

TRUCKS ARE O. K. CONCERT GOOD

FIRST TRIP IS GREAT SUCCESS.

Fast Time is Made to and From Burns, Road Being Found to be in Every Way as Good as Reported—Get Very Enthusiastic Reception

Freighting in Central Oregon by means of the auto-truck was proved a success by the first trip made last week by the two cars of the Central Oregon Trucking Co. to Burns and return. Fast time was made both ways and there was not a mishap reported for the entire run of more than 300 miles.

The cars got back to Bend Friday. The trip to Burns was made in 19 hours of actual running time. The cars left here Monday afternoon at 4:30 o'clock and that night was spent at Millican's. Riley was reached Tuesday evening and the night spent there. Burns was reached at 11 a. m. Wednesday, putting the Thanksgiving goods taken on the trucks there in time for delivery to buyers before the holiday.

The enthusiasm with which the Burns people received the new means of transportation was shown by the demonstration which they gave. Some 12 or 15 autos loaded with business men came out and met the trucks, escorting them into town. Manager McDade had preceded the freight carriers and informed the merchants when they would arrive. That evening the Commercial Club celebrated the event with a banquet, at which the business interests of the town pledged their support to the new enterprise.

Most of the freight taken over from here was for Bill Hanley and it was delivered at his ranch a few miles from Burns. A return load of 130 hides was obtained there and these, with other freight which was waiting at Burns, gave the trucks a capacity load for the return to Bend.

Coming back, only 14 hours was necessary to make the trip. This reduction of five hours was due mainly to the fact that the cars had a track to follow, made by them going over. On the round trip each of the big cars consumed only 90 gallons of gasoline, and more than half of this was used on the initial run over. The drivers reported the road all the way in good condition for auto trucking. The worse stretch found was that through Lake county and for a few miles this side of Burns. C. C. Harrison of the company stated that the entire round trip was made with absolutely no adjustments to either car.

LOCAL SINGERS PLEASE LARGE CROWD

Entire Program Well Rendered Wednesday Evening—Solos and Readings Make Big Hit—31 Voices in Chorus—Those Who Took Part.

A large audience greeted the local singers Friday evening and appeared much pleased with the entertainment. All the numbers were loudly applauded and though the program stated there would be no encores several were demanded.

Although some of the selections were difficult, they were well rendered. Mrs. Lindborg's solos, Miss West's violin playing and the reading of Mrs. Mero were especially good.

The chorus consisted of the following voices:

Soprano—Mrs. Z. W. Lindborg, Miss Katherine Trautner, Mrs. M. W. Weaver, Miss Schultz, Miss Gertrude Schultz, Miss Gertrude Markel, Miss Elsie Quackenbush, Mrs. C. D. Brown, Miss Martha Sidner, Miss Barnett, Miss Marion Wiest, Mrs. J. F. Arnold.

Alto—Miss Ethel Holmes, Miss Ethel Borden, Mrs. E. M. Thompson, Miss Tolvia Carlson, Miss Arrie Black, Miss Iva West, Miss Ruth Caldwell.
