RURAL OFFICIAL

COUNTRY SCHOOLS TO BE IMPROVED

County Superintendent Will Appoint Board of Four Members—Bend Man Expected to Be Chosen As One of Them.

Bend residents who attended court at Prineville last week brought back news that County Superintendent R. A. Ford will in a few weeks announce the appointment of a rural school supervisor and a board composed of four members whose duty it will be to act with him in the conduct of rural schools in the county.

The last Legislature passed a law providing for these appointments, the act to go into effect June 1. The work of the new officials will be to investigate the conditions and needs of schools in the rural districts of Crook county and recommend what steps may best be taken to better them. The supervisor may devote his entire time to this work, receiving a salary of not less than \$1,000 per annum. Heretofore rural schools have not received the attention necessary to make them as effective and efficient as they should be, and it was to fill this need that the law was passed.

While the personnel of the board is not yet announced, it is said that Bend, Prineville, Laidlaw and Redmond will each have a representative on it.

ON LONG AUTO TRIP

Three Men Making Tour of Central and Eastern Oregon.

Up the Central own g.

ternoon, arriving here Monday morning. They came in by way of Shaniko, Prineville, Sisters and Laidlaw and left here Monday afternoon for Burns, Vale, Ontario and Idaho points. In the party are I. W. Buzby, Ollie Geddis and A. F. Currier. Messrs. Currier and Geddis are ranchers and Mr. Buzby sells threshing machinery.

"We are just looking over the country," said Mr. Buzby, "and are well pleased with what we have seen so far. When we got here we had traveled 374 miles and have not yet had to have the doctor for our machine. All the roads we traveled have been good and we sailed along at a good speed, without so much as a 'blow-out' in five days. We expect to be on the trip two or three weeks and will probably go down the Snake River in going home from Ontario."

Cigar Factory of H. E. Ruffe Will Be Located On Bond Street

"Made in Bend" cigars will soon be on the market, the factory which H. E. Ruffe of Portland will operate here opening in a short time. Mr. Ruffe arrived Sunday night from Portland, bringing in a large stock of leaf tobacco. He has secured a location on Bond street, in part of the building formerly occupied by J. R. With the exception of shingle and sawmills, this will be the first manufacturing plant to begin business in Bend.
