

NOTHING IN IT SAYS R. A. FORD

BUTTE SCHOOL DISTRICT NOT INJURED

Attack on County Officials For Action That Never Happened, Shown up by School Superintendent. Publication Perhaps Illegal.

What County Superintendent of Education R. A. Ford and others familiar with the facts of the case characterize as a malicious and groundless misstatement appeared in a Prineville paper last week in the form of a communication to the editor.

The letter in question was to the effect that the county boundary board had illegally and unfairly deprived Butte Valley school district, No. 72, of a portion of its territory, adding the alleged stolen lands to the Bend district.

Ford Makes Statement.
The absurdity of the complaint is evidenced by a vigorous statement by Prof. Ford to The Bulletin.

There has been absolutely no change in the boundaries of the Butte Valley district since June 2, 1908, when the present boundaries were fixed under County Judge Bell, and Dinswiddle, said Mr. Ford.

The district is approximately 27 miles long, north and south.

The county superintendent went on to say some very pointed things about the trickery of making such totally truthless and unfounded charges on the eve of the primary election when they are calculated to harm Judge Ellis and when it is difficult to get the truth of the matter to the voters in time.

"Unless I am gravely mistaken," continued Mr. Ford, "the paper (Crook County Journal) which printed the so-called letter is liable for prosecution under the corrupt practices act. A provision of the law requires that when damaging statements are made, whether with truth or malignant falseness, as is apparently the case in this instance, the political candidate involved must be notified of the alleged charges against them at least 15 days before the publication of same. A year's imprisonment is the minimum penalty for violation of this provision."

Writer's Name Lost.
Prof. Ford, who apparently went out to find the author of the letter

as soon as he saw it, reports that on going to the Journal office to ascertain the name of the erroneous writer, he was there informed that the "copy" had been lost or mislaid and that its perpetrator was unknown.

Portion of the Letter.

The gist of the letter is contained in the following extracts: "It seems the boundary board unlawfully cut off the timber land from the Butte Valley district, transferring it to the Bend district." "The lack of money was not understood until the clerk, J. I. Jones, made an investigation and found the above state of affairs." "While the votes cast in Bend may be a larger number than those cast in Powell Buttes, it would seem that the common interest in our county schools' welfare should cause us to forget our 'ax' once in awhile." Butte Valley district has its schools some three and a half miles south and west of the old Niswonger place near Powell Butte. Mrs. J. D. Davidson of Bend has been teaching there this winter, and the pupils are reported to have made exceptionally fine progress.

The members of the boundary board, against whom the baseless insinuations of misconduct are made, are H. C. Ellis, R. A. Ford, F. A. Rice and R. H. Bayley.
