PLENTY DOING FOR THREE DAYS

CELEBRATION NEXT WEEK A HUMMER

Balloon Ascensions, High Wire Acts, Street Carnival, Ball Games, Fireworks, Play, Dance, Athletic and Other Drawing Cards.

While final arrangements of the program have not been entirely completed as yet, a general outline can be given of the fun-making events that will make Bend a four days' celebration the biggest thing of the kind ever pulled off in Central Oregon.

The ball starts rolling on Wednesday night, the 26. A play and dance are scheduled at Linster's Hall, the former being staged by local talent, and the combination being presented for the benefit of the library and the Commercial Club. The Bend Orchestra will furnish the music, and a fine dance is expected. Wednesday evening the Frank Miller Amusement Company's street carnival, with its seven big shows, also opens up, and continues in operation for three days. Balloon ascensions every morning, with parachute jumps, high wire stunts, etc., are among the free acts that will be given in the open air every day for the enjoyment of all.

Parade to Be a Feature.

On the morning of the Fourth, there will be a parade, composed of the Bend Band, a band from the show company, children, fraternal orders, ladies riding, decorated floats, decorated autos, farm wagons and horses. There will be exhibitions of agricultural products, for which, it is understood, merchants will offer prizes.

The afternoon of the Fourth will be taken up with the baseball game with Metolius and the street carnival shows. The band will play at various times during the day. After supper the big fireworks display will occur, just west of the river, where it can be comfortably seen by large crowds from the east bank; and after that the big dance is scheduled in Linster's Hall, with music and refreshments.

Thursday there will be athletic contests, serious and comic, for both young and old, thin and fat. A feature that is expected to make a lot of fun is a tug of war. Team and single horse pulling contests, horse races, canoe racing, log rolling and other sports are scheduled, all with cash prizes.

These events, with the street carnival shows, the balloon ascension, etc., will go over through Saturday, without letup, and on the afternoon a baseball game with Redmond comes off.

On the morning of the Fourth a complete program will be ready, and will be distributed, as will baseball

score cards for both games. By next Monday the amusement committee hopes to have many entries to all events. Entries should be made to E. R. Post, or any other member of the various committees.

NEW ROOMING HOUSE TO OPEN.

The rooming house just completed by J. J. Klein on Front street, which has been leased by W. H. Bentley and D. W. Wilson, will be opened July 1, says Mr. Bentley. It will be called the Altamont Hotel.

MAUDE VANDEVERT AND CHESTER CATLOW MARRIED

Daughter of Deschutes Country Pioneer Wedded Yesterday at Her Home on Little River.

Yesterday at noon occurred the wedding of Miss Maude Vandever and Chester Catlow, at the W. F. Vandever home on Little river, some 25 miles south of Bend.

Rev. H. O. Perry of the Methodist church performed the ceremony. Miss Vandever, oldest sister of the bride, was maid of honor, while Misses Ione and Viola Fisher, Iva West and Grace Vandever acted as bridesmaids. The maid of honor wore pink and the bridesmaids blue. Will Vandever was best man. Before the ceremony Miss Marion West sang, accompanied by Miss Eva Graves, who also played the wedding march, that from "Midsummer Night's Dream."

After the wedding a luncheon was served to the many guests who had come from Bend and from all parts of the county. The house was prettily decorated with manzanita, willow and yellow pond-lilies. In the afternoon Mr. and Mrs. Catlow left for the bride's desert claim near Summer Lake. Mrs. Catlow is well known in Bend, being a daughter of W. P. Vandever, a pioneer of this country. Mr. Catlow is a graduate of Willamette University.

CHANGE IN RURAL ROUTE

About 20 More Families East of Town Will be Served.

The Postoffice Department has ordered a change in the rural free delivery route from Bend whereby about 20 more families will be served. The change is effective July 1. From the southeast corner of section 26-17-12 the route will be extended east to the southeast corner of section 33-17-13, thence north one section, thence west over the present route to the southeast corner of section 25, thence north 1 mile and east 2 1/2 miles to intersect with the present route.

The people in the neighborhood of the Davenport-Stanley ranch have stated that they will put up boxes on the route after the change. Only one family now served will be affected adversely by the re-routing, this being Cole E. Smith's. He will have to go a half mile for his mail, which he has been getting at his front door.

MORE TELEPHONE LINES.

The local forestry people are straining much telephone wire in the Deschutes reserve this year, now having 28 miles constructed. Fifteen miles has been built this spring and summer, and within the next week four more miles will be finished.

PAPER ADVERTISES BEND

June Number of "Northwest News" Devoted to Description of Town.

The "Northwest News," a newspaper published monthly by the Northwest Townsite Company, which has extensive realty interests here, devotes its June issue to Bend. On the front page is a big picture of J. J. Hill speaking here on Railroad Day, and in addition there are nine other views, all of Bend development.

The paper gives the town a big send-off, and a lot of valuable publicity, as it is circulated among a very large and select list of persons interested in the Northwest, chiefly as investors. The paper contains an extensive article by G. P. Putnam, entitled "Bend, a City of Destiny," in which the town's growth since the arrival of the railroad is described.

