# MANY LISTEN TO WOMAN'S WORDS

MRS. FHRGOTT WARM- LY WELCOMED

Suffrage Speaker Addresses Five Audiences Here—Entertained at the Lars, Overturf and Putnam Homes—Thanks the People.

Bend received its official introduction to the woman suffrage question at the hands of Mrs. Sara Bard Field Ehr Gott, the leading votes-for-women speaker in the state and practically the head of the Oregon movement.

Mrs. Ehr Gott arrived Saturday night, going from the depot to the Baptist church, where she delivered an address. The essence of this speech, as of the others, is contained in the article written for The Bulletin by Mrs. Ehr Gott and which appears in this issue.

Addresses Several Audiences. Sunday morning the suffrage speaker was given a hearing at the Methodist services held in the hall over the postoffice, through the courtesy of Rev. Mr. Williams, who introduced her then, and later, extending every assistance to the visitor.

In the afternoon Mrs. Ehr Gott was entertained at a reception by Mrs. Putnam, at her home, and in the evening she again spoke at the Methodist church.

Monday afternoon an open air meeting was held, and a committee on local organization chosen, consisting of Mrs. P. W. Brown, chairman, and Mrs. Hudson and Mrs. Putnam. Later in the afternoon Mrs. Ehr Gott was again entertained by Mrs. Overturf, at whose home she met the teachers.

After a stree address attended by a large crowd, the last meeting was held at the Baptist church in the evening.

Yesterday Mrs. A. M. Lara was the hostess to Mrs. Ehr Gott at luncheon at her home in Park addition, and in the afternoon the visitor was taken to Redmond by J. C. Rhodes in his automobile. Mrs. Ehr Gott had intended going to Burns, but was advised to abandon the trip through telegram stating that several cases of smallpox have broken out in the Harney town.

Thanks People For Reception. All those who heard her were enthusiastic in praise of the speaker's ability and in admiration for her likable qualities. It is doubtful if anyone ever has come to Bend who received a warmer welcome, and in appreciation of her reception Mrs. Ehr Gott addressed the following letter to the people of Crook county through the medium of The Bulletin:

"Dear Friends: I cannot leave this portion of Central Oregon without registering my gratitude to its people for the kindly way in which you have received me into your midst. I came as a stranger—I feel that I am leaving as a friend. I brought you a great message to which you have listened courteously, even enthusiastically; and to both message and messenger you opened your hearts and homes, for which I am unpeakably thankful. In the name of our college league and the state central campaign committee, and in my own personal name, I extend to you all my sincere thanks and my deep wish for the growth of the seed which has been lovingly planted. Yours for the cause, SARA BARD FIELD EHRGOTT."

service.

There will be special services Sunday at the Baptist church by Rev. Dr. Gorby. In the morning he will preach on the theme, "The Use of Riches a Moral Issue." In the evening there will be the baccalaureate sermon to the High School graduating class.

The Bend Company has purchased an Edison commercial phonograph, electrically operated. These machines, which are coming into general use in large city offices, simplify dictation work greatly. So far as is known, this is the first one used in Central Oregon.

Ryan & McGillvray report the following sales of lots in Kenwood since May 5: Maurice P. Cashman, lots 1 and 2, blk 14; John D. Stevens, lots 15, blk 1; Mrs. C. V. Dana, Seattle, lots 1 to 7 inclusive, blk 16; F. M. Carter, lots 5 to 8 inc., blk 7; I. V. Johnston, Portland, lots 11 to 14 inc., blk 10; W. J. Hanley, lots 3 and 4, blk 12.

During the week Ryan & McGillvray have closed two deals in farm property. One was for 160 acres about 7 miles southeast of town, to A. S. Spitzberger, who is from Iowa. The other is of the George L. Simmons ranch near Laidlaw, G. B. Swinehart of Seattle being the purchaser.

C. P. Judge of North Portland is in Central Oregon now interesting the farmers in dairy cows. He spent last week in Bend. He imports Holsteins, Durhams and Jerseys from the Central States and expects to supply a large number of good milkers to Crook county ranchers.

and similar shipments are being stored on the platform.

The station force of six, including Agent Corbett, is unable to handle all the business and another man will be added at once. The local freight, which is at present handled by the passenger station force, will be in charge of a man with headquarters in the place provided for this purpose in the warehouse. This will relieve the congestion in the one room from

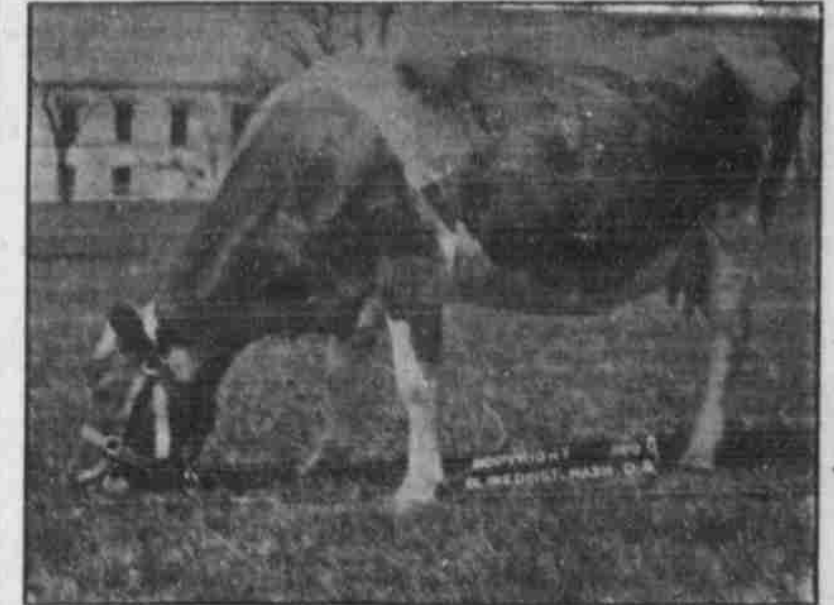

which all business has been transacted, and will lessen the duties of the agent.

### Freight by Wagon to Burns.

Freighting by wagon between Bend and Burns, as well as by auto, has been undertaken. The first trip of this kind was made by Fred Ousley and Harry Howell, Burns freighters. The two men had 22 horses and six wagons and took out 26 tons of goods making the trip when it was almost impossible for the motor cars to get over the roads. They encountered anything but encouraging conditions both as to weather and roads, but demonstrated the feasibility of wagon hauling to the Harney town. Mr. Ousley said the trip, which required 21 days, was a hard one but he was satisfied with it. The only real disadvantage, he said, is the lack of watering places at close intervals.

### Gray Goes to Great Northern.

Announcement has been made from Portland of the elevation of Carl R. Gray, president of the North Bank, Oregon Trunk and other Oregon Hill lines, to the presidency of the Great Northern, succeeding Louis W. Hill. Mr. Gray is succeeded by J. H. Young, who has been president of the Alaska Steamship Co. Mr. Young is an experienced railroad man, having served in various capacities with the Great Northern, Illinois Central and Oregon Short Lines.

# DAIRY COWS

INVITE LETTERS from any one wanting information, also those wanting to buy high grade or commou dairy cows in car lots or less. I buy my cows in the best dairy locality in the Central States where I can always get good common and high grade Holstein, Durham and big Jerseys. Very few dairymen in the extreme West care to sell off a real good dairy cow, so it is necessary to go where the kind of cows most suitable for Oregon desires can be had plentiful and at reasonable prices. Calves, Yearlings and Heifers always on hand, I can also furnish Bulls of any breed or grade. Write to
