## WHITES WIN OVER BLUES

### BASKET BALL GAME IS EXCITING

Young Women Players Give Good Exhibition, Score Being Close—Band is on Hand to Render Music, and Girls Sell Candy

The Whites, by excellent playing, were able to "come back" and defeat the Blues in the girls' basket ball game Friday evening. The contest was interesting all the way through. The final score was 28 to 25. The game some weeks ago was played with only one center to each

team, but on Friday night two girls appeared at that position on each side. The star of the game was Miss Young, whose throwing of both field and foul goals was a feature. Miss Wornstaff, at center for the Whites, played vigorously and most effectively also. For the Blues, Miss Black did the best work. She and Miss Young both shoot goals well. They will be the forwards in the game with Prineville next Saturday night, at the county seat. The following was the lineup of the game:

Whites—Angie Young and Nell Markel, forwards; Lousetta Wornstaff and Bessie Main, centers; Ethel Holmes and Ethel Borden, guards. Blues—Arrie Black and Fay Deardmond, forwards; Cornelia Wilson and Ruth Caldwell, centers; Gertrude Markel and Iva West, guards. Jesse Hunter refereed and Darby umpired.

Before the game and between halves the band played, and candy was sold by the young women. There was a good attendance.

### School Notes

The mock trial which was to have taken place last Friday was postponed until the coming Friday on account of the basket ball game.

H. J. Hockenberry visited the Bend High School Thursday morning.

The High School will present "Half Back Sandy" some time in the near future, in an effort to wipe out the High School debt. As far as possible the parts will be assigned to those who had them when the play was put on two years ago. Those who saw the play before know how well the students acted their parts, and it is expected that they will be even better this time.

Norval Springer was absent part of last week on account of an attack of grip.

The boys were out on the diamond for their first baseball practice Monday.

## RESIGNATION IS ACCEPTED

### CITY IS NOW WITHOUT MAYOR

Successor to Dr. Coe Will Probably Be Elected Next Tuesday Night—George Young Appointed as City Engineer.

Since 6 p. m. Friday Bend has been without a mayor, the resignation of Mayor U. C. Coe, tendered on February 29, having been accepted at that hour by the Common Council. The charter provides that a successor be elected by the council to fill out the unexpired term.

The council will meet in regular session next Tuesday night, at which time a mayor will likely be chosen.

### Routine of the Council.

A petition was presented by the Commercial Club stating that owing to underestimation of the cost of the stone required to build the depot there was a balance of \$194.40 yet due on this work. The city having agreed to furnish the stone if the Oregon Trunk would build the depot of that material, the council deemed that it was under obligations to pay the bill and a warrant was ordered drawn payable to the Commercial Club for this amount. This makes

a total of \$521.90 appropriated by the council for the material for the depot.

Elkins and O'Kane were given permission to erect an electric advertising sign.

J. A. Bernard & Co. applied for the transfer of the liquor license held by A. O. Hunter for the Pilot Butte Inn bar, and the application was granted.

The application of K. Kevil of Tonopah, Nev., for the position of city engineer and superintendent of construction was read and the recorder was instructed to inform him that there was no opening.

George S. Young was appointed as city engineer, to be paid for his work at 75 cents an hour. He accepted the position.

The street committee was instructed to get R. E. Koon to check up on the street grades before the next meeting.

C. P. Niswonger was appointed as sexton to take care of the cemetery property. It was stated that the cemetery affairs were badly muddled, people being buried on lots to which some one other than their heirs had title.

The toilet in the garage on lot 9, block 16, was ordered removed. A motion by J. H. Wenandy, chairman of the special committee appointed to investigate this garage matter, to declare the place a public nuisance failed to receive a second.

### DOES NO RETAIL BUSINESS

Because unfounded rumors to the contrary have been circulated, the United Warehouse Company desires to make it known that it positively has not, does not, and will not, handle any retail business in oil, gasoline or other materials. It sells only in wholesale quantities, and will not deal with individuals. In three instances mistakes occurred, and cases of gasoline were sold to strangers; these mistakes will not be repeated.

The United Warehouse Company is doing business with merchants, and intends to give merchants the same square deal it receives from them. To prove its sincerity it hereby offers a reward of \$25 in cash to anyone who shows that it retails to individuals. (Signed) W. H. BENTLEY, Manager.

## Your Income

Depends upon the kind of nursery stock you get. If you are willing to pay a fair price, you will get good trees. YOU CAN'T GET SOMETHING FOR NOTHING. If you expect to pay next-to-nothing and get good, first-class stock, you are mistaken, that's all. You can't produce a high quality tree for little or nothing any more than you can an axe, wagon, or any implement.

YOU ARE THE LOSER if you let the question of price alone influence your judgment when buying. Your loss is not temporary, but extends over a long period of years as your orchard stands. The folly of buying cheap stock will be impressed upon you each year as you figure your returns. Better be on the safe side and buy where you are sure of getting just what you want.

Our sales this year could not have so largely surpassed last year's had we not made good in the past. Catalog free.
