WAREHOUSE RISES

Construction Going Ahead Fast—Passenger and Freight Traffic Good.

Good headway is being made in construction of the big railway freight warehouse here. The frame work is up and a large force of men is pushing the building to completion.

The congestion in freight cars on the yard has now been relieved and everything is being handled with dispatch.

The Hill and Harriman officials say they are well pleased with the volume of traffic, both freight and passenger, into Bend.

Agent Corbett has posted notices of the business hours at the depot. They are as follows: Freight, 8 a. m. to 4 p. m.; express, 8 a. m. to 5 p. m.; telegraph, 6 a. m. to 10 p. m. The freight and express offices will be closed on Sunday.

PUTTING IN MAINS

Lytle and Riverside Will Be Receiving Water in Short Time.

Residents of Lytle and Riverside Additions will not have to haul and carry water for domestic use from the Pilot Butte canal and the river much longer. Steidl & Tweet have received piping for their water system in that part of town and it is being installed this week. Within a short time the main will be laid and residences piped ready for water to be turned on.

A mile and a half of pipe has already been laid and is being soaked. The water wheel has been installed and in about ten days the system will be in operation. Every part of the two additions will be supplied. This will necessitate the laying of a main across the Pilot Butte canal.

GUESS BEND'S GAIN

Prizes Totalling \$150 Offered By Real Estate Company

Three prizes aggregating \$150 for the best guess as to what the population of Bend will be July 1, 1912, have been offered by the Bend Park Co., as announced in their advertisement elsewhere in today's paper. The contest closes March 1. Contestants will submit with their figures their reasons for the increase, in not more than 25 words. The award will be based on the merits of the REASONS for Bend's growth.

This is a novel way to attract attention to Bend and should cause many people to study its future and possibilities.
