OPENING GAME PLEASES FANS

BALL TEAM SHOWS UP WELL

Victory Goes to Redmond, 4 to 2, But Exhibition Has Many Thrills---Several Sensational Catches Mark the Nine Innings of Play.

Opening the baseball season on the local grounds, Bend and Redmond gave a good exhibition of the national pastime Sunday afternoon. The score was 4 to 2 in favor of the visitors.

batting the players did not show a great amount of strength, but this is accounted for to a great extent by the excellent pitching of Jesse Tetherow, who has on other occasions proved a stumbling block to local diamond artists.

The most spectacular fielding feature of the nine frames was a catch in center field by McCauley of Bend. Running backwards, he grabbed a hard hit one off Tetherow's bat with one hand, falling as the ball landed in the glove. He had a death grip on it, however, and came up out of the grass and dust with the sphere safely clinched. The next batted ball was an easy one right in his hands, and he muffed it. Brownlow, in the right garden, cut off what looked like a safe hit and tossed the ball

to first for a double play. Another double was pulled off when Boszell took in a high one to left field, the runner being caught before getting back to second. Redmond's left fielder also figured in a double on Van Matre's fly in the eighth.

Tetherow Pitches Good Game. Tetherow, though somewhat wild, pitched a fine game, five singles (two of which were of the scratch order) being all that were obtained off his delivery. Redmond copped eight off Immele, including a three tagger and three two sackers, as well as a

two bagger which was called foul by the umpire. Had this been called fair, Foote would have had a perfect score in batting, getting as it was two singles and a triple in the four times he was at bat.

There was a good sized crowd out to witness the contest, including several spectators from Redmond.

Just who will be out, and who in, remains to be seen. Frank Kulp and Mont O'Donnell will be the veteran battery.
