BOARD PUZZLED

SCHOOL DIRECTORS HAVE PROBLEM

Settlers in Young School Territory Scattered So That It Will Be Necessary to Furnish Conveyance for Part of Pupils This Winter

Confronting the School Board of district No. 12 is a puzzling situation in the matter of furnishing instruction this winter to children in the Young school neighborhood. A delegation from that school appeared before the board Saturday afternoon and explained the situation.

There are two settlements in that territory so far apart that it is impossible to locate the school so as to accommodate all children. The only solution of the difficulty appears to be in having a school convenient to one settlement and hauling the children of the other to it or to the Bend school. What will be the cheapest and most satisfactory plan the board will determine before taking action. Whatever its decision, a larger expenditure than was required last year will be necessary.

Chairman Triplett and Director Overturf were the only members of the board present Saturday. Those who appeared from the Young school were P. J. Young, L. C. Young and Mr. and Mrs. S. A. Dutt.
