ENJOYABLE ENTERTAINMENT GIVEN

High School Benefit Performance Well Attended--Students Make Big Hit With Pantomime--Musical Numbers Good

An hour and a half of splendid entertainment was given Friday evening at Linster's Hall by the school teachers, students and friends for the benefit of the High School Athletic Association. Musical numbers, readings and a pantomime made up the program, and all who took part acquitted themselves well. The affair was got up on short notice and in view of this was all the more praiseworthy.

The biggest hit of the evening was the pantomime, "The Callers." It represented a young lady receiving and disposing of four callers as they came one after the other. The first was converted into a hall rock, the second into a table and the third into an armchair.

Though the program stated there would be no encores, Robert Innes' violin solo pleased so much that he was called out again.

The audience was large, all the seats in the hall being taken. The following program was given:

1. Piano Solo.....Miss Trautner
"Song of the Birds."
2. Vocal Solos.....Miss Wiest
(a)—"Shena Van"
(b)—"The Years at the Spring"
3. Reading.....Miss Sidner
"The Ruggles' Dinner Party."
From "The Birds' Xmas. Carol."
4. Quartette.....Misses Wiest, Trautner, Holmes, Borden
(a)—"Sweet and Low."
5. Violin Solo.....Robert Innes
6. Reading.....Mrs. Mero
"Money Musk."
7. Pantomime.....High School Students
"The Callers."
8. Vocal Solo.....Miss Black
"The Shadows."
9. Reading.....Mrs. Sanders
"The Kentucky Watermelon."
10. Duet—Violin and Trombone.....Miss West and Mr. Hunter

Nothing sold but good things to eat at Oregonian Grill.

James J. Hill
in his speech at Bend, on Oct. 5, predicted an increase of two thousand per cent in the population of Central Oregon within the next five years. That speech was printed all over the United States and it is not hard to imagine what the effect will be on land values. The only place in the Northwest where you can buy farm lands right in the heart of Central Oregon at the same prices they were selling at ninety days ago, is the office of

CLAIMS are easily made; but not always easily proven. We would not make the claims we do for the high quality of our stock if we were not convinced of their truth, and if we didn't have so many compliments from customers on the superiority of our trees, and the most excellent manner in which they were packed, enabling them to arrive at destination in prime condition. This last item, good packing, is easily overlooked by many, but is one of importance, and is one of the many instances where our attention to detail keeps up the high standard of our trees.
