## OREGON TRUNK GOING SOUTH?

### LAND PURCHASED AT LA PINE

Deed is Recorded For Right of Way and Railway Grounds in That Town—Construction May Be Started in Short Time.

The Oregon Trunk Railway has filed for record with the county clerk at Prineville deeds for right of way and depot grounds in La Pine, 30 miles south of here. When the purchase was made is not known here, but it is presumed that it was a recent transaction.

The right of way is a 100-foot strip across the north half of the northwest quarter and the southwest quarter of the northwest quarter of section 14, township 22 south, range 10 east. Also a town lot and other property were included in the purchase, which was made from the La Pine Townsite Co.

This acquiring of property south of here is taken in Bend as an indication that the railway will begin construction of the line south of here at no very distant date.

## GOOD SOCIAL MEETING

Mrs. Hudson Entertains Library Club and Women of Bend.

Some eighty-five or more women of Bend enjoyed the hospitality of Mrs. C. S. Hudson at her home yesterday afternoon. The occasion was a social and get-acquainted meeting of the Ladies' Library Club. An effort was made to invite all the women of the town, and the result was the large gathering.

Many of the ladies present were newcomers to Bend, and to these it proved to be a pleasant get-acquainted meeting. It is probable that other similar gatherings will be held under the auspices of the club.

It was decided by the ladies to hold an apron and candy sale on Saturday, March 2, for the benefit of the library. Every lady in town is invited to give an apron and candy and to help make this a most successful affair. Announcement of the place where the sale will be held will be made next week.

## BLUES WIN GAME

Big Crowd Sees Young Women Play Basket Ball.

A large crowd of enthusiastic basket ball fans saw the Blues defeat the Whites Friday evening by a score of 14 to 10. Although it was the first public game of the season

## KNAPP STILL LIVES.

Showing remarkable vitality and clinging to life with great tenacity, George W. Knapp still lives and it is now believed that he has a chance for recovery. At times his pulse has been so weak as to be almost imperceptible, but he rallies and may yet pull through.

for the young women, they gave an interesting exhibition.

In the first half the Blues had things their own way, but in the second part of the game the Whites got busy and gave their opponents a lively run for honors. The Whites had the ball in their possession for the greater part of the entire game, but failed to throw goals as successfully as the Blues. For the latter, Miss Black was especially good. Miss Perry also made several fine throws from the field.

For the Whites Miss Young, although by no means at her best, scored the greatest number of points. She had poor luck shooting goals from the field, but in throwing fouls made a good record.

Before the game started and during the intermission the band entertained the spectators with its music. There was a full attendance of the boys and they gave a pleasing program.

The referee and umpire of the game were Darby and J. Hunter.

The lineup was as follows:

Whites—Center, Anne Markel; forwards, Nell Markel, Ang'e Young; guards, Beasie Main, Ethel Holmes.

Blues—Center, Cornelia Wilson;

forwards, Sara Perry, Arrie Black;

guards, Gertrude Markel, Iva West.

## NEW FREIGHT RATES MARCH 1

### CHARGES FROM PORTLAND REDUCED

Both Railroads Will Put Into Effect Order of Interstate Commerce Commission—From 20 to 25 Per Cent Cut to Bend.

Effective March 1, a big reduction in freight rates from Portland to Bend will go into effect, as previously announced in The Bulletin. Both roads will cut the present charges from 20 to 25 per cent. Agent Corbett has received the schedule.

The reduction was ordered by the Interstate Commerce Commission effective January 1, but the roads got a postponement. The cut will mean a big saving to Bend people. The following are the changes that will be made:

First class, from 119 cents a hundred to 101; second, from 101 to 86; third, from 83 to 70; fourth, from 71 to 60; fifth, from 60 to 51; A class, from 60 to 51; B class, from 48 to 41; C class, from 36 to 31; D class, from 30 to 26; E class, from 24 to 20.

