevens and S. L. Dew, Defendants.

In the name of the State of Oregon: You are hereby required to appear and answer the complaint filed against you in the above entitled suit within six weeks from the day of the first publication of this summons and if you fail to so appear and answer, nor want thereof, the plaintiff will apply to the Court for relief granted for in the complaint, to-wit: For the cancellation and setting aside of a certain contract, dated October 21, 1904, made between you and The Deschutes Irrigation & Power Company and assigned to said plaintiff relating to the settlement of certain lands, and the purchase of water rights appurtenant thereto, situate in Crook County, Oregon, and for such other and further relief as may seem to the Court just and equitable.

This summons is served upon you by publication by authority of an order of the Hon. H. C. Ellis, County Judge of Crook County, Oregon, and said order is dated the 20th day of March, 1911, and is duly recorded and entered in said Court and suit.

Date of first publication, March 20th, 1911.

JONES STEAKS, Attorney for Plaintiff.
