CO-OPERATION

**BURNS AUTO TRUCK
LINE ASSURED**

Harrison and Riggs Find Harney
County Merchants Enthusiastic
About Receiving Freight by Fast
Service—Campbell May Run Cars

F. P. Riggs and Z. C. Harrison, who were in Bend recently on their way to Burns to find out what the possibilities were for establishing an auto truck line from here to the Harney county seat, met with much encouragement, from reports received from Burns. In its last issue the Harney County News said: "Mr. Harrison found ready response from Burns business men, who assured him of immediate patronage. Under this arrangement they save money even though the Vale-Burns hauling rate should be one and a half cents a pound. They can be also assured of winter delivery and they can receive their goods in two days from railroad. This will make a happy revolution. "The intention is to maintain the auto truck service during the months of November, December, January and February. Trucks carrying three tons will be used and there is no fear of impediments, as it is declared they can manage through two feet of snow without difficulty."

D. E. Campbell of Seattle, who also went to Burns on a similar mission, reported on his return Saturday that he would probably start a line to Burns next spring. Many of the merchants there had already got in their stocks, he said, and this would cut down the volume of freight from here during the winter months.

WED AT OPAL CITY

Mr. and Mrs. Charles S. Etnier Will Make Their Home Southeast of Bend
Mrs. Ella M. Ives and Charles S. Etnier, both formerly of Seattle, were married at Opal City on September 4 by Rev. G. A. M. Lilly and will make their home about 50 miles southeast of Bend on section 9, 20-18.
Mrs. Etnier's son, Dan Chisholm, remained in Seattle, as he is in the machine department at Moran's shipbuilding plant. Mrs. Etnier's daughter, Margaret Chisholm, who was married to John Walker by Rev. Mr. Lilly in the church at Laidlaw on June 2, 1908, with their little daughters, Ruth and Jane, now live in Ogden, Utah.
Mr. and Mrs. Etnier arrived in Bend Monday and left for their new home yesterday.