## PLAY WITH PRINEVILLE

Basket Ball Contests Here Friday and Saturday Nights.

Bend's old time rival in athletics, Prineville, will send a basket ball aggregation over Friday to play the town team on Friday and Saturday evenings. Both fives will do their best to carry off the honors, insuring two hotly contested and interesting games.

On Saturday evening a number of the stores will close up for the contest, after which there will be a dance.

The lineup of the locals will probably be as follows:

Center, Steidl; forwards, Sawbridge and C. Springer; guards, J. Hunter and Hargrave; substitutes, John Sather and N. Springer.

The band, whose music added so much to the game last week, will be on hand again Friday night to play. The reorganized aggregation is getting along well and making a creditable showing. Next Sunday a public concert will be given.

## TOMORROW IS LEGAL HOLIDAY.

Being Washington's Birthday, tomorrow is a legal holiday in the state and United States, and will be observed in Bend. The banks will be closed and the postoffice except from 1 to 2 p. m. when the general delivery window will be open. There will be no school.

## CANDIDATES COMING OUT

### POLITICAL SITUATION GETTING WARM

Primaries are April 19, But Announcements are Being Made in Rapid Order—County Contests May be Lively.

Although the nominating primaries are nearly two months off, the political situation in Crook county is already assuming a warm aspect, and candidates are making their announcements.

Deputy Sheriff John Edwards has resigned his position to become a candidate against his chief, Sheriff T. N. Balfour, for the Democratic nomination. Edwards was a candidate against Balfour two years ago, but since that time has been chief deputy in the office. Former Sheriff Frank Elkins will probably try for the Republican nomination. He was beaten by Balfour two years ago by a small majority. John McTaggart of Madras and C. D. Brown of Bend will seek the Republican nomination. Mr. Brown announces his candidacy in this week's Bulletin. He is night police officer of this city and has served as deputy sheriff for a number of years in Wasco and Crook counties.

Charles O. Pollard and Attorney M. E. Brink of Prineville probably will attempt to wrest the Republican nomination for county judge from H. C. Ellis of Bend, the incumbent.

County Commissioner James Rice will not be a candidate for re-nomination. Willis W. Brown of Hay Creek has announced his candidacy for this office.

Ray L. Brewster, city engineer of Prineville, will contest the Republican nomination with Fred S. Rice, the incumbent, for county surveyor. John D. La Follette, Democrat and incumbent, has signified his intention to retire as county assessor. He has held the office for 10 years. Lewis Wyde of Prineville and William Van Allen of Redmond will seek the Republican nomination for the office.

Warren Brown, Democrat, will probably have no opposition to a fourth term as county clerk.

R. A. Ford will seek the re-nomination for county school superintendent and Principal Myers of the Prineville city schools will also enter the contest for the place.

No announcement of a candidacy for county treasurer has yet been made, and R. L. Jordan, Republican, will probably be a candidate to succeed himself.

Vernon A. Forbes, Republican, city attorney of Bend, and Wesley O. Smith of Klamath Falls have announced their candidacy for Representative from this district. Dr. H. P. Beiknap, who has represented this district in the Legislature for the past two terms, is quite ill, and

## INQUIRIES POUR IN.

Inquiries about Bend and the Central Oregon country are pouring in from all parts of the country, in a greater volume than ever before. Manager Sawhill says the number of letters received this year is three times as great as in 1911, indicating that there will be a big influx of homeseekers this spring and summer.

probably will not be a candidate.

Former Representative W. Lair Thompson, of Lakeview, Republican, has announced his candidacy for State Senator from this district. F. J. Young of Paisley, Democrat, is also out for the office. His announcement is printed in today's paper.

For district attorney W. A. Bell and Carlton L. Pepper, both of The Dalles, are seeking the Republican nomination. No Democrat has yet announced himself.