TAFT AND SHERMAN CHOSEN

Roosevelt Charges Fraud and Will Form New Party.

The Republican national convention in Chicago, after a bitter fight, nominated Taft for President and Sherman for Vice President. Most of the Roosevelt delegates sat silent, refusing to vote, in this way expressing disapproval of the steam roller methods of the credentials committee, which refused to seat many delegates for Roosevelt. The Colonel charges fraud to rob him of the nomination and will form a new party and become its head.

The Democrats are holding their convention in Baltimore this week.

GOING TO COLLEGE THIS FALL.

Every member of the class which was graduated from the Bend High School this year expects to enter college this fall. Fred Lucas and John Bather will go to the Oregon Agricultural College at Corvallis, Margaret West to the University of California at Berkeley, Emily Schreder to the University of Oregon at Eugene and Laurence Smith probably to Harvard University.

LIDLAW MAN SHOTS AT DITCH COMPANY MANAGER

John Hasselberg, after Having Trouble Over Water, Fires on John Wimer, Bullet Piercing Hat.

A shooting which narrowly escaped serious consequences occurred near Laidlaw Thursday, when John Hasselberg fired a shot which pierced John Wimer's hat. As a result, Hasselberg has been bound over to the grand jury, under \$1000 bond.

The trouble grew out of a quarrel concerning irrigation matters, according to Deputy Sheriff L. L. Fox. Mr. Wimer, who is in charge of the Columbia Southern Company's irrigation works, had previously had a fracas with Hasselberg, who had ordered Wimer never to set foot on his land. Last Wednesday, it appears, a break occurred in a ditch on the Hasselberg place, from which water flooded out into a nearby road. Wimer phoned Sheriff Balfour, asking whether he had better disregard Hasselberg's warning and fix the ditch. Balfour told him to go ahead and do his duty.

So, while Hasselberg was absent, Wimer went on the place and fixed the broken ditch. The next morning Wimer and Mr. Nichols were riding past the Hasselberg place when the owner stepped out and halted them. After hot words with Wimer, Hasselberg ordered Nichols to clear out, as he said. Then he stepped behind a tree and got a rifle secreted there. Wimer, foreseeing trouble, lay over on his horse and gave him the spur, whereas Hasselberg took a snap shot at him, the bullet piercing the fugitive's hat, according to the complaint made by Wimer.

Wimer swore out a warrant before Justice Thorp of Laidlaw and Deputy Fox was summoned from Bend. In the meantime Hasselberg had been here getting legal advice, and finally was arrested at his own place, late in the evening, when Fox and Constable Lucas found him hiding in the timber behind his house, says Fox. He was brought to Bend Friday but was later released on bond.

BIG ISSUE OUT NEXT THURSDAY

44 PAGES IN DEVELOPMENT NUMBER

Paper Has One Hundred Illustrations—Special Bargain Price For New Subscribers For Three Days of the Celebration.

The regular issue of The Bulletin for next Wednesday will be delayed until the following morning, July 4, when all subscribers will receive their copies through the postoffice, as usual. Only instead of the normal 12 page paper, they will get 44 pages—The Bulletin's first Development Number.

The big issue is devoted to telling what Bend and Central Oregon have done and can do. There are "writings" concerning all portions of the Deschutes country. A lot of surprising figures have been tabulated showing the local payroll, local building, etc. All organizations are described. There are between 90 and 100 cuts, all of Central Oregon scenes.

The paper sells for 10 cents a copy, wrapped ready for mailing if desired. It weighs over half a pound, and the postage is 3 cents. It will be on sale at The Bulletin office and by newsboys on the streets, during the three days celebration. To get the paper before more Crook county people, The Bulletin is making a special offer for the three days. On the 4th, 5th and 6th, new subscribers can get the paper for one year for \$1, instead of \$1.50, the usual price. The one dollar also includes the big edition. This bargain period will last for only the three days and will not be made again for one year.

The Bulletin will have for sale silk badges for Bend people, with "Bend, July 4, 1912," printed on them, and other badges of different colors for visitors from various sections and towns, with "I'm from Redmond" and the like printed on them. There will also be souvenir hat bands for the occasion.

CRUISING PARTY RETURNS.

The party of ten men of the United States forestry service who have been cruising timber in the Sisters country for six or seven weeks has finished the work undertaken and returned to Bend Friday. Three townships west of Sisters were cruised. The men have now scattered to various other forests in the Northwest to do similar work.

LIBRARY BENEFIT SUCCESSFUL.

The benefit performance at the Star Theatre Thursday night proved the finest kind of a success. The house was packed to capacity at both shows, the reels were excellent and the special music, in which Misses Black, Graves and West and Mrs. Fish figured, was highly appreciated. The Library Club's share of the proceeds amounted to \$19.25.

DID YOU EVER?

Did you ever stop to think that your wife might get sick? That there'd be a hired girl in the kitchen? That there'd be doctor's bills to pay? That the rent might come due? That you might have to meet the last installment on your furniture? That you might break a leg? That taxes are certain as death? That all these things require ready money? That such events have befallen others? That they might happen to you? Moral: PREPARE FOR IT, by pinching out a little now before it happens. There is nothing so handy as a bank account when you are in trouble. Start now.
