CORRESPONDENCE

HAMPTON.

HAMPTON, April 22 .- On Saturday. April 20, many of the men in and organized the Hampton Valley as chairman and Victor Schreder secretary. There were ten charter A committee of five-the members. chairman and secretary. Lee Riggs. A. S. Fogg and H. C. Miller-was appointed to look into the well-drilling question.

J. N. Crowe is in Bend for feed and provisions.

Lee Riggs is fencing his place.

A. S. Fogg had the misfortune to lose a fine colt last week.

The farmers have been busy seeding. Mr. Harrison put in five acres of rye and a little oats for experi-Burr Black drilled in eight acres of rye. L. C. Peck put in five acres and Mr. Frame begins his seeding tomorrow.

Mrs. J. N. Crowe was quite III the past week and pneumonia was feared, but she is able to be up again.

The friends of W. T. Harrison and wife gave them a pleasant surprise Wednesday. The evening was spent in playing games, some to improve the mind and others lively enough to make the most care-worn forget their troubles. Home-made candy, marshmallows, penochi and pepcorn was served. Those present were Misses Evelyn and Lora Crowe, Mrs. J. N. Crowe, Ethel Fogg, Mac Hall, W. T. Harrison and wife, E. M. Peck and wife, Burr Black, Karl Kellar, Mr. and Mrs. L. C. Peck and J. L. Owen.

Burr Black and W. T. Harrison left for Bond yesterday.

Forrest Neeld is fencing 160 acres of his homestead.

Louis Miller is clearing sagebrush for Antone Weber.

************************** PRINGLE FLATS *****************

PRINGLE FLATS, near Held P. O., April 22.-Mr. Lund, Mr. Schmeer and Mr. Evans are on the sick list

Mr. Libby, Mr. Baker and Mr. Nelson visited Mr. and Mrs. H. Evans Sunday.

A surprise party was given at the house of Alec Rickman Friday night. The evening was spent in games and singing. All had a pleasant time.

Mr. Libby has done considerable needing this spring.

Mr. Martin, Mr. Todd and Mr. Evans were helping Mr. Schmeer stretch wire around his 120-acre desert claim last week.

Paul Held, supervisor of this district, had some men working on the Camp Creek road. Mr. Gilbert and son came to their

is down 40 feet.

Mr. and Miss Campbell intend to do considerable seeding this spring.

Saturday.

Fred Lund has been setting out some fruit trees and berry bushes

****************** TUMALO

TUMALO, April 29 .- Postmaster G. W. Wimer, John B. Wimer, Mrs. L. I. Wimer and G. W. Horner made a business trip to Prineville last week.

the Star ranch to Bend.

It was stated in the Millican correspondence to The Bulletin some time ago that a Duroc Jersey sow bought from the First National Bank had given birth to seven fine pigs. G. W. Wimer has a sow, which was ditch owner ten pigs, all of which are liv- work there.

ling. They are about two months old and their combined weight is estimated to be 350 pounds now. other sow of the same shipment had eight pigs, four of which are living.

Mr. and Mrs. F. F. Smith of Bend were callers at Tumalo yesterday. Hampton valley met at Louis Miller's Mr. Smith said that they would take up their residence at Paisley soon. Improvement Club, with A. T. Frame where he will engage in the banking business.

> Frank Woods of Bond passed here today on his way to the Gist neighborhood for a four-horse load of po tatoes

****************** LA PINE

LA PINE, April 29 .- D. L. Peterson went down to Bend Wednesday and brought back Vernon A. Forbes and M. S. Lattin Thursday. Mr. Forbes has offered his services in the matter of getting the lodge-pole pine lands of the Walker basin thrown open for settlement under the act of June 11, 1908. Encouraging letters been had from the Oregon Senators and Senator Borah of Idaho. and business men around the country are of the same optnion, that the lodge-pole lands are the proper subjects of the homesceker and not of the forest reserves and that when they are settled there will be less danger from forest fires. Papers are being prepared asking the forestry department to classify those lands.

Last Tuesday about 11 a. m. the residents of the town were given a big scare. Joe DeLay, father-in-law of Frank Boles, while doing some work upstairs over the store, built a fire in the cook stove and had cause to go downstairs for water. When he returned he found the room full of fire. He called for help and soon had a bucket brigade at work. flames had gained such headway that had the fighters not got there when they did nothing could have been saved. A high wind was blowing.

F. O. Minor and a postoffice inspector were up the river from Bend fishing Thursday and stopped at La Pine for dinner.

R. E. Eaton, the barber, is build ing a barber shop and store room on the corner lot just north of the J. S. Bogue & Co. building. The structure will be of two stories, with living rooms upstairs.

to Bend Tuesday, roturning that evening. Mrs. Morson and Mrs. E. R. J. H. Stanley, C. M. Redfield, H. J. Hall were taken to the railroad and Overturf, F. F. Smith, W. W. Faulkwent down to Portland. They returned yesterday.

Fred Shintaffer and Jim Benson started to build a garage for D. L. Peterson just north of the livery para last Thursday.

Fred Errington went to Bend last Tuesday and brought up four people from the Dakotas and was showing them the country Wednesday.

Grover Caldwell is again freighting. He came into La Pine Wednes-Mr. Martin in-digging a well and day with a load of grain for Borne

Sidney S. Stearns came up to h's La Pine ranch Thursday evening and Walter Taylor came in from Bend returned to his home on Crooked river today.

Mr. Bellet, whose wife has been at their farm near town. the La Pine hotel most of the winter, arrived Thursday evening with a party on their way to homesteads in the Summer Lake country. Mr. Bellet been visiting in Bend.

W. G. Fordham went down to his wife's homestead Saturday and took his family back to the Strotts place.

G. A. Bradley has been spending a few days at Bend and Prineville. Teams are now hauling hay from He is expected back tomorrow.

J. N. Masten expects to start the Morson sawmill in a few days.

Mr. and Mrs. William Everingham

were in La Pine Monday. The past week the men on the work have been tearing the also purchased of the bank from the old "Battleship", up on the works, shipment, that brought the apart in order to allow teams to go to
