

Bend Distributing Business Has Rapidly Increasing Volume.

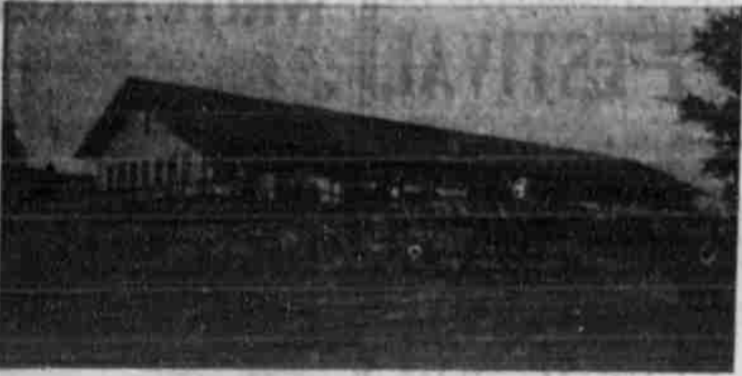

The growing volume of the local railroad tonnage is well shown by the great amount of freight that has passed through the local warehouse since last Wednesday.

Four auto trucks, loaded to capacity, left for Burns during this time, and 16 wagons. In all, very close to 100,000 pounds of freight have been dispatched for the Harney town, 146 miles distant. Another 300,000 pounds is on hand. With the increased number of auto trucks in the business, and many wagons now on the route and an improved road, it is expected that hereafter the Burns shipments will be handled far more quickly than has been possible before.

The warehouse is so crowded that the force there is now storing goods beneath the platforms, as well as on them, every foot of the big interior being occupied.

MAYOR TO BE PICKED

(Continued from Page One).

was not in favor of putting in one at Evergreen and Fifth street at the

Just before adjournment Allen stated to the crowd present that the councilmen had decided before meeting that on Tuesday evening, June 18, they would meet and elect a mayor. He asked that, if the people had anyone they wanted chosen, or if there was anyone who wanted the office, that the council be notified.

Engineer Koon reported that he would be ready to submit a report on the sewer system plans by Friday, and the council adjourned with the understanding that there be a meeting then.

Chief of Police Roberts was granted a two weeks' leave of absence on full pay, beginning today. In his absence C. D. Brown will be day man, and F. L. Culp night officer.

Bills to Be Paid.

A report of city finances was requested, but Treasurer Oventurf stated that he had not had time to get up one, and that the approximate resources of the city were \$1000.

The following bills were ordered paid:
