

**GO OVER MOUNTAINS**

Travel Now Possible, With Snow Encountered in Only a Few Places.

TUMALO, June 12.—Travel has started over the Santiam road. A team passed this place yesterday and the driver reported the road good only for a few bunches of snow. They report a cold, backward spring in the valley and a light fruit crop except prunes.

Chas. L. Wimer was doing business in Bend yesterday.

John B. Wimer is expecting his wife in from Grants Pass and they will take up their abode in Laidlaw for the summer. John is kept busy looking after the interests of the Oregon, Washington & Idaho Finance Co. in these parts.

The Star ranch has been busy lately sowing land plaster. They use about 50 pounds per acre.

Mrs. L. J. Wimer has returned from Grants Pass and Valley points where she has been visiting relatives and friends for several months.

The Tumalo people have gotten up a subscription to raise means to repair the Tumalo road from this place to Bend. It seems the county is too poor to have the roads repaired, more especially roads in these parts.

**REVIVAL AT LAIDLAW.**

LAIDLAW, June 13.—Evangelists Gregg and Webb of the Christian Church have been conducting a successful revival meeting in Laidlaw. Mr. Gregg did a splendid work in this county two years ago and is now ably assisted by Mr. and Mrs. Geo. Webb, experienced singing evangelists. An all day service was held Sunday with a basket dinner at noon. At 8 p. m. Mr. Gregg delivered an I. O. O. F. Memorial address.