## COMES TO BEND TO LIVE.

J. P. Keyes, who has been connected with the Scaplon, Gipson and Brooks interests for many years, arrived in Bend last week and will make his home here. He will be associated with The Bend Co. He is a brother-in-law of Dr. D. F. Brooks, president of the company. Mr. Keyes has rented the Redfield residence and will be joined shortly by his wife and three children, who are visiting relatives in Seattle. Mr. Keyes is thoroughly acquainted with the timber business, having been in charge of plants in various parts of the country. He was in charge of the construction of the paper mill at Powell River, B. C., erected by the same men who are interested in The Bend Co.

## BUYS 55 ACRES OF LAND.

D. E. Hunter of Dayton, Ohio, has bought from The Bend Co. 55 acres of land lying across the Deschutes river from the power plant. It is in section 32, township 17 south, range 12 east, situated in the southwest and southeast quarters of the northwest quarter of the section. The property lies along the riverfront north of the road. It is suitable for both manufacturing and residence purposes. The price paid has not been announced.

## TOMORROW "COLONIST DAY."

In a proclamation issued by Governor West tomorrow is set as "colonist day." At this time he urges that Oregonians write to their friends and relatives in the east, telling of the opportunities of Oregon. In his proclamation the governor emphasizes the fact that this state needs investors to build up and develop its resources. Oregon is waiting for them, he says, and will afford abundant opportunity in every line of endeavor.

## FILM TO SHOW BOY SCOUTS.

One of the reels at the Star Theater tomorrow evening will be a picture of wig-wagging by Boy Scouts. The film shows the scouts rescuing a lad from drowning. A quartet consisting of C. H. Hunter, lead; J. Scott, bass; L. A. Jackson, baritone, and Prince Staats, tenor, will sing a popular song. There will be more than two shows to accommodate the crowds if necessary.

## EXPERTS MAKE PROPOSITIONS

### SEWER ENGINEERS VISIT BEND

Two Men Here During Past Week Discuss the Situation With City Council, and Another is Expected From Chicago.

The citizens of Bend will soon be able to know what the approximate cost of a sewer system for the town will be. During the past week two engineers have been here and looked over the field, and another is expected tomorrow from Chicago.

A. C. Reese, representing L. C. Kelsey of Portland, made an inspection of the city last Thursday and at a special meeting of the City Council that afternoon submitted a proposition to the city. John Reed, a member of the firm of W. F. Turner & Co. of Portland, was here yesterday and made a trip over the city. He met with the council in the afternoon and discussed the situation and will submit an estimate of what the engineering work will cost.

An expert from Chicago, J. B. Coons, is also expected here tomorrow for the purpose of looking over the field with a view to submitting a proposition.

By consulting with these experts and by getting their propositions, the City Council will be able to arrive at something tangible, and can let the people know what the approximate cost of a sewer system, which is already needed, will be.

## LEAP YEAR PARTY

Girls and Boys of the Younger Set Have Enjoyable Affair.

The girls and boys of the younger set had a jolly time Saturday evening at the Leap Year party given at the K. P. Hall. Some 35 or 40 were present.

The evening was spent in playing games and dancing. The Leap Year idea was carried out, and one of the features of the evening called for proposals by the girls.

Refreshments of frappe and wafers were served. The chaperones were Mrs. A. C. Everson, Mrs. B. J. Murphy, Mrs. H. C. Capthorne and Miss Marion West.

## NEW GROCERY STORE.

L. B. Misener, formerly of Hoquiam, Wash., opened a cash grocery store in the Everson building, on Greenwood avenue, Saturday. Mr. Misener and family are delighted with the climate here. It was too rainy for them on Grays Harbor.

## Oh, You Kid!

"I can't see why it is," said a young man, "that they always call me 'kid' while John Blank is always referred to as Mr. Blank. He's no older than I am." "The reason is simple," said a friend, "Mr. Blank has a bank account. He therefore associates with business men, and talks, acts and thinks like a business man. His business associations have brought him out of the 'kid' class. You are always known by your associates. You can't associate with business men unless you have a bank account and join the 'Mr.' class."
