

"Keep Cool"

Pretty hard to do it these hot days. But you can help a lot by getting into SUMMER CLOTHING. A suit of our "Porosknit" underwear, a thin, soft shirt, a pair of tan low shoes, and a straw hat will make a man a deal more comfortable. The ladies are always dressed cooler than the men. They know how. Muslin underwear, thin skirts and white waists do the trick for them. We can't live but once so why not be as comfortable as we can while we do live.
